Little Bit Pregnant Readers Ring:

A Little Bit Pregnant Susan Mallery, 2009-07-01 Uh oh Nicole Beauman had overcome a lot of obstacles in her life and she sure as heck had never backed down from a challenge But her boss Zane Rankin presented an entirely new sort of dilemma Sexy and charming he was like chocolate sinfully good but bad for her health Nicki knew Zane didn't want to settle down particularly not with a girl like her and she didn't plan to lose her heart to a temporary fling But when a friendly date got a little too friendly things got a little bit steamy and Nicki wound up just a little bit pregnant What was a girl to do PRINCE OF THE CITY Nikki Benjamin, 2012-02-15 HE WAS SEXY POWERFUL AND ABOUT TO PUT HER OUT OF BUSINESS Bill Harper had to be stopped Eloise Vale didn't care if he was the mayor of New York he was about to cut funding to her precious birth center He was also her once upon a time lover And being whirled into his arms at the Mayor's Ball was making the single mother of triplets almost believe in fairy tales again Bill might be the most powerful man in the city but he yearned to be the only man in Eloise's life After her three sons of course He would show the down to earth widow that there was always room for negotiation and a love that was growing stronger by the minute **A Mother's Reflection** Elissa Ambrose, 2012-02-15 A WOMAN'S LOVE A MOTHER'S SECRET Rachel Hartwell just a kid when she gave up her daughter for adoption now yearned to be part of Megan's life and fulfill her motherly role But a run in with Adam Wessler Megan's smoldering and single adoptive father made her realize that her maternal instincts were not the only ones going unfulfilled Adam couldn't have known what Rachel's real connection to his daughter was because clearly all he wanted to do was pull her close from the moment he laid eyes on her But what would happen when he learned the truth about their relationship Would she be welcomed into the fold Or on the outside looking in again **MAN IN THE MIST** Annette Broadrick, 2012-02-15 MR DESTINY He appeared from the mist formidable feverish and searching for her Within moments he was in her bed leaving Fiona MacDonald to wonder why an American man had traveled so far and to such personal expense to find a woman who hadn't wanted to be found She'd nursed Greg Dumas to health only to learn that the former cop's investigation of a client's birthright had led him to her father's dusty medical files Fiona knew nothing of clandestine deliveries but she did know that she wanted to love the sorrow from this wounded warrior's eyes for as long as they had For something told her that as quickly as he'd arrived in her life Greg just might be gone Reading Families Rebecca L. Krug, 2018-09-05 Rebecca Krug argues that in the later Middle Ages people defined themselves in terms of family relationships but increasingly saw their social circumstances as being connected to the written word Complex family dynamics and social configurations motivated women to engage in text-based activities Although not all or even the majority of women could read and write it became natural for women to think of writing as a part of everyday life Reading Families looks at the literate practice of two individual women Margaret Paston and Margaret Beaufort and of two communities in which women were central the Norwich Lollards and the Bridgettines at Syon Abbey The book begins with Paston's letters

