**In the Face of God** Michael Horton, 1996-09-23 Have modern believers grown too comfortable with God In response to the unbiblical mystical spirituality of our day Michael Horton calls for a return to the teaching of the Apostle Paul and the early church The result is a compelling picture of true spiritual intimacy with God *The Female Face of God in Auschwitz* Melissa Raphael, 2003-09-02 The dominant theme of post Holocaust Jewish theology has been that of the temporary hiddenness of God interpreted either as a divine mystery or more commonly as God's deferral to human freedom But traditional Judaic obligations of female presence together with the traditional image of the Shekhinah as a figure of God's femaleness accompanying Israel into exile seem to contradict such theologies of absence The Female Face of God in Auschwitz the first full length feminist theology of the Holocaust argues that the patriarchal bias of post Holocaust theology becomes fully apparent only when women's experiences and priorities are brought into historical light Building upon the published testimonies of four women imprisoned at Auschwitz Birkenau Olga Lengyel Lucie Adelsberger Bertha Ferderber Salz and Sara Nomberg Przytyk it considers women's distinct experiences of the holy in relation to God's perceived presence and absence in the camps God's face says Melissa Raphael was not hidden in Auschwitz but intimately revealed in the female face turned towards the other as a refractive image of God especially in the moral protest made visible through material and spiritual care for the assaulted other *Seeing the Face of God* Puttagunta Satyavani, 2014-09-14 The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement especially in its use with the verb to see While some scholars dismissed the expression as merely a metaphor with little significance others have compared it to the face of gods and goddesses of the ANE religious context where worshippers sought an audience with their divine king Scrutinising previous scholarship and based on careful exegesis of several crucial passages in the Pentateuch this publication presents the motif seeing the face of God in an entirely new context of divine self revelation **Seeking the Face of God** Gary Thomas, 1999-01-01 Thomas turns to the classic writings of well known Christians to offer a program for rediscovering an authentic Christian spirituality that applies to everyday life's frustrations problems and even joys Many will be grateful for the forceful sensitivity of this survey of classical insights into our fellowship with God J I Packer *The Face of God* Roger Scruton, 2012-03-08 Roger Scruton explores the place of God in a disenchanted world His argument is a response to the atheist culture that is now growing around us and also a defence of human uniqueness He rebuts the claim that there is no meaning or purpose in the natural world and argues that the sacred and the transcendental are real presences through which human beings come to know themselves and to find both their freedom and their redemption In the human face we find a paradigm of meaning And from this experience Scruton argues we both construct the face of the world and address the face of God We find in the face both the proof of our freedom and the mark of self consciousness One of the motivations of the atheist culture is to escape from the eye of judgement You escape from the eye of judgement by blotting

out the face and this Scruton argues is the most disturbing aspect of the times in which we live In his wide ranging argument Scruton explains the growing sense of destruction that we feel as the habits of pleasure seeking and consumerism deface the world His book defends a consecrated world against the habit of desecration and offers a vision of the religious way of life in a time of trial **WHEN I SEEK GOD'S FACE** ALLEN TIMILEHIN OLATUNDE, When I seek God s face is a discipleship

*Saving God's Face* Jackson Wu,2013-04 Years ago the author had a startling realization Theologians and pastors have long taught on the glory of God and its central importance in the Bible However because he was living in East Asia it also dawned on the author that this sort of talk about God s glory praising Him and magnifying His name was simply another way of talking about honor and shame When the author looked at most theology and ministry related books he found that honor and shame seemed to be treated differently Anthropologists talked about honor shame but theologians largely focused more on legal metaphors The author could see both themes in Scripture but couldn t find help as to how to bring them together This study was developed in order to address this gap and bring those themes together Sign up for the WCIU Press newsletter to be notified about new books from this author and more <http://eepurl.com/rB15L> **Desert Harvest** Robert

