Kolhatkar,2023-11-25 Over 2 300 years ago the Ancient Greeks gave us philosophy the love of wisdom From Socrates and  
Epicurus to Plato and Aristotle they grappled with the big questions who are we Why are we here What is a good life How  
should we lead our life Later the natural sciences split away from philosophy and then the humanities did as well and  
fragmented into separate disciplines all of which tell us something about human nature the universal the culture specific and  
the individuated This ongoing process was also forwarded by supporters of Aristotle s worldview most notably Thomas  
Aquinas and Ayn Rand and we see much value in their neo Aristotelian philosophies too In the light of all that that the new  
sciences and more recent philosophers tell us about human nature and ethics is there a case for modernizing Aristotle and  
thinkers like Aquinas and Rand as well as against starting afresh We think so The theme of this book is to arrive at a highly  
practical neo Aristotelian framework to facilitate creating a meaningful life and self actualization and thereby flourishing and  
happiness by linking ethics as an ought with the empirical sciences that provide the is A modernized ethic can be created  
using current scientific knowledge and is also made easier in application by specifying the psychological nature of the human  
the internal or the ontology of the modern human and delineating that which is universal from that which can be  
individualized      **The Happy Average** Brand Whitlock,2021-03-16 The Happy Average by Brand Whitlock Published by
