## **In The Hand Of The Taliban:**

*The Enemy in Our Hands* Robert C. Doyle, 2010-03-19 Revelations of abuse at Baghdad's Abu Ghraib prison and the U.S. detention camp at Guantanamo Bay had repercussions extending beyond the worldwide media scandal that ensued. The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war. Amid allegations of human rights violations and war crimes, one question stands out among the rest: Was the treatment of America's most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation's military history? Military expert Robert C. Doyle's *The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question. Historical as well as timely in its content, this work examines America's major wars and past conflicts among them the American Revolution, the Civil War, World Wars I and II, and Vietnam to provide understanding of the United States' treatment of military and civilian prisoners. *The Enemy in Our Hands* offers a new perspective of U.S. military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next. In addition to other vital information, Doyle provides a cultural analysis and exploration of U.S. adherence to international standards of conduct including the 1929 Geneva Convention in each war. Although wars are not won or lost on the basis of how EPWs are treated, the treatment of prisoners is one of the measures by which history's conquerors are judged.

*The Omega Project: Book 3, The Path of War* Angus MacM. Hodgson, 2019-03-20 Like *The Omega Project*, the premise behind this book starts back during World War Two with General William Donovan, holder of the Army's four top medals including the CMH and the Office of Strategic Services, better known as the OSS. To most people outside of the Department of State, it was obvious that communism was incompatible with the American way of life. Therefore, the Russians were most likely to become our next major enemy. Based upon the OSS Project Omega plan and authorized by President Truman, a series of secret shelters were built throughout the United States. Each shelter designed to be self-sufficient for long-term survival and very comfortable for long-term living. So what would life be like in one of these secret bases? What would people do while sitting around waiting for the end of the world as we knew it? In this series, many of the inhabitants work for the Defense Advanced Research Projects Agency, doing advanced research, developing very advanced technology. So this book is part history, part science fiction, and a lot of speculation. What would future everyday life look like? How would door locks work? How about access to your computer? How about your computer itself? How does one get from place to place in this futuristic world? These items must be looked at from the standpoint of a three or four generation advancement.

***The Complete Idiot's Guide to Understanding Islam*** Yahya Emerick, 2004 Dispelling the popular myths about Muslims and Islam, this is a beginner's guide to the history and development of Islam and the Muslim faith.

***The Troubled Triangle*** Zafar Iqbal Yousafzai, 2021-12-07 This book is a

comprehensive analysis of the Taliban and how it has affected post 9 11 U S Pakistan relations It analyzes the genesis of the Taliban the rationale behind their emergence and how they consolidated their rule in Afghanistan from 1996 to 2001 It examines the U S policies towards the Taliban in the post 9 11 era and Pakistan s role as an ally in their efforts towards dismantling Taliban rule in Afghanistan from Obama s fight and talk policy to the Doha peace agreement in 2020 It also discusses the outcomes of the Global War on Terror GWoT as well as the Taliban s response to the U S led ISAF and NATO forces in Afghanistan The volume brings into focus Pakistan s policies vis vis the Taliban following the start of GWoT and how it pushed the U S Pakistan relations to its lowest ebb and then its role in bringing the Taliban to the negotiating table which resulted in the U S Taliban deal in Doha in February 2020 The author introduces a new balance of threat theory and expands on its applicability through the Taliban case study The book will be of great interest to scholars and researchers of U S foreign policy international relations peace and conflict studies strategic studies history diplomatic studies and South Asian politics

*The Legitimization Strategy of the Taliban's Code of Conduct* Yoshinobu Nagamine, 2016-04-29 What norms and principles guide the Afghan Taliban in their conduct of hostilities The author focuses on the Layeha a Code of Conduct issued by the highest Taliban authority Interviews with Taliban members were conducted to understand their perception of the Layeha which is modeled as a one way mirror

**A Bitter Harvest** Tom Lansford, 2017-03-02 The 2001 terrorist attacks on the United States formed part of the larger legacy of American interaction in Afghanistan From the end of World War II onward American foreign policy had a significant impact on the conflicts that marked the twentieth century history of this troubled land The role of the United States was magnified by the violence of the ongoing internal ethnic struggles and the external machinations of the superpower Cold War rivalry In line with the aims of the series this valuable new book presents a historical overview of the causes and legacy of Afghanistan s internal conflict explores the role and influence of the actors involved including the various ethnic and religious groups and external powers such as the United States and the Soviet Union provides the framework for a broader exploration of US policy toward Afghanistan A Bitter Harvest concludes with an assessment of US policy and policy recommendations

