Booker T. Washington Mark Christian, 2021-09-09 An illuminating historical biography for students and scholars alike this book gives readers insight into the life and times of Booker T Washington Booker T Washington was an integral figure in mid 19th to early 20th century America who successfully transitioned from a life in slavery and poverty to a position among the Black elite This book highlights Washington's often overlooked contributions to the African and African American experience particularly his support of higher education for

Black students through fundraising for Fisk and Howard universities where he served as a trustee A vocal advocate of vocational and liberal arts alike Washington eventually founded his own school the Tuskegee Institute with a well rounded curriculum to expand opportunities and encourage free thinking for Black students While Washington was sometimes viewed as a great accommodator by his critics for working alongside wealthy white elites he quietly advocated for Black teachers and students as well as for desegregation This book will offer readers a clearly written fully realized overview of Booker T Washington and his legacy

Stitches in Time Lucy Adlington,2015-10-08 Riffing through the wardrobes of years gone by costume historian Lucy Adlington reveals the rich stories underlying the clothes we wear in this stylish tour of the most important developments in the history of fashion from ancient times to the present day Starting with underwear did you know Elizabeth I owned just one pair of drawers worn only after her death she moves garment by garment through Western attire exploring both the items we still wear every day and those that have gone the way of the dodo sugared petticoats farthingales and spatterdashers to name but a few Beautifully illustrated throughout and crammed with fascinating and eminently quotable facts Stitches in Time shows how the way we dress is inextricably bound up with considerations of aesthetics sex gender class and lifestyle and offers us the chance to truly appreciate the extraordinary qualities of these our most ordinary possessions

Veterans North and South Paul A. Cimbal,2015-07-14 Based largely on Civil War veterans own words this book documents how many of these men survived the extraordinary horrors and hardships of war with surprising resilience and went on to become productive members of their communities in their post war lives Nothing transforms dry boring history into fascinating and engaging stories like learning about long ago events through the words of those who lived them What was it like to witness and participate in the horrors of a war that lasted four years and claimed over half a million lives and then emerge as a survivor into a drastically changed world Veterans North and South The Transition from Soldier to Civilian after the American Civil War takes readers back to this unimaginable time through the words of Civil War soldiers who fought on both sides illuminating their profound life changing experiences during the war and in the postbellum period The book covers the period from the surrender of the armies of the Confederacy to the return of the veterans to their homes It follows them through their readjustment to civilian life and to family life while addressing their ability and in some cases inability to become productive members of society By surveying Civil War veterans individual stories readers will gain an in depth understanding of these soldiers sacrifices and comprehend how these discrete experiences coalesced to form America s memory of this war as a nation

Love and Capital Mary Gabriel, 2011-09-14 Brilliantly researched and wonderfully written *Love and Capital* reveals the rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death Drawing upon previously unpublished material acclaimed biographer Mary Gabriel tells the story of Karl and Jenny Marx's marriage Through it we see Karl as never before a devoted father and husband a prankster who loved a party a dreadful procrastinator freeloader and man of wild enthusiasms one of which would almost destroy his marriage Through years of desperate struggle Jenny's love for Karl would be tested again and again as she waited for him to finish his masterpiece *Capital* An epic narrative that stretches over decades to recount Karl and Jenny's story against the backdrop of Europe's Nineteenth Century *Love and Capital* is a surprising and magisterial account of romance and revolution and of one of the great love stories of all time

Plotting to Kill the President Mel Ayton, 2017-02 Since the birth of our nation and the election of the first president groups of organized plotters or individuals have been determined to assassinate the chief executive From the Founding Fathers to the Great Depression three presidents have been assassinated Abraham Lincoln James Garfield and William McKinley However unknown to the general public almost all presidents have been threatened put in danger or survived near lethal approaches during their terms *Plotting to Kill the President* reveals the numerous previously untold incidents when assassins plotters and individuals have threatened the lives of American presidents from George Washington to Herbert Hoover Mel Ayton has uncovered these

