The Little Gods: A Masque of the Far East Rowland Thomas, 2023-09-24 For the life of me as I was sitting here this sunny late October morning I could not write a distressing condition truly for one who lives by writing Outside the windows of this quiet country house lay the lean fields of New England soberly beautiful enough in their fading autumnal colorings but somehow yielding no inspiration forgive the pretentious and convenient word no inspiration for my pen All around me my neighbors were busy soberly engaged each man of them in safe guarding himself his body soul and his possessions against the accidents of life and death They too somehow failed to inspire that sluggish bit of pointed gold Neither do your sober neighbors friend as I think of them In all essentials they might be my own For we are all a care worn people we of this young West moving always circumspectly hedging ourselves round with a tenfold wall against surprises with creeds and codes and philosophies innumerable all warranted Hell proof and Heaven kissing We count him wisest who lives and loves and dies most by rule And the rule is that rule of our Tory Grecian forbears Never too much We may be a wise people and a happy people said I to myself but we are quite too prudent to be counted young in anything but years And so that bit of gold hung uninspired as when it left the shop It waited for livelier more zestful topics than the daily grind of sober middle age Then all at once it seemed familiar voices called to me from that East we deem so old and I was

back there A street stretched beneath me such a street as only the Far East knows and there only in one enchanted city It was a wide street and a long one all aquiver with hot stinging sunlight It was walled with solid four square houses and above them roofs and pinnacles rose in a hundred fantastic airy shapes for which our Western architecture has no names and the fronts of the houses flashed with decorations of barbaric red and gold The street flamed with them And all down the spacious sun flooded length of it filling it from brim to brim like a river poured a current of tumultuous life From out the crowd eyes met mine just as they used to do Eyes of men intent on conquest of goods perhaps or power or pleasure the eyes of men who sought not soberly Mocking inviting smiling fathomless straightforward eyes of women who forgetting or unknowing Heaven and Hell still knew that they were women mistresses of a woman s joys and sorrows Eyes of losers at the game unhopeful but uncowed Thousands of eyes glanced up at me and not one solitary pair of them were like the eyes that look out soberly from your neighbor s head or mine As my eyes questioned theirs it seemed to me again just as it used to do that there in the old East where life began it still throbs most strongly tingles most with the hot blood of youth that there men eternally young are still most unafraid grasp with least hesitation all life offers them and accept the outcome of their choice with most sincerity As I was thinking that it seemed to me that I went down into the life and stinging sunshine of the street and mingled with it till at last my steps led me down an alley and across a drawbridge that spanned a green and pestilential moat and I approached the low gateway of a gray Walled City which was old when History was young I passed under the cavern of the gate and my feet rang on the worn flagstones as I passed and came into a narrow street between low sombre houses without windows and so presently to a temple which in that city bears an unpleasant reputation Not that scandal hangs about it it takes Christian tongues to make libertines and guzzlers of Christian priests But it is said that for some few centuries experiments in in Psychological Research let us say have been going on in that old temple of Tzin Pia u with results that are not always reassuring to a lay beholder I was in too careless a mood to care for that that morning and the porter let me pass barbarian that I was and I crossed the great courtyard and came to a little cell built in the thickness of the walls Inside the cell I saw an old old man a priest though but a heathen one half reclining on a hollowed slab of stone He was a very gaunt old man but a very tall and strong one and his face was like a mask of yellow parchment seamed with a multitude of tiny wrinkles and his eyes were two slits set slantwise in it But as he heard my step and looked up they widened and the spark of a smile glimmered in them It is you again my son said that old heathen priest to me in greeting though I did not remember having seen him before that day What is it now Suddenly I knew why I had come My father I said though he was but a heathen I want to see Life through your eyes He looked into me and through me and beyond me into vacancy and as he looked the spark of laughter in his eyes danced and flickered up into a tiny fire You are older now said he Sit down I will tell you first of the Game of the Little Gods and then you shall see Life through my eyes The Little Gods I asked squatting on the floor It was the only seat he had to offer me The Great God my heathen priest explained unheeding me and smiling into vacancy the

