## **In Sierra Leone:**

**The Underneath of Things** Mariane C. Ferme, 2001-09-14 In this erudite and gracefully written ethnography Mariane Ferme explores the links between a violent historical and political legacy and the production of secrecy in everyday material culture. The focus is on Mende speaking southeastern Sierra Leone and the surrounding region. Since 1990 this area has been ravaged by a civil war that produced population displacements and regional instability. *The Underneath of Things* documents the rural impact of the progressive collapse of the Sierra Leonean state in the past several decades and seeks to understand how an even earlier history is reinscribed in the present.

**Conflict & Collusion in Sierra Leone** David Keen, 2005 The United Nations presence in Sierra Leone has made that country a subject of international attention to an unprecedented degree. Once identified as a source of the New Barbarism it has also become a proving ground for Western interventions in the war against terrorism. The conventional diplomatic approach to Sierra Leone's civil war is that it has been a contest between two clearly defined sides. Keen demonstrates this is not the case: the various armed groups were fractured throughout the 1990s, often colluded with one another and had little interest in bringing the war to an end. This book is not only a comprehensive description and novel interpretation of events in Sierra Leone; it represents a new and innovative approach to the study of war and Third World development and politics generally.

**Life, Scenery and Customs in Sierra Leone and the Gambia** Thomas Eyre Poole, 1850

**Sierra Leone** Katrina Manson, James Knight, 2009 Travel Guide

**Sierra Leone, 1787-1987** Murray Last, Paul Richards, Christopher Fyfe, 1987

*Female Soldiers in Sierra Leone* Megan H. MacKenzie, 2015-11 The eleven year civil war in Sierra Leone from 1991 to 2002 was incomprehensibly brutal; it is estimated that half of all female refugees were raped and many thousands were killed. While the publicity surrounding sexual violence helped to create a general picture of women and girls as victims of the conflict, there has been little effort to understand female soldiers' involvement in and experience of the conflict. *Female Soldiers in Sierra Leone* draws on interviews with 75 former female soldiers and over 20 local experts, providing a rare perspective on both the civil war and post-conflict development efforts in the country. Megan MacKenzie argues that post-conflict reconstruction is a highly gendered process, demonstrating that a clear recognition and understanding of the roles and experiences of female soldiers are central to both understanding the conflict and to crafting effective policy for the future.

**Sierra Leone** David Harris, 2014-06-01 Sierra Leone came to world attention in the 1990s when a catastrophic civil war linked to the diamond trade was reported globally. This fleeting and particular interest, however, obscured two crucial processes in this small West African state. On the one hand, while the civil war was momentous, brutal and affected all Sierra Leoneans, it was also just one element in the long and faltering attempt to build a nation and state given the country's immensely problematic pre-colonial and British colonial legacies. On the other, the aftermath of the war precipitated a huge international effort to construct a liberal peace with mixed results and thus made Sierra Leone a laboratory for post-Cold War interventions. Sierra Leone

examines 225 years of its history and fifty years of independence placing state society relations at the centre of an original and revealing investigation of those who have tried to rule or change Sierra Leone and its inhabitants and the responses engendered. It interweaves the historical narrative with sketches of politicians, anecdotes, the landscape and environment and key turning points alongside theoretical and other comparisons with the rest of Africa. It is a new contribution to the debate for those who already know Sierra Leone and a solid point of entry for those who wish to know.

**Culture and Conflicts in Sierra Leone Mining** Fenda Akiwumi, 2024-03-05. In *Culture and Conflicts in Sierra Leone: Mining Strangers, Aliens, Spirits*, the author uses Sierra Leone as a case study to contribute to the debates on the causes and nature of mineral resource conflicts in Africa. Unlike many works that focus on the political economy and political ecology of large scale diamond mining conflicts, this book's goal is to add to the limited literature on the persistent discord in mining areas. In so doing, the book integrates cultural conflict dimensions in analyzing the mineral commodity chain, primarily the clash between the centuries-old customary landlord-stranger land governance institution and state mining laws with colonial vestiges. It shows that these cultural conflicts challenge the effective development of the mining sector, including establishing artisanal mining as a viable complementary livelihood to farming for rural populations.

