Ruby (Heppner) Wiebe,2020-03-31 When life happens we all need a little pick me up from time to time This book will remind you that there is a silver lining in every cloud if you look for it In fact sometimes the entire cloud is covered in silver and bling Some of the short stories will produce a smile and a chuckle like the conversation I had with my two year old grandson as he was trying to figure out if Grandma was an idiot or not They may also incite a tear or two perhaps when reading about the houseguest who broke my heart when I realized the deprivation he must have suffered while in a cult His excitement over bologna sandwiches just may melt your heart Experience with me the warmth of family as the young uns steal the show Be encouraged to take up the childish task of tattling again but this time with a twist Let s learn how to focus on the good we
