**Geoff King**

## **Little Fugitive:**

**Pop Goes the Decade** Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident Seeing Symphonically Erica Stein, 2021-08-01 Can the cinema imagine a different way of developing using and living in the city Is it possible to do so using images of the extant city Seeing Symphonically shows how a group of independent experimental documentary and feature films made in and about late modern New York City did just this Between 1939 and 1964 as the city was being utterly remade by a combination of urban renewal projects suburbanization and high rise public housing the New York avant garde reinvented the city symphony a modernist form that depicted a day in the life of an urban environment through complex montage optical effects and street portraiture Erica Stein documents how these New York City symphonies subverted and critiqued urban redevelopment through their aesthetics particularly their rhythms and through those same rhythms envisioned a world in which urban inhabitants have the absolute right to remake the city according to their needs outside the demands of capital **Fantasies of Neglect** Pamela Robertson Wojcik, 2016-09-19 In our current era of helicopter parenting and stranger danger an unaccompanied child wandering through the city might commonly be viewed as a victim of abuse and neglect However from the early twentieth century to the present day countless books and films have portrayed the solitary exploration of urban spaces as a source of empowerment and delight for children Fantasies of Neglect explains how this trope of the self sufficient mobile urban child originated and considers why it persists even as it goes against the grain of social reality Drawing from a wide range of films children s books adult novels and sociological texts Pamela Robertson Wojcik investigates how cities have simultaneously been demonized as dangerous spaces unfit for children and romanticized as wondrous playgrounds that foster a kid s independence and imagination Charting the development of free range urban child characters from Little Orphan Annie to Harriet the Spy to Hugo Cabret and from Shirley Temple to the Dead End Kids she considers the ongoing dialogue between these fictional representations and shifting discourses on the freedom and neglect of children While tracking the general concerns Americans have expressed regarding the abstract figure of the child

the book also examines the varied attitudes toward specific types of urban children girls and boys blacks and whites rich kids and poor ones loners and neighborhood gangs Through this diverse selection of sources *Fantasies of Neglect* presents a nuanced chronicle of how notions of American urbanism and American childhood have grown up together     **Stanley Kubrick Produces** James Fenwick,2020-12-18 Stanley Kubrick Produces provides the first comprehensive account of Stanley Kubrick s role as a producer and of the role of the producers he worked with throughout his career It considers how he first emerged as a producer how he developed the role and how he ultimately used it to fashion himself a powerbase by the 1970s It goes on to consider how Kubrick s centralizing of power became a self defeating strategy by the 1980s and 1990s one that led him to struggle to move projects out of development and into active production Making use of overlooked archival sources and uncovering newly discovered lost Kubrick projects *The Cop Killer Shark Safari and The Perfect Marriage* among them as well as providing the first detailed overview of the *World Assembly of Youth* film James Fenwick provides a comprehensive account of Kubrick s life and career and of how he managed to obtain the level of control that he possessed by the 1970s Along the way the book traces the rapid changes taking place in the American film industry in the post studio era uncovering new perspectives about the rise of young independent producers the operations of influential companies such as Seven Arts and United Artists and the whole field of film marketing     **America's Film Legacy** Daniel Eagan,2009-11-26 America s Film Legacy is a guide to the most significant films ever made in the United States Unlike opinionated Top 100 and arbitrary Best of lists these are the real thing groundbreaking films that make up the backbone of American cinema Some are well known such as *Citizen Kane The Jazz Singer All Quiet on the Western Front The Birth of a Nation* and *Boyz n the Hood* Others are more obscure such as *Blacksmith Scene The Blue Bird The Docks of New York Star Theatre* and *A Bronx Morning* Daniel Eagan s beautifully written and authoritative book is for anyone who loves American movies and who wants to learn more about them     *Where the Wild Things Were* Henry Jenkins,2025-02-25 How might reading Benjamin Spock and Margaret Mead help us to better understand Dennis the Menace Harold and the Purple Crayon and Mr Roger s Neighborhood     *New York Times Essential Library: Children's Movies* Peter M. Nichols,2003-11-06 Profiles one hundred top cinematic works available on DVD or video that are recommended for children pairing each with a brief original essay that covers their aesthetic value as well as historical and cultural information     **The Encyclopedia of the Harmonica** Peter Krampert,2016-03-23 The Harmonica Encyclopedia is the most comprehensive book ever written on the instrument offering over 900 articles on players bands techniques resources and a discography of over 5 000 recordings by harmonica players Originally released in 1998 this new edition is profusely illustrated with over 150 photographs of the players who have made the harmonica the world s most popular musical instrument This book has been critically acclaimed by readers in over 25 countries and is a must have for any serious harmonica enthusiast     *The New York Times Guide to the Best Children's Videos* Kids First!,1999-11 The only guide you ll need for choosing the best videos and CD ROMS for your

