can identify your particular spiritual energies or archetypes the gatekeepers of your higher purpose and use them to help you find out what you are here on earth to learn and whom you are meant to meet In coming to know your archetypal companions you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest in fact your divine potential In this process you learn how to see your life and the lives of others symbolically allowing you to manage your personal power without getting caught up in emotional drama You will also learn how to fulfill your Sacred Contract what you and only you are here on earth to do Finally Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas Both visionary and practical Sacred Contracts is a completely unique process of self discovery and spiritual archaeology and a bold powerful work of spiritual wisdom
