*From Hell to Salvation* Roberta M. Heck, 2012-08-15 Cheryls childhood is full of love Raised on the farm and the youngest of ten siblings she worships God every Sunday and basks under the praise of her mother But she has a tendency to look at the other side of life and wonder what its like The popular crowd is so glamorous and full of fun Could their way of living be better than hers When Cheryl moves into her first apartment things begin to fall apart No longer under the protection of her mother she is independent now and that means she is in charge of making her own decisions She starts hanging out with old schoolmates When she realizes they are doing drugs she throws caution to the wind and decides to try them But drug addiction is not a pretty thing Cheryls life spirals out of control as she becomes not only a user but a dealer She thinks she can get herself out

of this mess alone yet those years of Sunday school and church worship tell her she needs to turn to the Lord Listening to that small voice proves more difficult than she imagined however and her partying lifestyle may just lead her in the opposite direction

**Color Me Butterfly** L. Y. Marlow, 2010-08-03 Inspired by a true story Color Me Butterfly follows four generations of mothers and daughters haunted by a common specter of domestic abuse as they discover the strength hope and courage to survive The last thing Eloise Bingham wanted was to leave the comforts of her South Carolina home and family But at the end of World War II the young wife follows her husband Isaac to Philadelphia only to experience his sinister and violent temper Eloise's children and their children and grandchildren will face their own trials over the next sixty years Mattie who has lived in her mother Eloise's shadow finds it takes a life changing tragedy to help her break free Lydia Mattie's strong willed daughter summons the resolve to rise above the cycle of abuse and finally Treasure Lydia's lively daughter has the chance to be the first to escape her family's destructive legacy It will take unconditional love old fashioned family values faith and fearless determination already embedded in each woman's DNA to triumph over a life plagued with unspeakable pain

**David's Capacity for Compassion** Barbara Green, 2017-04-20 In this book Barbara Green demonstrates how David is shown and can be read as emerging from a young naive whose early successes grow into a tendency for actions of contempt and arrogance of blindness and even cruelty particularly in matters of cult However Green also shows that over time David moves closer to the demeanor and actions of wise compassion more closely aligned with God Leaving aside questions of historicity as basically undecidable Green's focus in her approach to the material is on contemporary literature Green reads the David story in order applying seven specific tools which she names describes and exemplifies as she interprets the text She also uses relevant hermeneutical theory specifically a bridge between general hermeneutics and the specific challenges of the individual and socially located reader As a result Green argues that characters in the David narrative can proffer occasions for insight wisdom and compassion Acknowledging the unlikelihood that characters like David and his peers steeped in patriarchy and power can be shown to learn and extend wise compassion Green is careful to make explicit her reading strategies and offer space for dialogue and disagreement

**Street Sex Work and Canadian Cities** Shawna Ferris, 2015-02-10 De stigmatization of sex work encourages efforts toward legal changes to create safe communities for all

**The Collage Aesthetic in the Harlem Renaissance** Rachel Farebrother, 2016-12-05 Beginning with a subtle and persuasive analysis of the cultural context Farebrother examines collage in modernist and Harlem Renaissance figurative art and unearths the collage sensibility attendant in Franz Boas's anthropology This strategy makes explicit the formal choices of Harlem Renaissance writers by examining them in light of African American vernacular culture and early twentieth century discourses of anthropology cultural nationalism and international modernism At the same time attention to the politics of form in such texts as Toomer's Cane Locke's The New Negro and selected works by Hurston reveals that the production of analogies juxtapositions frictions and distinctions on the page has aesthetic historical and

political implications Why did these African American writers adopt collage form during the Harlem Renaissance What did it allow them to articulate These are among the questions Farebrother poses as she strives for a middle ground between critics who view the Harlem Renaissance as a distinctive and necessarily subversive kind of modernism and those who foreground the cooperative nature of interracial creative work during the period A key feature of her project is her exploration of neglected connections between Euro American modernism and the Harlem Renaissance a journey she negotiates while never losing sight of the particularity of African American experience Ambitious and wide ranging Rachel Farebrother s book offers us a fresh lens through which to view this crucial moment in American culture