*Human Rights in Sierra Leone, 1787-2016* John Idriss Lahai, 2018-10-16. This book offers an up-to-date comprehensive interdisciplinary analysis of the multifaceted and evolving experiences of human rights in Sierra Leone between the years 1787 and 2016. It provides a balanced coverage of the local and international conditions that frame the socio-cultural, political and economic context of human rights, its rise and fall, and concerns for the broader engendered issues of the transatlantic slave trade, colonialism, women's struggle for recognition, constitutional development, political independence, war and transitional justice, as well as contributive justice, which the author introduces to explain the consequences of the problems of the temporal nature of transitional justice and the crisis of donor fatigue towards peacebuilding activities, local government, democracy and constitutional reforms within Sierra Leone. While acknowledging the profound challenges associated with the promotion of human rights in an environment of uncertainty, political fragility, lawlessness and deprivation, John Idriss Lahai sheds light on the often constructive engagement of the people of Sierra Leone with a variety of societal conditions, adverse or otherwise, to influence constitutional change, the emergent post-conflict discourse on contributive justice and acceptable human rights practice. This book will be of interest to scholars in West African history, legal history, African studies, peace and conflict studies, human rights and transitional justice.

**Sierra Leone** Suzanne LeVert, 2007. This book provides comprehensive information on the geography, history, governmental structure, economy, cultural diversity, peoples, religion and culture of Sierra Leone. All books of the critically acclaimed *Cultures of the World* R series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives and interactive activities such as creating an authentic traditional dish from an easy-to-follow recipe. Copious maps and detailed timelines present the past and present of the country while exploration of the art and architecture.

help your readers to understand why diversity is the spice of Life      *Education in Sierra Leone* ,2007 After a decade long civil war Sierra Leone witnessed an unprecedented surge in school enrollments at the primary and then the secondary levels Committed to the Education for All objectives the government further encouraged greater access to school The country must now negotiate the transition from postwar recovery to regular delivery of education services The main tasks ahead include reaching the remaining out of school children and improving the quality of the learning environment and ultimately of learning outcomes Success will depend on the unrelenting strong commitment of the government the capacity of providers to effectively deliver education services and a sustainable financial framework      **Love and Violence in Sierra Leone** Luisa T. Schneider,2025-01-23 Unearths the complexity of love and violence in post conflict Sierra Leone driven by ethnographic exploration and local knowledge      *Urban Transformations in Sierra Leone* Joseph M Macarthy,Braima Koroma,Andrea Rigon,Alexandre Apsan Frediani ,Andrea Klingel,2024-12-05 With a population over one million Freetown the capital of Sierra Leone faces serious challenges around provision of services housing and infrastructure all exacerbated by climate change Already a large share of the Freetown population lives in informal settlements and as many as 70 per cent of the city s residents are employed on an informal basis In 2015 the Sierra Leone Urban Research Centre SLURC was established to engage with urban challenges in Sierra Leone through research capacity building and advocacy activities in areas such as health land housing and mobility SLURC has become a platform for dialogue among urban stakeholders to negotiate the future of the city Urban Transformations in Sierra Leone aims to share SLURC s journey so far articulating the key findings generated by its various research projects while also reflecting on the partnerships it has enabled By bringing together research from different sectors the book makes a significant contribution to knowledge on Freetown and demonstrates the potential of transdisciplinary work Praise for Urban Transformations in Sierra Leone A deeply embedded text that consolidates learning from Freetown for all cities Read not just for how a critical city of the global south is taking on social environmental and developmental justice challenges but on the possibilities of multi sided egalitarian partnerships that have been held with care over years of co produced work collective knowledge making and locally rooted practice A treasure of a text Gautam Bhan Indian Institute for Human Settlements India Sierra Leone s story is incomplete without acknowledging the fortuitous emergence of SLURC as a catalysing force for urban transformation By prioritising collaboration in different forms this book showcases how engagements between and among academic practice civic and public institutions can foster a better future for communities Taibat Lawanson University of Lagos Nigeria This book is timely in telling a story about SLURC and partners who are committed to fostering knowledge co production that offers unique perspective on co learning environmental justice urban resilience urban health to mention but a few a living knowledge piece that points us to the future possibilities and extension of knowledge frontiers in Sierra Leone s urbanisation journey Shuaib Lwasa International Institute of Social Studies The Netherlands The authors contribute comprehensively to our understanding of urban development in