Wild,2019-04-10 Everyone really lives in the desert of his or her own cell his or her own soul Today this solitary existence is heightened by the loneliness created by the modern world Perhaps never before in the history of the world have so many people been forced to enter their personal loneliness because of circumstances The monk enters these deserts voluntarily whereas now the world is peopled by reluctant monks who have not chosen to be alone Their loneliness could become communion The key of course is to choose the desert This book is an attempt to share with all desert dwellers everywhere the committed and the reluctant the fruits of what God has taught      *God with a Human Face* John C. Purdy,1993-01-01 To see God s face is something more than theoretical mystical or conceptional and to see it we must look at the face of Jesus In this innovative book Purdy focuses on the face of Jesus and explores 12 gospel stories from the birth of Jesus through His crucifixion and resurrection to show that by looking at Jesus God s intentions toward us can be discerned      **(The daily Psalms, meditations, by the author of 'The daily round').** Thomas Benson Pollock,1894      Healthy Human Life James K. Bruckner,2012-06-18 Health is God s original created intent whole persons healthy relationships a thriving environment and ongoing interaction with himself In the Bible human health is body based community based and deeply integrated in a relationship with God s creating Spirit The Pentateuch prophets writings Gospels and epistles all are deeply if not primarily concerned with the ongoing and ultimate health of God s good creation Scripture also has a wide perspective on the disruption of human health It deals with the human tendency to violence corruption and self destructive behaviors The recently renewed interest in health vitality and spirituality of all kinds has led to this articulation of a biblical spirituality in relation to human health Surprisingly when we look for spirituality in the Bible we find real and embodied relationships Everyone is for health and for the restoration of health But what are health and healing How does the Bible describe or define them Here is the result of ten years of conversations with health care professionals in a master s course on biblical perspectives on health and healing The biblical witness can transform the way we practice the healing arts This book provides a biblical foundation for health and its restoration      **Face to Face with God** Guillermo Maldonado,2023-10-01 In Exodus 33 20 the Lord tells Moses that no man shall see Him and live John 1 18 confirms that no one has seen God at any time So you may wonder how is it that I will now be face to face with God The only way to know the Father face to face is by knowing His only begotten Son Jesus said He who has seen Me has seen the Father John 14 9 The problem is that many Christians are satisfied with accepting Him without committing themselves much less seeking His presence On the other hand God longs for man to return to his origins to have an intimate relationship with Him that is why He gave us a way of salvation through Jesus Christ This devotional written by Apostle Guillermo Maldonado is guided by the Holy Spirit and has been written for you to experience God s presence continually He wants you to long for a supernatural encounter with His presence be immersed in His shekinah glory feel His Fatherly love heal your broken heart learn to be a bearer of His glory and receive a fresh impartation of His Holy Spirit Are you ready to have an encounter Face To Face With God      **Face to**

Knowing the Face of God, Revised Edition Tim Stafford,2005-09-23 There is no deeper more intense human longing than to know God is real and to see Him face to face In some circles having a personal relationship with God is synonymous with being a Christian We are told in fact that we must have such a relationship if we are truly God's children But if we are honest says Tim Stafford we must admit that often there is a considerable gap between our talk and our experience We want to know God The problem is that we don't know how to know Him How do we know God personally After examining the traditional answers and finding their shortcomings for himself Stafford began his own search for the means to knowing personally a personal God Knowing the Face of God is the moving record of his quest

Elizabeth Barrett Browning's Spiritual Progress: Face to Face with God Linda M. Lewis,1998 Lewis English Bethany College studies Browning's religion as poetry and her poetry as religion interpreting her literary life as an arduous spiritual quest Using insights from contemporary feminist thought she argues that Browning's religious assumptions and insights range from the conventional to the iconoclastic and that her political and social ideology are consistent in light of her spiritual quest Draws on Browning's most admired poetry as well as her early poems and her political works and compares her ideology to that of early feminists conservatives and male Victorian poets Annotation copyrighted by Book News Inc Portland OR

Paul A. Macdonald Jr.,2023-01-30 This book offers an original contribution to debates about the problem of evil and the existence of God It develops a Thomistic Christian theodicy the aim of which is to help us better understand not only why God allows evil but also how God works to redeem it In the author s view the existence of evil does not generate any intellectual problem that theists must address or solve to vindicate God or the rationality of theism This is because acknowledging the existence of evil rationally leads us to acknowledge the existence of God However understanding how these two facts are compatible still requires addressing weighty wide ranging questions concerning God and evil The author draws on diverse elements of Aquinas s philosophy and theology to build an argument that evil only exists within God s world because God has created and continues to sustain so much good Moreover God can and does bring good out of all evil both cosmically and within the context of our own individual lives In making this argument the author engages with contemporary work on the problem of evil from analytic philosophy of religion and theology Additionally he addresses a broad range of topics and doctrines within Thomistic and Christian thought including God creation providence original sin redemption heaven and hell and the theological virtues God Evil and Redeeming Good is an essential resource for scholars and students interested in philosophy of religion philosophical theology and the thought of Thomas Aquinas
