John Bond

In The Pillory:

In the Pillory John Bond,2013-10 This is a new release of the original 1927 edition The Harleian miscellany; or, A collection of ... pamphlets and tracts ... in the late earl of Oxford's library Harleian miscellany,1808 *The English Reports: King's Bench (1378-1865)* ,1909 Public Piers Plowman C. David Benson,2010-11-01 Public Piers Plowman is divided into two parts The first is an extended essay on what Benson calls the Langland myth He traces the evolution of Piers scholarship and demonstrates the limitations of treating Piers as a direct expression of the poet s experience and intellectual views In the second part Benson offers an alternative history for the poem Benson approaches it from a broader public context using representative examples from vernacular writing parish art and civic practices He argues that Piers reached a wide contemporary audience because far from being an account only of the author s own life and opinions it was securely rooted in the common culture of its time and place Jacket *Memorials of London and London Life in the 13th, 14th, and 15th Centuries* Henry T. Riley,1868 *Memorials of London and London Life, in the XIIIth, XIVth, and XVth Centuries* City of London (England). Corporation,1868 **Memorials of London and London Life in the XIIIth, XIVth, and IVth Centuries** Henry Thomas Riley,1868 **Historical Notices of Events Chiefly in the Reign of Charles I** Nehemiah Wallington,1869 Historical Notices of Events occurring chiefly in The Reign of Charles I. Nehemiah Wallington,2020-09-23 Reprint of the original first published in 1869 Historical Notices of Events Occurring Chiefly in the Reign of Charles I. Nehemiah Wallington,1869 *Qualities of Mercy* Carolyn Strange,2011-11-01 Qualities of Mercy deals with the history of mercy the remittance of punishments in the criminal law The writers probe the discretionary use of power and inquire how it has been exercised to spare convicted criminals from the full might of the law Drawing on the history of England Canada and Australia in periods when both capital and corporal punishment were still practised they show that contrary to common assumptions the past was not a time of unmitigated terror and they ask what inspired restraint in punishment They conclude that the ability to decide who lived and died through the exercise or denial of mercy reinforced the power structure The essays are an important contribution to current public policy debates If today s move towards unyielding and harsher punishment proceeds including campaigns to reinstate capital punishment mercy alone will fail to neutralize the inequities of criminal justice Only profound cultural shifts and transitions of sensibility have the force to stem the tide of unprecedented punitiveness **The Encyclopaedia Britannica: Pay to Ree** ,1911 The Encyclopedia Britannica ,1911 *The Encyclopædia Britannica* Hugh Chisholm,James Louis Garvin,1926 **Encyclopedia Britannica** Hugh Chisholm,1911 *A Digest of the Laws of England* Sir John Comyns,1793 *Reports and Papers Read at the Meetings of the Architectural Societies of the Archdeaconry of Northampton, the Counties of York and Lincoln (etc.)* , Doidge's Western Counties' Illustrated Annual for ... ,1884 **Penal Practice and Culture, 1500-1900** Paul Griffiths,Simon Devereaux,2003-11-12 The English were punished in many different ways in the five centuries after 1500 This collection stretches from whipping to

the gallows and from the first houses of correction to penitentiaries Punishment provides a striking way to examine the development of culture and society through time These studies of penal practice explore violence cruelty and shame while offering challenging new perspectives on the timing of the decline of public punishment the rise of imprisonment and reforms of the capital code Medieval Literature and Historical Inquiry David Aers,2000 Historicist readings of the politics and ethics exhibited in a range of medieval texts including Chaucer Malory and the York Corpus Christi plays Critical historicist readings engage with the politics and ethics of selected medieval texts addressing a wide range of literature and topics of enquiry Langland Chaucer and the Pearl poet Malory and the York Corpus Christi plays chivalric cultures their forms of identity and mourning and the politics ethics and theology of some of the most fascinating writing in late medieval England Intended as a tribute to Professor Derek Pearsall andreflecting his major contribution to medieval literary criticism they are an important addition to the critical and historical study of the period DAVID AERS is James B Duke Professor of English and Professor of Historical Theology at Duke University
