In the Wake of Galleons Robert Marx,2001-01-01      A Wanderer's Song of the Sea Charles Augustus Keeler,1902      **A Field on Fire** Mark D. Hersey,Ted Steinberg,2019-01-29 A frank and engaging exploration of the burgeoning academic field of environmental history Inspired by the pioneering work of preeminent environmental historian Donald Worster the contributors to *A Field on Fire: The Future of Environmental History* reflect on the past and future of this discipline Featuring wide ranging essays by leading environmental historians from the United States Europe and China the collection challenges scholars to rethink some of their orthodoxies inviting them to approach familiar stories from new angles to integrate new methodologies and to think creatively about the questions this field is well positioned to answer Worster s groundbreaking research serves as the organizational framework for the collection Editors Mark D Hersey and Ted Steinberg have arranged the book into three sections corresponding to the primary concerns of Worster s influential scholarship the problem of natural limits the transnational nature of environmental issues and the question of method Under the heading *Facing Limits* five essays explore the inherent tensions between democracy technology capitalism and the environment The *Crossing Borders* section underscores the ways in which environmental history moves easily across national and disciplinary boundaries Finally *Doing Environmental History* invokes Worster s work as an essayist by offering self conscious reflections about the practice and purpose of environmental history The essays aim to provoke a discussion on the future of the field pointing to untapped and underdeveloped avenues ripe for further exploration A forward thinker like Worster presents bold challenges to a new generation of environmental historians on everything from capitalism and the Anthropocene to war and wilderness This engaging volume includes a very special afterword by one of Worster s oldest friends the eminent intellectual historian Daniel Rodgers who has known Worster for close to fifty years      **Annual Publication of the Historical Society of Southern California** ,1914      Explorations and Entanglements Hartmut Berghoff, Frank Biess, Ulrike Strasser,2018-11-16 Traditionally Germany has been considered a minor player in Pacific history its presence there was more limited than that of other European nations and whereas its European rivals established themselves as imperial forces beginning in the early modern era Germany did not seriously pursue colonialism until the nineteenth century Yet thanks to recent advances in the field emphasizing transoceanic networks and cultural encounters it is now possible to develop a more nuanced understanding of the history of Germans in the Pacific The studies gathered here offer fascinating research into German missionary commercial scientific and imperial activity against the backdrop of the Pacific s overlapping cultural circuits and complex oceanic transits      *Publications of the Historical Society of Southern California* ,1914      The Havilfar Cycle II Alan Burt Akers,2007-04-01 For the first time ever the books in the Saga of Dray Prescott of Earth and of Kregen are being brought together in omnibus editions In the first Havilfar Cycle omnibus Dray Prescott was launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four

hundred light years away beneath the Suns of Scorpio Now Hamal the greatest power in Havilfar is bent on conquest and Prescott hates the Hamalese because he slaved in their diabolical Heavenly Mines His mission is to discover the secrets of the Hamalese airboats for his own people This book contains *Bladesman of Antares* Avenger of Antares Armada of Antares

*The Quarterly* Historical Society of Southern California,1914      In the Wake of the Golden Galleons Roy Volker,Dick Richmond,1976      **Wild Bells to the Wild Sky** Laurie McBain,2016-03-01 She thought her love for him was unrequited but when they meet again she may just find that she s the one he can t forget West Indies 1571 Shipwrecked on an island for most of her young life Lily Christian is rescued by the dashing sea captain Valentine Whitelaw On the voyage back to England Lily falls hard for the sun bronzed man but her love is not returned Back among the glittering halls of court Valentine tries to forget the young beauty he plucked from the Caribbean But when he discovers innocent Lily is caught up in a treacherous plot to murder the queen he will do everything in his power to protect Lily and save his liege Thrust together into perilous adventure Valentine and Lily have only each other to trust and to love Praise for Laurie McBain Lush and evocative Publishers Weekly Wonderfully romantic Romantic Times      *Bladesman of Antares* Alan Burt Akers,2006-02-01 The ninth book of the Dray Prescott series The problem with being a spy is that you have to make friends with the enemy Dray Prescott Earthman who had become prince of Vallia was the kind of man who always stood by his friends So in his quest to learn the war secrets of Hamal empire of the aircraft makers Dray found himself not only becoming comrade to some of its greatest warriors but of championing the very life of its cruelly beautiful queen Although Dray s devotion to his glorious princess Delia never flagged his mission and his life was perilously balanced upon the razor edged blades of loyalty versus duty

*Southern California Quarterly* ,1911      **Spanish Galleon vs English Galleon** Mark Lardas,2020-11-26 Between 1550 1600 Europe witnessed a rapid evolution in the art of ship design which enabled safer and more efficient transatlantic travel This was the pinnacle of the Age of Discovery and Exploration for the European powers in which the galleon played a crucial role Galleons were both the main vessels in maritime commerce and the principal warships used by the opposing fleets throughout the Age of Exploration This period also saw a large amount of naval combat much of it between individual ships belonging to the competing powers of England and Spain as they sought to control and exploit the rich mineral material agricultural and human resources of the New World The conflict between the English Sea Dogs and the Spanish Adventurers has been a source of fascination for over four centuries This exciting addition to the Duel series explores how the galleons used by Spain and England were built and armed and examines the effectiveness of the cannon they used It also compares how they were sailed and manoeuvred showing the strengths and weaknesses of each design and explaining how these played out in several of their most prominent battles including the Battle of San Juan de Ul a the fight between the Golden Hind and the Nuestra Se ora de la Concepci n an action from the Spanish Armada and the last fight of the Revenge
