**The Fellowship** Stevie Shaw, 2023-04-30 A mysterious symmetry between a series of apparent murders and suicides committed simultaneously in different types of properties around Manchester presents a most perplexing puzzle for recently promoted DI Shelly King The Fellowship purports to be The New Testament Learning Fellowship but we ultimately learn that NTLF actually stands for something completely different Whilst the founder of NTLF aims for societal improvement the solution is much more sinister The author is a master of interweaving multiple plots and taunting the reader with snippets of clues which only become relevant much later in the book In between fascinating descriptions of how the CID operate we are treated to superbly written and graphic descriptions of such things as the agony of poisoning lesbian lovemaking and bondage the latter not all consensual Although an overworked cliché this book unquestionably is one which most readers will

not be able to put down The gripping and compulsive challenges the officers face never cease to surprise and excite Most readers will probably develop at least some affection for the characters who toil under the relentless pressure faced by the police and many may even shed a tear when one pays the ultimate price *Sense of Wonder* Bill Schelly,2018-04-17 A fascinating story of growing up as a gay fan of comic books in the 1960s building a fifty year career as an award winning writer and interacting with acclaimed comic book legends Award winning writer Bill Schelly relates how comics and fandom saved his life in this engrossing story that begins in the burgeoning comic fandom movement of the 1960s and follows the twists and turns of a career that spanned fifty years Schelly recounts his struggle to come out at a time when homosexuality was considered a mental illness how the egalitarian nature of fandom offered a safe haven for those who were different and how his need for creative expression eventually overcame all obstacles He describes living through the AIDS epidemic finding the love of his life and his unorthodox route to becoming a father He also details his personal encounters with major talents of 1960s comics such as Steve Ditko co creator of Spider Man Jim Shooter writer for DC and later editor in chief of Marvel Comics and Julius Schwartz legendary architect of the Silver Age of comics **Bitter/Sweet** Brenda Stubbs Lawrence,2023-03-08 Bitter Sweet Surviving the Struggle Within describes my efforts to face the fears and pain of love and self love sickness and health death and spirituality and forgiveness It also expresses my hope to find the answers to life s questions First I had to acknowledge self because without self acknowledgement every obstacle will magnify In understanding what makes me tick and how my past could hold me back I learned to love myself which allowed me to find true love Bitter poisons that once flowed through my veins are now replaced with the sweet taste of honey My agonies frustrations and pain took me on one excursion after another The only true journey toward growth and fulfillment is tunneling through the many avenues of self I had to go within before I could move forward I had to master this expedition No matter what I seek everything I need is already inside me Am I important enough to myself to go within and search for what I want and need It is what I choose to accept about my life that will make it Bitter or Sweet And I realize that I am not alone Everyone experiences pain and discord I hope my words reach others so they too can rejoice I have learned to celebrate the child within to overcome past hurts and all the old Bitter Sweet experiences This chronicles where I have been where I am today and what I have accomplished **The Natural History of Insects, Compiled from Swammerdam, Brookes, Goldsmith, Etc** Jan Swammerdam,1792 **The Natural History of Insects** ,1792