Great God created us men in his own image and soon found us as objects of His constant contemplation distinctly wearisome If He could have laughed it would not have mattered much but Amusement is beneath the ken of a Great God Therefore our inconsistencies our pettinesses our hopeless contradictions quickly wearied Him as they would us if we had to take them seriously forever And so drawled my heathen tutor the Great God at last in self defense created some Little Gods to take charge of the everyday affairs of men So far as they are Gods of course these Little Gods are Eternal and Impartial far raised above Love and Aversion Pity and Scorn Admiration and Derision and all our other small emotions To them all things are equal But so far as they are Little and not Great they are capable of Amusement And so said he those lucky Little Gods while away Eternity by playing games wherein we men are counters But we men too he added smiling through me into vacancy if we are wise can gain amusement by looking on at the games we re part of I said I have never noticed anything which looked like games No he said half mockingly You never watched a strong man strive his utmost and grasp at last what he strove for a handful of ashes and dry leaves Never saw a woman love with all her heart till she broke it loving Never saw Tragedy or Comedy or Farce wherein the players were not actors Have all Life s contradictions But they ve always taught me I objected that in those seeming contradictions an inscrutable Wisdom was working for the ultimate good of those My son said my old heathen priest stretching his old legs out on his stony slab go and see for yourself This is the hour when I take one of my naps See for yourself FROM THE BOOKS "Imperishable Glory Or God and the little gods " John Thwaytes, I think it was Lobsang Rampa who said that the littlest gods are the most powerful of all the gods Perhaps by the end of this chapter you will understand why that is true On the cover of this book I have given an artist s impression of what a typical little god looks like at its third stage when it is in the space time universe and just about ready to hook up with a group of friends and form a particle of matter energy The tiny God Particle is the basic substance that creates and forms all types of matter energy and without it no matter energy of any sort can exist It originates as part of God the Father in pre reality where it is almost the same as a particle of thought and it is constituted in inexhaustible trillions held in reserve and fed into action by the Unqualified Absolute and the Deity Absolute from the Circle of Infinity in nether Paradise Each of these particles is a carrier of the power and Will of God for the various roles of matter energy in Creation **Little God** Shannon Bell, Legend has it that once upon a time there was a poor woodcutter named Phong Du One day while wandering in the jungle he accidentally saved a strange animal trapped in a trap That night while the young man named Phong was sleeping he suddenly dreamed of an old fairy in a white shirt The old man thanked Phong Du for saving the life of the whole Tay Lac kingdom and gave him a red card and a transparent ball and told him that if he had a wish just write on the card then put it under the ball will definitely be okay *God And His Coexistent Relations To The Universe:* George D. Shollenberger, 2014 The author says that the social contract theory of John Locke the immortal souls of humans and doubts of the divinity of Jesus by Ben Franklin Thomas Jefferson and John Adams caused the separation of the U S colonists from England on July 4 1776 However the

author says that the USA has lost its God and has no facts about the universe in which we live He also says that Locke s social contract theory and the immortal souls of humans were never installed by Congress And he says that the doubts of the divinity of Jesus were never verified In his new book the author opens his widely respected mind to find answers to the above unknowns In his studies of the immortal souls the author concludes that all nations must become equal so that the immortal souls of every Little God can be reborn naturally by God His study provides answers of all doubts about the divinity of Jesus and says that only one active God exists and governs the immortal souls and the universe forever In time only one religion will exist *American Fiction, 1901-1925* Geoffrey D. Smith,1997-08-13 A 1997 bibliography of American fiction from 1901 1925 [The Last God](#) Hue Woodson,2021-12-31 As a Vietnam combat veteran John tries his best to forget the war Though fifty years have passed and he is much older now forgetting his hard to do even with his family never knowing the full extent of his wartime experiences Only his combat friends Mark Matt and Lucas know what happened over there especially with the small Vietcong village and the young Vietnamese girl John tries his best to forget the girl but the girl who worshipped John as a god would not let herself be forgotten The both of them would become each other s last god **The Seducers** C.R. Hogan,2018-12-28 The Seducers captures the heart as well as the mind of those seeking something real in order to break away from that which is _____ The Seducers revisits the ways to get back on track to the true meaning of life and love showing how to break free of the seducers giving strength and courage to place one foot in front of the other **A New and Modern Holy Bible with the Intelligent Design of an Active God** George D. Shollenberger,2012-06-08 THE GENERAL PURPOSE OF THIS BOOK The general purpose of this book is to build the minds of all Little Gods who were created by God who also created the universe About 4 4 million years ago Little Gods appeared on planet earth Today billions of Little Gods exist and have developed their minds after they found that God and the universe have no end However the minds of all Little Gods did not develop until counting tokens appeared about 9 000 years ago Then 5000 years later the Little Gods added symbols to these tokens These symbols were used in early texts and later in national languages religious scriptures scientific books newspapers etc For the last 4000 years many religious leaders were saying that the symbols in scriptures are sacred and are inspired by God In 2006 I found that God is infinite and unlimited Six years later I found that symbols are finite and limited These findings prove that scriptures cannot be sacred I confirmed these findings with new research on Greek writings and the teachings of Jesus in the New Testament In time I expect all Little Gods to worship the same God The purpose of my book is thus to bring all Little Gods together under one God [The Gods Below](#) Andrea Stewart,2024-09-03 In this sweeping epic fantasy comes a story of magic betrayal love and loyalty where two sisters will clash on opposite sides of a war against the gods A divine war shattered the world leaving humanity in ruins Desperate for hope they struck a deal with the devious god Kluehnn He would restore the world to its former glory but at a price so steep it would keep the mortals indebted to him for eternity And as each land was transformed so too were its people changed into strange new forms if they survived at all

