In The Name Of All Thats Holy A Theory Of Clergy Malfeasance:

Minority Religions and Fraud Amanda van Eck Duymaer van Twist, 2016-04-22 Analysing both fraud and religion as social constructs with different functions and meanings attributed to them this book raises issues that are central to debates about the limits of religious toleration in diverse societies and the possible harm as well as benefits that religious organisations can visit upon society and individuals There has already been a lively debate concerning the structural context in which abuse especially sexual abuse can be perpetrated within religion Contributors to the volume proceed from the premise that similar arguments about ways in which structure and power may be conducive to abuse can be made about fraud and deception Both can contribute to abuse yet they are often less easily demonstrated and proven hence less easily prosecuted With a focus on minority religions the book offers a comparative overview of the concept of religious fraud by bringing together analyses of different types of fraud or deception financial bio medical emotional breach of trust and consent Contributors examine whether fraud is necessarily intentional or whether that is in the eye of the beholder certain structures may be more conducive to fraud followers willingly participate in it The volume includes some chapters focused on non Western beliefs Juju Occult Economies Dharma Lineage which have travelled to the West and can be found in North American and European metropolitan areas American Televangelism and Participatory Cultures Denis J.

Bekkering, 2018-10-12 This book examines unintended participatory cultures and media surrounding the American televangelists Robert Tilton and Tammy Faye Bakker Messner It brings to light heavily ironic fan followings print audio and video projects public access television parodies and other comedic participatory practices associated with these controversial preachers from the 1980s onwards For Tilton s ministry some of these activities and artifacts would prove irksome and even threatening particularly an analog video remix turned online viral sensation In contrast Bakker Messner s campy fans gay men attracted to her ludicrous tragedy would provide her unexpected opportunities for career rehabilitation Denis J Bekkering challenges supply side religious economy and branding approaches suggestions of novelty in religion and new media studies and the emphasis on sincere devotion in research on religion and fandom He also highlights how everyday individuals have long participated in public negotiations of Christian authenticity through tongue in cheek play with purported religious fakes As One with Authority, Second Edition Jackson W. Carroll, 2011-05-11

Congregations today face both old and often new unprecedented challenges spiritual moral technological and economic for which there are no easy solutions Facing such challenges calls for pastors able to lead with authority in ways at the same time faithful to the gospel and appropriate to the congregation s setting and the issues at hand Yet many pastors are unsure of their authority often experiencing conflict as they attempt to lead Others have abused their authority and brought mistrust and suspicion to ordained ministry making it difficult for other clergy to lead In this book a new and revised edition of his earlier highly regarded work on pastoral authority and leadership Jackson Carroll brings together theological and sociological perspectives

to provide an interpretation of pastoral authority as reflective leadership a style of leadership that involves vision and discernment and that is appropriate for the many roles in which pastors engage preaching worship leadership teaching counseling and shaping the congregation's corporate life In this new edition Carroll draws on what he has learned from many conversations with pastors and lay leaders since the book's initial publication as well as insights from others He also introduces helpful new case material from practicing pastors and incorporates the perspectives of several recent leadership theorists and practitioners to deepen and enhance the discussion of pastoral authority as reflective leadership

Oppression and Resistance Gil Richard Musolf, 2017-09-07 Theoretical and ethnographical approaches examine symbolic interactionism's ability to deploy the concepts of structure and agency in sociological explanation It illuminates the dialectic of oppression and resistance in everyday life illustrating that actors make meaning through resistance *Feminism and Christian Tradition* Mary-Paula Walsh, 1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women's movement women's studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume

Giving Counsel Donald Capps, 2001-11-01 For most ministers pastoral counseling is a part of daily ministry whether it is in an office counseling session or in a chance meeting with a parishioner outside the church Whatever the setting ministers are often called on to provide counsel and by virtue of their calling and training are expected to do so This how to guide for seminary students and ministers explores the role of the minister as counselor and provides a method for giving counsel Renowned pastoral care expert Donald Capps equips readers with basic knowledge and skills and helps them to create a framework to ensure that all conversations where counsel is given will be valuable and not harmful to the person involved Using a problem resolving approach Capps leads readers through How to Create a Listening Environment How to Construct a Conversation How to Think Systemically How to Interpret Stories How to Manage Boundaries Giving Counsel is the perfect resource for seminary students and ministers of all faiths whether you are beginning your study or looking for a single resource to serve your ministry

Wolves Within the Fold Anson D. Shupe, 1998 Wolves within the Fold is the first collection of new articles dealing with abuse of authority by religious leaders and the victimization of their parishioners The power of religion as a symbolic salvation promising enterprise resides in its authority to create and shape reality for believers

and command their obedience This power can inspire tremendous acts of human kindness charity compassion and hope But witch hunts inquisitions crusades and pogroms show us how religious authority can be used for far darker purposes This abuse of power by religious authorities at the expense of their followers is termed clergy malfeasance by editor Anson Shupe and examined by the contributors to *Wolves within the Fold* The essays provide an innovative examination of behavior that is sometimes illegal and always unethical sometimes punished but often not Topics range from a cultural study of Aum Shinrikyo the Japanese apocalyptic group now infamous for releasing lethal gas into the Tokyo subway system to a sociological analysis of financial scandals among evangelical religious groups Groups analyzed include the Roman Catholic Church Protestant denominations televangelists and the Hare Krishnas

