Discerning the Powers in Post-Colonial Africa and Asia Pak Nung Wong, 2016-02-17 Qualifying post Westphalian sovereign statehood as a power as argued for in Hendrik Berkhoff s political theology this book addresses the decades long theological spiritual debate between Christian realism and Christian pacifism in U S foreign policy and global Christian circles It approaches the debate by delving into the pacifist Anabaptist political theology and delineates empirically how sovereign statehood in post colonial Africa and Asia has fallen into the hands of the devil Satan as a fallen power in the Foucaultian terms of power structures techniques and episteme While the book offers intervention schemes and options it

holds that Christian statecraft remains the source of hope to effectively address a number of serious global issues By extension the book is thus an invitation to ignite debates on the suitability of Christian statecraft and the nexus between spirituality and world politics making it especially interesting for scholars and students in the fields of International Politics Politics of Asian and African States Post colonial Studies and Political Theology **The Publishers Weekly**, 1996 **At Play in the Killing Fields** Joseph DeMarco, 2007-02-22 JOE KAYE 1976 2031 The False Prophet of Fennimore Place Joe Kaye was an American poet philosopher schoolteacher and author of 11 books Born in New York City Joe taught in New York Hawaii and Michigan In Hawaii he started writing and by the age of 25 he published his first manuscript He later moved to Michigan and then to Wisconsin where he developed a tumor which began to give him delusions His delusions led him to construct a giant labyrinth on a tropical island He also had an obsession with looking for a message he believed he had left for himself in a past life in the form of a poem song or story He went insane with paranoia and believed the karma police were coming to take him away He also became obsessed with cheating death practicing a religion called Voodoo Botany believing it would make him a god On a late night talk show he made a prophecy about the extinction of the human race He was sent to rest at Fennimore Place Institute The maze was never finished He died broke and penniless Time and Intimacy Joel B. with sex workers and urban entrepreneurs to weave together Gangnam's rich backstory and give readers a deeper appreciation of such acclaimed films as Bong Joon Ho's *Parasite* and Lee Chang-dong's *Burning* and the Netflix drama series *Squid Game*. Kim takes an unflinching look at the darker side of Korean society that includes school bullying, entertainment industry scandals, and misogynistic violence, all of which have provided compelling narratives for an increasing number of Hallyu media products. The Gangnam portrayed in this volume is the site of rampant disaster capitalism and rising inequality, as well as the engine of cultural and technological innovation. In short, Gangnam is at the heart of Korea's global polarization. As one of a handful of books on Korean cultural history that bridges the twentieth and the twenty-first centuries, *Polarizing Dreams* will have a lasting impact on the study of Korean pop culture and beyond.