Hakara is not willing to pay such a price Desperate to protect herself and her sister Rasha she flees her homeland for the safety of a neighboring kingdom But when tragedy separates them Hakara is forced to abandon her beloved sister to an unknown fate Alone and desperate for answers on the wrong side of the world Hakara discovers she can channel the magic from the mysterious gems they are forced to mine for Kluehnn With that discovery comes another her sister is alive and the rebels plotting to destroy the God Pact can help rescue her But only if Hakara goes to war against a god The Unknown God Jon Walker,2015-09-11 There s a danger in following a God we don t even know we become vulnerable to the idea that we must constantly try harder to please God This book exposes the myths that keep us feeling like God is always judging and condemning us If you ve ever felt that it s impossible to please God this book is for you Too many of us are following a mythical god who we think is always mad and always looking to catch us doing something wrong or even worse condemning us when we fail to do the right thing The sad thing is we teach this repeatedly in the church and believe this again and again in our Christian walk because we follow an Unknown God This teaching locks us in a behavior based Christianity that demands we keep trying harder But God never meant for us to become slaves to condemnation Instead of trying harder he wants us to trust more Get to know God and understand that all of his commandments are meant to help us live in fellowship with Jesus **Christianity in Crisis** Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas **All According to God's Plan** Alan Scot Willis,2021-12-14 Southern Baptists had long considered themselves a missionary people but when after World War II they embarked on a dramatic expansion of missionary efforts they confronted headlong the problem of racism Believing that racism hindered

their evangelical efforts the Convention's full time missionaries and mission board leaders attacked racism as unchristian thus finding themselves at odds with the pervasive racist and segregationist ideologies that dominated the South This progressive view of race stressed the biblical unity of humanity encompassing all races and transcending specific ethnic divisions In All According to God's Plan Alan Scot Willis explores these beliefs and the chasm they created within the Convention He shows how in the post World War II era the most respected members of the Southern Baptists Convention publicly challenged the most dearly held ideologies of the white South

Faith Always Works David Meseg, 2021-10-18 In early 2016 I

found myself laying in a hospital bed at the Royal Marsden in Fulham diagnosed with terminal cancer I decided to write about my faith in Christ what it is and how it has been shaped and tested by a life that is lived out in the unpredictability of a world that can be so harsh and cruel My starting point is to examine what sin is and what it does paving the way for me to explain the necessity of salvation and what it does I have made this my starting point because this is where faith begins The fundamental message of the book is to acknowledge that as a Christian life can be filled with extreme pain confusion and disillusionment and begs for meaningful answers to some very serious questions The book takes an honest look at faith under the examination of someone who has experienced the safety of Christianity from childhood yet along the way became one of the biggest sceptics of the Christianity that I saw around me It was a scepticism that led me to the point of considering abandoning whatever faith I thought I had This is a dilemma that I know a lot of Christians are tempted by and I hope that this book will give to them the encouragement support and determination to press on In this matter I attempt to examine what genuine faith is and what it is not what it will do and what it will not do I seek to highlight that the person with genuine faith must expect and be prepared for their faith to be tried and tested by God Himself and what His purpose in doing so is The conclusion that the book as a whole alludes to is that whilst there are times when faith does not seem to work the faithfulness of what God has accomplished through Jesus Christ determines that faith always works

God Tells How to Eliminate Famine Apostle Frederick E. Franklin, 2013-01-03 F SF Ministry For JESUS Matthew Ch 25 Vs 42 45 46 For I was a hungred and ye gave me no meat I was thirsty and ye gave me no drink Inasmuch as ye did it not to one of the least of these ye did it not to me And these shall go away into everlasting punishment but the righteous into life eternal

Wolves in Sheep's Clothing Larry Herneisey, 2020-01-28 And Jesus answered and said unto them take heed that no man deceive you Matthew 24 4 Are Christians in today s churches being deceived If we were how would we know We often accept doctrines of today s popular teachers at face value without ever comparing their claims against the principles of Scripture Taking for granted that everything we are hearing taught is truthful and sound doctrine is to be very na ve Jesus warns us in Matthew 7 15 Beware of false prophets which come to you in sheep s clothing but inwardly they are ravening wolves We live in an age of rapid change and much deception If the teaching of the church is going to remain sound the responsibility rests with us Wolves in Sheep s Clothing is a study guide a reference source and a thought provoking look at many of the teachings prevalent in today s Christian church The author exposes many of today s false teachings often with a bold stance The false teachers propagate their lies with boldness therefore at times it is necessary to stand against them with boldness After studying this work the reader will be empowered to sort through the misleading and deceptive doctrines of today and avoid the common traps set by most false teachers Hopefully by the end of the study the reader will have learned practical ways to determine for himself whether a teaching is truthful or in error At the very least this study will provoke the reader to deep spiritual thought and at the most it will set people free from the bonds of false teaching This study will benefit the fresh new

believer and the seminary student as well as the seasoned Bible teacher This work is a must read for pastors teachers Bible study leaders and anyone who thirsts after truth
