Bizarre and the Mysterious is a 22 story horror collection ranging from the traditional Halloween story to the very bizarre. There is a vast variety of characters from the criminal mind to black cats, witches, the insane, Satan, and the grim reaper. If you are a horror fan, get ready for a journey loaded with twists and turns. One thing these stories all have in common is that each one has an exceptional surprise ending. The other thing they all possess is the ability to keep readers on the edge of their seat. By the time you reach the very last story, you will be left breathless and terrified. Two of these stories have won writing contests. See if you can figure out which ones. As the author, I must be honest. Once these stories were on paper, and I was removed, when I went back to read them, some of these tales even scared me.

Reaper's Hollow The Complete Series

Box Set ID Johnson, This box set includes all three books in the Reaper's Hollow series. **Ruin's Lot** Book 1: Someone is killing unmarked souls, and Ru Roberts is the only one that can stop them. That's a bit of a problem though, since she has no idea she's a Keeper. Adopted as a small child, Ru knows next to nothing about her birth parents. Her new mom insists she was given up because she ruins everything. Hence her name, Ruin. Yet Ru has managed to make a life for herself in the small town of Reaper's Hollow, working as a fourth grade teacher, which she loves. If it wasn't for her inability to touch anything electrical without starting a fire, she'd be the happiest girl in Upstate New York. That is, until the charming and devastatingly handsome Cutter Michaels moves into the classroom across the hallway and starts filling her head with all sorts of unbelievable fantasies. He claims she is the lost Keeper, the daughter of a half angel and a half demon, and she is the only one who can help him locate three portals the Reapers, as in Grim Reaper, are using to ferry souls away to the Underworld. Ru knows he's lost his mind, and yet she finds herself being sucked into his delusions more and more each day. The fact that he can shoot blue fire out of his hands might have something to do with that. Once she begins having strange dreams where she comes face to face with Thanatos, the most powerful Reaper of all, Ru begins to think there might be more to Cutter's story than she's been giving him credit for. Will joining Cutter lead her to find her biological parents and discover the powers coursing through her veins, or will Thanatos claim her for his own? **Ruin's Promise** Book 2: To prove herself to the other Keepers, Ru must close three portals to Hell. Ruin Roberts is just coming to grips with the idea that she is actually a Keeper, a half angel charged with keeping Grim Reapers from claiming unmarked souls when she is tasked with closing the remaining portals to Hell. She's made a promise to her friend Cutter that she'll complete her mission no matter the cost. Luckily, she has a team of experienced Keepers to help her. If she can find her missing mother, who may hold the map to the portals, in time, Ru may be able to complete her task before Thanatos hunts her down. Will Ru find her mom and the portals before Thanatos finds her, or will Ru lose everything to the half demons stalking the citizens of Reaper's Hollow? **Ruin's Legacy** Book 3: The time has come, and Ru must fulfill her destiny. Now that Ru Roberts has come to accept that she's a Keeper, a half angel charged with sending Grim Reapers back to Hell, she's been charged with a difficult task: close the remaining three portals to Hell, trapping the Reapers on Earth where they can be destroyed. But first, she has to find the portals. And then she'll have to actually close them, a task

that takes incredible power and she has no idea if she's up to the challenge Not only is Ru uncertain how to locate the portals she also knows she must defeat Thanatos the most powerful Reaper of all When he tells her he also has a mission and that involves killing her Ru's task becomes even more complicated She knows the son of Azrael the demon who commands all the Reapers will stop at nothing when it comes to hunting her down and putting an end to Ru's undertaking and her life Will Ru locate the portals and close them before Thanatos finds her