which were written at her husband's request and ends with devotional texts that describe the spiritual daughterhood of the Bridgettine readers. Scholars often assume that medieval women's participation in literate culture constituted a rejection of patriarchal authority. Krug maintains, however, that for most women learning to engage with the written word served as a practical response to social changes and was not necessarily a revolutionary act. **Teen Health Book** Ralph I. Lopez, 2003-03-25 A practical guide designed to help parents navigate the crucial health issues that accompany the teen years covers sexuality, eating disorders, substance abuse, acne, growth, and development. **Human Days: A Mary MacLane Reader** Mary MacLane, 2014-10-21 Anyone who reads her will never forget her voice. Biographer Mary MacLane (1881-1929) was the first of the modern media personalities, a pioneer in self-revelation in defiance of established rules in living on her own terms and writing it in brilliant style. At age 19 she burst upon the world out of Butte, Montana, with a journal of private thoughts and longings that incited national then international attention. In the books and newspaper articles that followed she evolved a completely new individual voice, decades ahead of its time. She influenced Gertrude Stein, inspired F. Scott Fitzgerald, and was hotly discussed by everyday people and America's biggest writers. Yet despite sparking film, stage, and music projects today and being endlessly quoted on the Internet, the writer behind the writing has remained unknown until now. **HUMAN DAYS: A MARY MACLANE READER** features the complete texts of all her books, with expurgated passages restored, her colorful newspaper articles, much never before reprinted, an intriguing 1902 interview, the first viewing ever of her striking personal letters, illuminating introductions to each era in her life, and comprehensive notes that open the door to her influences and the age she came from and impacted so profoundly. A foreword from actress Bojana Novakovic provides a contemporary artist's creative appreciation of the author's still powerful effect upon readers. Mary MacLane comes off the page quivering with life. *Moving* London Times. She reminds us of the power of personal narrative, honestly told. *The Atlantic*. In a pre-soundbite age she already knew how to draw blood in one direct sentence. *The Awl*. She had a short but fiery life of writing and misadventure, and her writing was a template for the confessional memoirs that have become ubiquitous. *The New Yorker*. One of the most fascinatingly self-involved personalities of the 20th century. *The Age*. A girl wonder. Harper's. Confessional journalists have people like Mary MacLane to thank. *Flavorwire*. Her diaries ignited a national uproar, ushering in a new era for women's voices. Her elegant, ambitious embrace of full disclosure opened a door to what was possible for women. *The Atlantic*. Fiery frankness made her a pioneer. *Time Out Chicago*. Her poetry is one of extremes: lust for happiness, despair for life. *Hairy Dog Review*. Riveting. *NH Public Radio*. I Await The Devil's Coming is a small masterpiece full of camp and swagger. *Parul Sehgal*, NPR. A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory *Reading with an "I" to the Heavens* Angela Kim Harkins, 2012-07-04 This book examines the collection of prayers known as the Qumran Hodayot Thanksgiving Hymns in light of ancient visionary traditions new developments in neuropsychology and post-structuralist understandings of the embodied subject The thesis of this book is that the ritualized reading of reports describing visionary experiences written in the first person I had the potential to create within the ancient reader the subjectivity of a visionary which can then predispose him to have a religious experience This study examines how references to the body and the strategic arousal of emotions could have functioned within a practice of performative reading to engender a religious experience of ascent In so doing this book offers new interdisciplinary insights into meditative ritual reading as a religious practice for transformation in antiquity *Homeopathic Times*, 1852 [Dying Unneeded](#) Michelle Parsons, 2014-06-12 In the early 1990s Russia experienced one of the most extreme increases in mortality in modern history Men's life expectancy dropped by six years women's life expectancy dropped by three Middle-aged men living in Moscow were particularly at risk of dying early deaths While the early 1990s represent the apex of mortality the crisis continues Drawing on fieldwork in the capital city during 2006 and 2007 this account brings ethnography to bear on a topic that has until recently been the province of epidemiology and demography Middle-aged Muscovites talk about being unneeded *ne nuzhny* or having little to give others Considering this concept of being unneeded reveals how political economic transformation undermined the logic of social relations whereby individuals used their position within the Soviet state to give things to other people Being unneeded is also gendered while women are still needed by their families men are often unneeded by state or family Western literature on the mortality crisis focuses on a lack of social capital often assuming that what individuals receive is most important but being needed is more about what individuals give Social connections and their influence on health are culturally specific In Soviet times needed people helped friends and acquaintances push against the limits of the state crafting a sense of space and freedom When the state collapsed this sense of bounded freedom was compromised and another freedom became deadly This book is a recipient of the annual Norman L and Roselea J Goldberg Prize for the best project in the area of medicine **The Cratylus of Plato** Francesco Ademollo, 2011-02-03 *The Cratylus* one of Plato's most difficult and intriguing dialogues explores the relations between a name and the thing it names The questions that arise lead

the characters to face a number of major issues truth and falsehood relativism etymology the possibility of a perfect language the relation between the investigation of names and that of reality the Heraclitean flux theory and the Theory of Forms This full scale commentary on the Cratylus offers a definitive interpretation of the dialogue It contains translations of the passages discussed and a line by line analysis which deals with textual matters and unravels Plato s dense and subtle arguments reaching a novel interpretation of some of the dialogue s main themes as well as of many individual passages The book is intended primarily for graduate students and scholars in both philosophy and classics but presupposes no previous acquaintance with the subject and is accessible to undergraduates