episodes including an attempt to assassinate President Hayes during his inauguration ceremony an attempt to shoot Benjamin Harrison on the streets of Washington an assassination attempt on President Roosevelt at the White House and many other incidents that have never been reported or have been covered up Ayton also recounts the stories of Secret Service agents and bodyguards from each administration who put their lives in danger to protect the commander in chief Plotting to Kill the President demonstrates the unsettling truth that even while the nation sleeps those who would kill the president are often hard at work devising new schemes To Have or Have Not James Fisher,2011-10-14 In a rapidly changing world the ways in which economic forces affect both personal and global change can be difficult to track particularly in the arts This collection of twenty new essays explores both obscure and famous plays dealing with economic issues Beginning with the Industrial Revolution the text moves from Marx s theories to Wall Street speculation nineteenth century immigration issues the excesses of the Gilded Age and the 1920s the Great Depression World War II and millennial economic challenges Reformatory Press ,1910 *The Cumulative Book Index* ,1900 A world list of books in the English language **Women in the Arts in the Belle Epoque** Paul Fryer,2012-11-02 This collection of new essays explores the role played by women practitioners in the arts during the period often referred to as the Belle Epoque a turn of the century period in which the modern media audio and film recording broadcasting etc began to become a reality Exploring the careers and creative lives of both the famous Sarah Bernhardt and the less so Pauline Townsend across a remarkable range of artistic activity from composition through oratory to fine art and film directing these essays attempt to reveal in some cases for the first time women s true impact on the arts at the turn of the 19th century *The Reformatory Press* Iowa. Reformatory at Anamosa,1910 *Cumulative Book Index* ,1959 Postcards from the Road Jonathan Day,2014-05-01 Walker Evans said in his 1958 introduction to Robert Frank s *The Americans* For the thousandth time it must be said that pictures speak for themselves wordlessly visually or they fail The images revolutionized post war American photography With their candid images of men and women from all classes and walks of life the photographs presented a very different story than that portrayed by the wholesome caricature of midcentury prosperity pervading American photography at the time Although initially dismissed by his peers for his pioneering work Frank was ultimately credited with changing the course of the art form and his photography holds a secure status in the history of twentieth century art And he did all this without words It seems appropriate then and not a little overdue that Jonathan Day has created a book that expounds explores and examines Frank s work pictorially Taking Frank s iconic images as his point of reference Day shot new photographs that commented on the road and contemporary America Here these images are paired with critical commentary that details the aspects of the work that are visually expounded and explained in Day s complementary images A visual entryway to the photographs and themes of this iconic book in the history of photography *Postcards from the Road* represents an innovative carefully considered departure from standard photographic textbooks Reconsidering Extinction in Terms of the History of Global

Bioethics Stan Booth, Chris Mounsey, 2021-04-21 Reconsidering Extinction in Terms of the History of Global Bioethics continues the Routledge Advances in the History of Bioethics series by exploring approaches to the bioethics of extinction from disparate disciplines from literature to social sciences to history to sustainability studies to linguistics Van Rensselaer Potter coined the phrase Global Bioethics to define human relationships with their contexts This and subsequent volumes return to Potter's founding vision from historical perspectives and asks how did we get here from then Extinction can be understood in terms of an everlasting termination of shape form and function however until now life has gone on Where would we humans be if the dinosaurs had not become extinct And we still manage to communicate only not in proto Indo European but in a myriad of languages some more common than others The answer is simple after extinction events evolution continues But will it always be so Has the human race set planet earth on a collision course with nothingness This volume explores areas of bioethical interpretation in relation to the complex concept of extinction The United States Catalog, 1900 The Rock: Looking into Australia's 'Heart of Darkness' from the edge of its wild frontier Aaron Smith, 2020-12-01 Journalist Aaron Smith's new memoir holds up a unique mirror to Australia What he sees is at once amazing disturbing and revealing The Rock explores the failings of our nation's character its unresolved past and its uncertain future from the vantage point of its most northerly outpost Thursday Island Smith was the last editor fearless journalist and the paperboy of Australia's most northerly newspaper the Torres News a small independent regional tabloid that until it folded in late 2019 was the voice of a predominantly Torres Strait Islander and Aboriginal readership for 63 years across some of the most remote and little understood communities in Australia The Rock is a story of self discovery where Smith grapples to understand a national identity marred by its racist underbelly where he is transplanted from his white boy privileged suburban life to being a racial and cultural minority and an outsider Peppered with his experiences Smith gradually and sensitively becomes embedded in island life while vividly capturing the endless and often farcical parade of personalities and politicians including Scott Morrison and Tony Abbott Smith pulls no punches while he reflects on the history of Terra Australis incognita dissecting what is truly Australia and its gaping cultural and moral divide A credit to regional journalism Aaron carried on the fine tradition of the Torres News holding governments to account and telling stories of everyday life in the Straits never shying away from controversies lifting all the rocks and even outfoxing prime minister Tony Abbott on his visit to Mabo's grave Stefan Armbruster SBS Aaron Smith makes a huge and extremely valuable contribution to journalism in Australia With insight and commitment he brings issues of national and international significance to audiences in Australia and beyond Dr Tess Newton Cain Griffith Asia Institute Aaron's journalism has provided a rare and valuable insight into issues affecting the Torres Strait Islander community Navigating cultural protocols and geographical challenges he has given a voice to some of Australia's most marginalised people and shared important stories that would otherwise have gone unheard Ella Archibald Binge Sydney Morning Herald
