Importing Faith Glyn J. Ackerley,2015-10-23 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and God sent financial provision Many have left the mainstream churches to join independent charismatic churches led by those who are perceived to have special insights into faith and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith or are too negative This study seeks to discover the origin of the principles that are taught by some charismatic leaders Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and American pragmatism These principles were imported into the UK through contact between British leaders and those influenced and trained by American word of faith teachers The author seeks to explain the persuasiveness of such teachers through examining case studies He suggests their miracles may well have social and psychological explanations rather than divine origins *Semi-annual Conference of the Church of Jesus Christ of Latter-Day Saints* Church of Jesus Christ of Latter-Day Saints,1902 *Annual Conference of the Church of Jesus Christ of Latter-Day Saints* Reorganized Church of Jesus Christ of Latter Day Saints,1898 Vols for 1905 include also the proceedings of the general conference of the Deseret Sunday School Union **Modesty & Chastity** ShaykhPod Books, The following short book discusses Two Aspects of Noble Character Modesty and Chastity Implementing the lessons discussed will aid a Muslim to Achieve Noble Character Adopting Positive Characteristics Leads to Peace of Mind *The Prophet's Camel Bell* Margaret Laurence,2023-08-08 When Margaret Laurence set out for Somaliland with her engineer husband in 1950 she confronted the difficulty of communication between peoples of vastly different cultures Yet she came to know the skilled orators poets and craftsmen of the country and to share the vision of a people s struggle for survival in a barren land The Prophet s Camel Bell is part travelogue part autobiography part celebration of human nature and essential reading for anyone who has ever been a stranger in a strange land **The Ahmadiyya Case , ... Semi-annual Conference of the Church of Jesus Christ of Latter-day Saints** Church of Jesus Christ of Latter-day Saints.