**World Terrorism: An Encyclopedia of Political Violence from Ancient Times to the Post-9/11 Era** James Ciment, 2015-03-10 First Published in 2015 This collection holds three volumes Terrorism is a term that defies easy definition and its meaning has also changed over the course of history Because this encyclopedia aims at comprehensiveness across time geography and the conceptual landscape it applies the broadest definition of terrorism the use of violence or the threat of violence to effect political change through fear in which the victims of the violence The encyclopedia is divided into six parts

Women of the Afghan War Deborah Ellis, 2000-04-30 This is an account of the Afghan War and its tragic aftermath as told by the women who were caught up in it and became its innocent victims The voices in this oral history will provide personal snapshots to the news reports of the Taliban activities now coming out of Afghanistan These accounts provide an historical background to the growth of the Taliban and reveal

circumstances of the daily life of the women who must survive in this very closed society Through the medium of oral history this book brings to light the stories of the women who have suffered the consequences of the Afghan War and whose lives and whose daughter s lives have been changed forever Through the voices of the Soviet women who supported their soldiers on Afghan soil and the voices of the Afghan women scattered by circumstance around the globe the last Cold War battle between the superpowers takes on a very personal tone Policy decisions issued from on high became the rockets that destroyed these women physically mentally and emotionally Children were killed or maimed and homes and families destroyed Ultimately these women were forced to flee or become invisible within their homeland The Taliban militia rose from the dust of this war and by government decree reduced even the most educated and influential of the women to non person status

The Conduct of Hostilities under the Law of International Armed Conflict Yoram Dinstein, 2016-04-04 Written by the leading commentator on the subject this is the seminal textbook on the law of international armed conflict Focusing on recent issues arising in the course of hostilities between States it explores the dividing line between lawful and unlawful combatants the meaning of war crimes and command responsibility the range of prohibited weapons the distinction between combatants and civilians the parameters of targeting and proportionality the loss of protection from attack including direct participation in hostilities and special protection granted pre eminently to the environment and to cultural property In a completely revised and updated text the author expertly covers the key principles and includes important new issues including the use of autonomous weapons and the complexities of urban warfare The subtleties and nuances of the international law of armed conflict are made accessible to the student and practitioner alike whilst retaining the academic rigour of previous editions

companion for anyone with an interest in how the world got into its present state

### **The Great Power Competition**

**Volume 4** Adib Farhadi, Anthony Masys, 2023-05-02 *Lessons Learned from Afghanistan America's Longest War* examines the lessons of how America's longest war came to an ignominious end with staggering consequences for the United States and the Afghan nation. Afghanistan today faces an unprecedented humanitarian crisis, looming threat of a civil war, and a resurgence of violent extremism. Organizations similar to pre-9/11 As the U.S. enters a new era in the strategic geopolitical Great Power Competition, an analysis of the original mission, intent, shifting policy, and strategic objectives, and ineffective implementation of security, political, and economic programs reveal critical lessons and questions such as: What led to the strategic failure of the U.S. in Afghanistan? What decisions resulted in the present-day humanitarian, civil, and political crises in Afghanistan? Were these consequences in fact avoidable? Was there an alternative approach that could have maintained the hard-fought gains of the last two decades and better demonstrated America's standing as a defender of global human rights? *Lessons Learned from Afghanistan America's Longest War* further explores lessons of the past negotiations between the United States, Taliban, and former U.S.-backed Afghan government to suggest alternative pathways that honor the original intent of the mission and meet present-day obligations to an Afghan nation in crisis.