Freetown especially its informal settlements However its account of the co production of knowledge is foundational to the work elevating it beyond case study and offering reflection and models of good practice Kenneth Lynch University of Gloucestershire UK *A Framework for Citizenship Education in Sierra Leone* Commonwealth Secretariat,2004 This book has been written to lay the foundations of a single curriculum framework for citizenship education in Sierra Leone It is a direct result of a consultative process aimed at complementing and consolidating a number of citizenshiprelated initiatives within and outside government circles in Sierra Leone The framework it presents looks at some significant and critical themes and goes on to set parameters and suggest guidelines to ensure its successful implementation Sierra Leone

International Monetary Fund. African Dept.,2024-11-22 **Sierra Leone** Selected Issues **Sierra Leone** International Monetary Fund. African Dept.,2016-07-21 This Selected Issues paper aims to measure the impact of the Ebola virus disease EVD epidemic on economic growth in Sierra Leone A novel empirical approach is used which is based on a Difference in Differences setup called the Synthetic Control Method The model suggests that EVD had a severe impact on growth In 2014 the first year EVD hit the country the impact on real growth excluding iron ore is estimated to be more than 5 percentage points It is suggested that in outer years the severity of the impact will lessen and growth will converge to its normal path by 2018

**Military Interventions in Sierra Leone: Lessons From a Failed State** Larry J. Woods,Timothy R. Reese,2011-03-31 This study by Larry J Woods and Colonel Timothy R Reese analyzes the massive turmoil afflicting the nation of Sierra Leone 1995 2002 and the efforts by a variety of outside forces to bring lasting stability to that small country The taxonomy of intervention ranged from private mercenary armies through the Economic Community of West African States to the United Nations and the United Kingdom In every case those who intervened encountered a common set of difficulties that had to be overcome Unsurprisingly they also discovered challenges unique to their own organizations and political circumstances This cogent analysis of recent interventions in Sierra Leone represents a cautionary tale that political leaders and military planners contemplating intervention in Africa ignore at their peril Originally published by the Combat Studies Institute

**Governance Processes in Sierra Leone 1799-2014** Abubakar Hassan Kargbo,2015 Governance Processes in Sierra Leone from 1799 2014 is one of the governance series which has been put together over the years to help not only postgraduate students at various universities in Sierra Leone but also people who are interested in knowing about the decentralisation process It critically examines important issues in local government in Sierra Leone starting from the colonial period and covering the post independence era the process of decentralisation of local governance in 2004 and the present The book starts with the concept of good governance because of its importance in decentralisation and the various features that characterise it It is followed by a literature review on decentralisation in the developing countries What should be the proper role of the parliament of Sierra Leone as the supreme organ of the state has been given much prominence in this book Parliament s role to ensure that its activities are primarily focused on legislating pro poor policies and that the

creation of a solid foundation for socio economic and political development through coalition building is highlighted The book also contains the reintroduction of district officers into the decentralisation architecture in Sierra Leone The significance of decentralisation its achievements so far its challenges and the way forward is extensively examined The Sierra Leone Special Court and its Legacy Charles Jalloh, 2014 The Special Court for Sierra Leone SCSL is the third modern international criminal tribunal supported by the United Nations and the first to be situated where the crimes were committed This timely important and comprehensive book is the first to critically assess the impact and legacy of the SCSL for Africa and international criminal law Contributors include leading scholars and respected practitioners with inside knowledge of the tribunal who analyze cutting edge and controversial issues with significant implications for international criminal law and transitional justice These include joint criminal enterprise forced marriage enlisting and using child soldiers attacks against United Nations peacekeepers the tension between truth commissions and criminal trials in the first country to simultaneously have the two and the questions of whether it is permissible under international law for states to unilaterally confer blanket amnesties to local perpetrators of universally condemned international crimes
