Wouldn't we love it if life was just fun and frolic Unfortunately life isn't idealistic For some it might be just a living hell We all are here to play certain roles but some turn out to be players What might appear on the outside may not be entirely true Their facade is so realistic that we can't see through and there are stories we wish weren't true This book contains 19 such stories written by professionals as well as new writers to give you a spine chilling experience The tales belong to different genres like supernatural contemporary fiction horror romance thriller sci fi to suit everyone's taste *The West Facade* Lauren C. Johnson, 2017 *The West Facade* is an original novel that explores life in 13th century Paris through the point of view of the statues of the Notre Dame Cathedral In this Gothic fairytale statues come alive each new moon and enjoy their chance to move speak and feel just like the humans that made them Through the lens of fantasy and historical fiction the author asks readers to imagine the emotions they see reflected in the placid faces of statues Ultimately this novel seeks out humanity's connection to the inanimate world and the ways in which we leave bits of ourselves in the things we make
