explains the rationale behind Kennedy's campaign to protect public health. Provided exclusive source material including access to Kennedy's unpublished writings and personal journals, the author conducted dozens of interviews with him as well as numerous friends and associates. Russell delves into everything from Kennedy's sometimes death-defying river rafting adventures to his pioneering legal cases against polluters such as Smithfield Foods and Monsanto while founding the world's largest water protection group, The Real RFK Jr. also examines Kennedy's pursuit of the truth about the assassinations of his father and uncle, the wrongful murder conviction of his cousin, and the false narratives around the COVID-19 pandemic.