family INCLUDES More than 1000 entries of kid tested and adult approved videos currently available Listings organized by age from infancy to adolescence as recommended by child development specialists A wide range of categories with special attention to gender and ethnicity Educational Instructional Fairy Tales Family Literature and Myth Special Interest Foreign Language Holiday Music How To and Nature Review ratings in a clear easy to read format Evaluations by panels of adults and children Outstanding programs from independents and major studios Ordering information running times and suggested retail prices Evaluations of more than 100 CD ROMs 500 recommended feature films for the family and more *Catalog of Copyright Entries* Library of Congress. Copyright Office,1971 **TLA Film and Video Guide** David Bleiler,1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films *"Keep 'Em in the East"* Richard Koszarski,2021-07-20 The year 1955 was a watershed one for New York's film industry Elia Kazan's *On the Waterfront* took home eight Oscars and more quietly Stanley Kubrick released the low budget classic *Killer's Kiss* A wave of films that changed how American movies were made soon followed led by directors such as Sidney Lumet William Friedkin Francis Ford Coppola and Martin Scorsese Yet this resurgence could not have occurred without a deeply rooted tradition of local film production Richard Koszarski chronicles the compelling and often surprising origins of New York's postwar film renaissance looking beyond such classics as *Naked City* *Kiss of Death* and *Portrait of Jennie* He examines the social cultural and economic forces that shaped New York filmmaking from city politics to union regulations and shows how decades of low budget independent production taught local filmmakers how to capture the city's grit liveliness and allure He reveals the importance of race films all Black productions intended for segregated African American audiences that not only helped keep the film business afloat but also nurtured a core group of writers directors designers and technicians Detailed production histories of *On the Waterfront* and *Killer's Kiss* films that appear here in a completely new light illustrate the distinctive characteristics of New York cinema Drawing on a vast array of research including studio libraries censorship records union archives and interviews with participants *Keep Em in the East* rewrites a crucial chapter in the history of American cinema *The Analytical Review, Or History of Literature, Domestic and Foreign, on an Enlarged Plan*,1799 Containing scientific abstracts of important and interesting works published in English a general account of such as are of less consequence with short characters notices or reviews of valuable foreign books criticisms on new pieces of music and works of art and the literary intelligence of Europe c **TLA Film, Video, and DVD Guide 2002-2003** David Bleiler,2014-04-08 The TLA Film Video from *This Is Spinal Tap* to *Ma Vie en Rose* **American Independent Cinema** Geoff King,2014-09-08 The independent sector has produced many of the most distinctive films to have appeared in the US in recent decades From *Sex Lies and Videotape* in the 1980s to *The Blair Witch Project* and *New Queer Cinema* in the 1990s and the ultra low budget digital video

features of the 2000s indie films have thrived creating a body of work that stands out from the dominant Hollywood mainstream But what exactly is independent cinema This the first book to examine the question in detail argues that independence can be defined partly in industry terms but also according to formal and aesthetic strategies and by distinctive attitudes towards social and political issues suggesting that independence is a dynamic rather than a fixed quality Chapters focus on distribution and relationships with Hollywood studios narrative Clerks and Slacker to Pulp Fiction Magnolia and Memento and other formal dimensions from Blair Witch s authenticity to expressive and stylized camerawork and editing in work from Harmony Korine to the Coen brothers approaches to genre and alternative socio political visions *The Columbia Companion to American History on Film* Peter C. Rollins,2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse Now 1979 and Saving Private Ryan 1998 how much is entertainment and how much is rooted in historical fact In The Columbia Companion to American History on Film more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message
