The Gardens of Henry James Elsie van Buren Bowen,1979 *The Garden* ,1889 Burning in Blueness The Dark-Light of a Countertenor Maxine Handy,2011-06-21 Burning in Blueness is a haunting memoir of the world s foremost countertenor James Bowman The author lyrically portrays and interprets her affinity with the great man and his music The text is in three parts covering a total of three decades to include James work with David Munrow Britten and Pears and as the voice of Robert King s five year Purcell series The account is not chronological but traces the creative contact between the author s literary interests and James Bowman s musical genius The book makes a valuable contribution to musical history as the famous and intensely private countertenor himself has always resisted the suggestion of a conventional biography Burning in Blueness is part of James legacy as he approaches his 70th birthday in 2011 **The Writer** ,1916 *Bloom* Amy M. K. Chesterton Ian Ker,2011-04-21 G K Chesterton is remembered as a brilliant creator of nonsense and satirical verse author of the Father Brown stories and the innovative novel *The Man who was Thursday* and yet today he is not counted among the major English novelists and poets However this major new biography argues that Chesterton should be seen as the successor of the great Victorian prose writers Carlyle Arnold Ruskin and above all Newman Chesterton s achievement as one of the great English literary critics has not hitherto been fully recognized perhaps because his best literary criticism is of prose rather than poetry Ian Ker remedies this neglect paying particular attention to Chesterton s writings on the Victorians especially Dickens As a social and political thinker Chesterton is contrasted here with contemporary intellectuals like Bernard Shaw and H G Wells in his championing of democracy and the masses Pre eminently a controversialist as revealed in his prolific journalistic output he became a formidable apologist for Christianity and Catholicism as well as a powerful satirist of anti Catholicism This full length life of G K Chesterton is the first comprehensive biography of both the man and the writer It draws on many unpublished letters and papers to evoke Chesterton s joyful humour his humility and affinity to the common
