In Search Of Westmorland:

In Search of Westmorland Charlie Emmett, 1985 *In Search of Vikings* Stephen E. Harding, David Griffiths, Elizabeth Royles, 2014-12-19 The Viking Age lasted a little over three centuries but has left a lasting legacy across Europe These dynamic warrior traders from Scandinavia who fought and interacted with peoples as far apart as North America Russia and Central Asia are some of the most recognizable historical figures in the western world In the modern imagination they re

Regions and Designed Landscapes in Georgian England Sarah Spooner, 2015-06-26 Garden design evolved hugely during the Georgian period as symbols of wealth and stature the landed aristocracy had been using gardens for decades Yet during the eighteenth century society began to homogenise and the urban elite also started demanding landscapes that would reflect their positions The gardens of the aristocracy and the gentry were different in appearance use and meaning despite broad similarities in form Underlying this was the importance of place of the landscape itself and its raw material Contemporaries often referred to the need to consult the genius of the place when creating a new designed landscape as the place where the garden was located was critical in determining its appearance Genius loci soil type topography water supply all influenced landscape design in this period The approach taken in this book blends landscape and garden history to make new insights into landscape and design in the eighteenth century Spooner s own research presents little known sites

alongside those which are more well known and explores the complexity of the story of landscape design in the Georgian period which is usually oversimplified and reduced to the story of a few great men Starting Over Chrysanthy Stamas, 2011-03-15 Thirty four year old Melina Stavros finds out the hard way that sometimes life just isnt fair First she discovers that Randy Carolla her husband of one year has been cheating on her Then after nine years of employment at defense contractor Bay Industries shes fired Looking for a new start she leaves California and moves to New Hampshire to be close to her family She reconnects with an old flame and local surgeon Dr Chris Pappas and finds a job with Max Waters Investigations a private investigation firm headed by the strikingly beautiful man Max Waters Her first assignment places her in a precarious situation as she works undercover in her old companys headquarters Mels life heats up on two fronts In her personal life shes attracted to Chris but also realizes theres a physical chemistry between her and her new boss Then her investigation becomes dangerous leading to murder and kidnapping She had no idea starting over would involve so much risk