Religious Freedom and the Global

Regulation of Ayahuasca Beatriz Caiuby Labate,Clancy Cavnar,2023-03-29 This book offers a comprehensive view of the legal political and ethical challenges related to the global regulation of ayahuasca bringing together an international and interdisciplinary group of scholars Ayahuasca is a psychoactive brew containing N N Dimethyltryptamine DMT which is a Schedule I substance under the United Nations Convention on Psychotropic Substances and the legality of its ritual use has been interpreted differently throughout the world The chapters in this volume reflect on the complex implications of the international expansion of ayahuasca from health spirituality and human rights impacts on individuals to legal and policy impacts on national governments While freedom of religion is generally protected this protection depends on the recognition of a religion s legitimacy and whether particular practices may be deemed a threat to public health safety or morality Through a comparative analysis of different contexts in North America South America and Europe in which ayahuasca is consumed the book investigates the conceptual philosophical and legal distinctions among the fields of shamanism religion and medicine It will be particularly relevant to scholars with an interest in indigenous religion and in religion and law

Religion Between Governance and Freedoms Olga Breskaya,Roger Finke,Giuseppe Giordan,2024-10-22 This edited volume proffers a sociological outlook on the challenges contemporary societies face when states attempt to govern religious and cultural diversity and still protect freedoms of and from religion claimed by individuals communities and institutions The collection of chapters brings readers into both theoretical discussions and empirical research It illustrates how the promise of religious freedom has become a burgeoning social issue at the center of struggles over equity inclusion and cohesion in both public institutions and everyday interactions The book is divided into three parts the state s legal and political mechanisms governing religious freedom the challenges of religious pluralism for public institutions and global communities social perceptions of religious freedom as an indicator and criterion of human rights culture in society An international group of authors provide reviews case studies and data driven research for students researchers and practitioners working in the sociology of religion

Renewal Colbert Rhodes,2017-07-11 Offering a deep look into the moral uncertainty in the contemporary social sciences and American society this book explores an in depth solution This solution as articulated by

Pitirim A Sorokin in the 20th century is the theory of Integralism a perspective dating back to Plato Aristotle and Aquinas Sorokin initially applied Integralism by locating and analyzing three dominant super socio cultural systems over 2500 years of Graeco Roman and Western history Each super system was unified by a central philosophical principle based either on materialism the senses or the rational or the supersensory super rational A super system declines when it reaches the limits of its potential to achieve its true reality and value to be replaced by another super system Sorokin described a trendless rotation of the three super socio cultural systems The current dominant super socio cultural system in the West is a materialist version emphasizing science and technology with little thought given to supersensory super rational reality Sorokin asserted contemporary materialist culture was in a state of collapse due to the breakup of its moral values As a consequence he saw a struggle for power occurring between egoistic individuals and groups often resulting in revolutions wars and inter human strife In response to the one sided materialist view of reality the goal of Integralism is to unify all three forms of reality into an integral culture that harmoniously balances materialist and supersensory super rational orientations A solution to the contemporary moral confusion Sorokin argued can be found in the application of supra conscious intuition that would enable a human to know what is eternal in the ordinary and reach the transcendent an experience not accessible to the senses or the rational intellect alone The supra conscious is the source for reaching the supreme moral value creative unselfish altruism which can be shared by all cultures to produce peace and harmony in the world

Millennium, Messiahs, and Mayhem Thomas Robbins, Susan J. Palmer, 2013-10-28 As we approach the Millennium apocalyptic expectations are rising in North America and throughout the world Beyond the symbolic aura of the millennium this excitation is fed by currents of unsettling social and cultural change The millennial myth ingrained in American culture is continually generating new movements which draw upon the myth and also reshape and reconstruct it Millennium Messiahs and Mayhem examines many types of apocalypticism such as economic racist environmental feminist as well as those erupting from established churches Many of these movements are volatile and potentially explosive Millennium Messiahs and Mayhem brings together scholars of apocalyptic and millennial groups to explore aspects of the contemporary apocalyptic fervor in all original contributions Opening with a discussion of various theories of apocalypticism the editors then analyze how millennialist movements have gained ground in largely secular societal circles Section three discusses the links between apocalypticism and established churches while the final part of the book looks at examples of violence and confrontation from Waco to Solar Temple to the Aum Shinri Kyo subway disaster in Japan Contributors James Aho Dick Anthony Robert Balch Michael Barkun John Bozeman David Bromley Michael Cuneo John Dimitrovich John Hall Massimo Introvigne Philip Lamy Ronald Lawson Martha Lee Barbara Lynn Mahnke Vanessa Morrison Mark Mullins Ansun Shupe Susan Palmer Thomas Robbins Philip Schuyler and Catherine Wessinger

