Matthew McMahon, 2022-02-24 Every true Christian longs to be closer in their relationship to Jesus Christ and obtain a more intimate communion with God This is the point of this puritan devotional Herle has taken the role of a preacher and presented the preaching of the Gospel particularly the passion and death of Christ in a devotional manner What is a devotional A devotional is akin to the meditative aspects of a sermon direct application to the self and how the text launches the reader into their own meditations how it applies to me personally as directly applied to the soul Devotionals like this one do this step by step one day at a time Each chapter is a respective day's meditation In this work there are 41 devotionals on the passion and death of Christ with a concluding meditation on the resurrection that Christ is a dying and rising Savior In addition Herle thought it important to add into each devotional a kind of ending prayer Each day there are two or three prayers linked to the devotionals that allow you to become more thoughtful about these important biblical points as they relate to what happened to Jesus what he did for his people and how they can be prayed back to him for the soul's edification and benefit The goal in this devotional is to meditate and consider the passion of the Lord Jesus from the Garden of Gethsemane to his death at Golgotha and then consider what happened on the cross as he is nailed there dying for sinners

These devotionals work themselves out daily Readers would draw the most virtue from this work and from Jesus Christ if they deal with one chapter each day for 41 days But they are only as helpful as they are thoughtful and dedicated about considering them Devotionals are not about simply flexing one s theological muscles each day It is primarily to gain the real blessing of the Spirit further conformity to the image of Jesus Christ and a deeper fellowship with the Father as you come to understand the passion of Christ and his death on the cross in redeeming sinners