*The Taliban Courts in Afghanistan* Adam Baczko, 2023-10-21 How did the Taliban gain the trust of the Afghan population through decades of conflict? How did they put themselves in a position to regulate social relations? And with what consequences for Afghan society? *The Taliban Courts in Afghanistan: Waging War by Law* explores how the Taliban used the law as a resource in its conflict with militarily and technologically superior Western armies. While the international coalition set up an inadequate and corrupt legal system, the Taliban set up hundreds of courts in the countryside. By insisting on due process, impartiality of judges, and the enforcement of verdicts, this system of justice established itself as one of the few sources of predictability in the daily lives of Afghans. The armed movement used law to substantiate their claim to embody the state, disseminate their vision of society, and establish local legitimacy. Their courts attempted to balance the political agenda of the movement, the demands of Islamic law, the needs of the population, and the expectations of international legal actors whose implicit recognition they desired. In contemporary civil wars, where dispensing justice is at once a juridical activity, a political weapon, and a stake in the war, this book thus accounts for why the West lost the war and how the Taliban took over the country. Based on the author's extensive fieldwork in various provinces in Afghanistan and unique access to Taliban judges and court users, this socio-legal investigation offers new perspectives on a country that was at war for over four decades. Baczko proposes an innovative reflection on the place of law and courts in civil wars, as well as a stark reminder of the dangers of foreign intervention. Timely and thought-provoking, this book appeals to a multi-disciplinary audience, including legal scholars, political scientists, sociologists, diplomats, policy makers, and anyone interested in the Afghan conflict.

*The Jihad of Jesus* Dave Andrews, 2015-05-29 We are caught up in the cycle of so-called holy wars. In *The Jihad of Jesus*, Dave Andrews argues that

while this inter communal conflict is endemic it is not inevitable Depending on our understanding our religions can be either a source of escalating conflict or a resource for overcoming inter communal conflict and for our religions to be a resource for overcoming conflict we need to understand the heart of all true religion as open hearted compassionate spirituality In the light of an open hearted compassionate spirituality we can reclaim the word jihad from extremists who have mis appropriated it as a call to holy war and reframe it in truly Qur anic terms as a sacred nonviolent struggle for justice and we can reconsider Jesus as he is in the Gospels not as a poster boy for Christians fighting crusades against Muslims but as a strong but gentle Messianic figure who can bring Christians and Muslims together As this book shows many Christians and Muslims have found Isa Jesus and the Bismillah celebrating the mercy grace and compassion of God as common ground upon which they can stand and work for the common good The Jihad of Jesus is a handbook for reconciliation and action a do it yourself guide for all Christians and Muslims who want to move beyond the clash of civilizations join the jihad of Jesus and struggle for justice and peace nonviolently side by side

**Afghanistan** Micheline Centlivres-Demont,2015-02-13 Over the last three decades Afghanistan has been plagued by crisis from Soviet invasion in 1979 and Taliban rule to US invasion following the events of 9 11 Here the top specialists on Afghanistan including Olivier Roy Ahmad Rashid and Jonathan Goodhand provide a unique overview of the evolution causes and future of the Afghan crisis Covering political and military events and examining the role of ethnic groups religious and ideological factors and the role of the leaders and war chiefs of the period from the anti Soviet resistance to the presidency of Hamid Karzai this book will prove essential reading to all interested in Afghanistan and the wider Middle East region Examining recent events in the light of the country s economy Afghan civil society cultural heritage and state reconstruction attempts this is a comprehensive and diverse look at a country whose recent history has been marked by internal conflicts and foreign intervention

**Understanding the War in Afghanistan** Joseph J. Collins,2013-02-22 The war in Afghanistan is now the United States longest running war For over a decade the conflict raging in Central Asia has been the stage for some of the shrewdest foreign policy fiercest wartime strategy and most delicate diplomacy the world has ever seen In a country smaller than Texas and home to 30 million people an elusive enemy shifting tribal dynamics and bordering countries threaten the stability not only of the region but of the world There can be no doubt that the war in Afghanistan as complex as it is fascinating will be the defining conflict for generations to come Understanding the War in Afghanistan is an invaluable primer a book that aims to clarify and explain the country as well as the war With chapters on the Afghan people their culture the history leading up to the war the Taliban 9 11 and the various phases of the fighting itself Understanding the War in Afghanistan is required reading for anyone wanting to understand one of the most important chapters in U S history Included in the book are detailed physiographic administrative and linguistic maps of the country to supplement the author s nuanced analysis of the region and the war

## **In The Hand Of The Taliban Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free In The Hand Of The Taliban PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free In The Hand Of The Taliban PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of In The Hand Of The Taliban free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About In The Hand Of The Taliban Books

**What is a In The Hand Of The Taliban PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a In The Hand Of The Taliban PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a In The Hand Of The Taliban PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a In The Hand Of The Taliban PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a In The Hand Of The Taliban PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password

protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