Religion Matters William A. Mirola, Michael O. Emerson, Susanne C Monahan, 2016-01-08 Religion Matters What Sociology Teaches Us About Religion in Our World is organized around the

biggest questions that arise in the field of sociology of religion This is a new text for the sociology of religion course Instead of surveying this field systematically the text focuses on the major questions that generate the most discussion and debate in the sociology of religion field [Violence, Inequality, and Human Freedom](#) Peter Iadicola, Anson Shupe, 2012-10-26 Violence Inequality and Human Freedom is a sociological introduction to the study of violence that looks at violence on three different levels structural institutional and interpersonal The third edition is updated throughout including a new chapter on educational violence and revised sections on economic and international violence

Spoils of the Kingdom Anson Shupe, 2010-10-01 In Spoils of the Kingdom Anson Shupe investigates clergy misconduct as it has recently unfolded across five faith based groups Looking at episodes of abuse in the Roman Catholic Mormon African American Protestant white Evangelical Protestant and First Nations communities Spoils of the Kingdom tackles hard questions not only about the sexual abuse of women and children but also about economic frauds perpetrated by church leaders including embezzlement misrepresented missions and outright theft as well as cases of excessively authoritarian control of members health lifestyles employment and politics Drawing on case evidence Shupe employs classical and modern social exchange theories to explain the institutional dynamics of clergy misconduct He argues that there is an implicit contract of reciprocity and compliance between congregants and religious leaders that when amplified by the charismatic awe often associated with religious authorities can lead to misconduct

The Politics of Religious Apostasy David G. Bromley, 1998-04-23 The current controversy surrounding new religions has brought to the forefront the role of apostates These individuals leave highly controversial movements and assume roles in other organizations as public opponents against their former movements This volume examines the motivations of the apostates how they are recruited and play out their roles the kinds of narratives they construct to discredit their previous groups and the impact of apostasy on the outcome of conflicts between movements and society

Wright, James T. Richardson, 2011-10 In April 2008 state police and child protection authorities raided Yearning for Zion Ranch near Eldorado Texas a community of 800 members of the Fundamentalist Church of Jesus Christ Latter Day Saints FLDS a polygamist branch of the Mormons State officials claimed that the raid which was triggered by anonymous phone calls from an underage girl to a domestic violence hotline was based on evidence of widespread child sexual abuse In a high risk paramilitary operation 439 children were removed from the custody of their parents and held until the Third Court of Appeals found that the state had overreached Not only did the state fail to corroborate the authenticity of the hoax calls but

evidence reveals that Texas officials had targeted the FLDS from the outset planning and preparing for a confrontation Saints under Siege provides a thorough theoretically grounded critical examination of the Texas state raid on the FLDS while situating this event in a broader sociological context The volume considers the raid as an exemplar case of a larger pattern of state actions against minority religions offering comparative analyses to other government raids both historically and across cultures In its look beyond the Texas raid it provides compelling evidence of social intolerance and state repression of unpopular minority faiths in general and the FLDS in particular *Leading the Hare Krishna Movement* Angela R.

Burt, 2024-05-27 This book examines issues of leadership and succession in the International Society for Krishna Consciousness ISKCON which was founded in by A C Bhaktivedanta Swami Prabhupada in 1966 After the founder s death in 1977 the movement was led by a group of gurus in a zonal system until their authority was challenged and reformed in the mid 1980s At the heart of the book is an exploration of the developments conflicts and defining characteristics of leadership in ISKCON in this decade Themes of hierarchy status power and authority and the routinisation of charisma are shown to be keys to understanding the events of the time With careful analysis of interviews and documentary evidence the research offers a unique insight into ISKCON as an organisation and the broader religious community in which ISKCON is located The book will be of particular interest to scholars of new religious movements and those concerned with religious leadership

Hare Krishna Transformed E. Burke Rochford, 2007-05 Most widely known for its adherents chanting Hare Krishna and distributing religious literature on the streets of American cities the Hare Krishna movement was founded in New York City in 1965 by A C Bhaktivedanta Swami Prabhupada Formally known as the International Society for Krishna Consciousness or ISKCON it is based on the Hindu Vedic scriptures and is a Western outgrowth of a popular yoga tradition which began in the 16th century In its first generation ISKCON actively deterred marriage and the nuclear family denigrated women and viewed the raising of children as a distraction from devotees spiritual responsibilities Yet since the death of its founder in 1977 there has been a growing women s rights movement and also a highly publicized child abuse scandal Most strikingly this movement has transformed into one that now embraces the nuclear family and is more accepting of both women and children steps taken out of necessity to sustain itself as a religious movement into the next generation At the same time it is now struggling to contend with the consequences of its recent outreach into the India born American Hindu community Based on three decades of in depth research and participant observation Hare Krishna Transformed explores dramatic changes in this new religious movement over the course of two generations from its founding
