God...the Grand Illusion Dr. Ronald Pleune,2022-08-29 The question is this what do we accept as the truth of what we believe in We take many things by mere faith but is faith the right path in putting our trust in a matter just because someone says so Do we dig into a matter with an open mind rather than prejudice and influences from others as we were growing up Does our relationship with others influence our perception of what is truth and what is not the truth Do we tend to accept something as truth because we don t have time or resources to check it out Or is it because of an emphatic speech by a cleric that proclaims the Bible is without error when in fact outside sources point to errors in dates events and even interpretation yet we close our eyes and ears because we ask How can this be Many times the excuse is made that if so many people believe in a particular biblical statement or condition then it can t be wrong Or can it Debate on biblical issues end up boggling the general populous and many just walk away from it with disgust won t deal with it or dogmatically hold a position of biblical inerrancy This brings us down to getting into the trenches of discovering the truth as ugly and contentious it may seem This

is especially true when ufology is brought into the picture especially when the topic of God or a God is introduced and examined in the light of various scientific disciplines

Hell's Half-Acre Susan Jonas,2023-03-07 One of NPR s Books We Love New York Times Book Review s The Best True Crime of 2022 Rich in historical perspective and graced by novelistic touches grips the reader from first to last Wall Street Journal A suspense filled tale of murder on the American frontier shedding new light on a family of serial killers in Kansas whose horrifying crimes gripped the attention of a nation still reeling from war In 1873 the people of Labette County Kansas made a grisly discovery Buried by a trailside cabin beneath an orchard of young apple trees were the remains of countless bodies Below the cabin itself was a cellar stained with blood The Benders the family of four who once resided on the property were nowhere to be found The discovery sent the local community and national newspapers into a

frenzy that continued for decades sparking an epic manhunt for the Benders The idea that a family of seemingly respectable homesteaders one among the thousands relocating farther west in search of land and opportunity after the Civil War were capable of operating a human slaughter pen appalled and fascinated the nation But who the Benders really were why they committed such a vicious killing spree and whether justice ever caught up to them is a mystery that remains unsolved to this day Set against the backdrop of postbellum America *Hell's Half Acre* explores the environment capable of allowing such horrors to take place Drawing on extensive original archival material Susan Jonas introduces us to a fascinating cast of characters many of whom have been previously missing from the story Among them are the families of the victims the hapless detectives who lost the trail and the fugitives that helped the murderers escape *Hell's Half Acre* is a journey into the turbulent heart of nineteenth century America a place where modernity stalks across the landscape violently displacing existing populations and building new ones It is a world where folklore can quickly become fact and an entire family of criminals can slip through a community's fingers only to reappear in the most unexpected of places **Hell's City** Ian Fortey, Ron Ripley, Scare Street, 2023-05-06 Death's highway leads Shane Ryan into his darkest case yet Barely surviving his last brush with evil ghost hunter Shane Ryan's investigation into the supernatural killings in Ontario takes him to Detroit A former police officer Wyatt Hawthorn's vindictive spirit is obsessed with vengeance and bloodshed And he's determined to make Shane's ally Detective Jacinta Perez his next victim Locked in a sinister game of cat and mouse with this undead madman Shane and Jacinta struggle to locate his victims before their life is snuffed out for good But as more blood is spilled the two begin to realize this killer may be more than they bargained for Hawthorn is building something a new kind of ghostly apparition Something more twisted and more evil than Shane had ever faced before And unless he can find a way to stop Hawthorn Jacinta may find herself trapped in a fate far worse than death *Hell's Around the Corner* Salomé Veder, 2017-10-02 Love is a fiery thing And when two souls collide that shouldn't it burns Sebastian St Claire is nothing but the consummate professional His job is to protect the daughter of a VIP client but instead he finds himself intrigued by her fiery personality and innocent beauty Marisa Rothman is studying for her master's degree at a small private college in Illinois As the daughter of a FBI agent whose life has been threatened for her safety she has been put under the protection of Seven Securities and under the eagle eye of Sebastian He is an enigma a man colder than ice and yet smolders from within Marisa senses something deeper in Sebastian that she can't ignore and it draws her toward him like a moth to the forbidden flame However the circumstances of the situation puts Sebastian in a precarious position for his deepening attraction to Marisa threatens to dismantle the carefully constructed walls he's built in his heart and possibly violate the oath of his duties to protect her with his body And nothing more But pure existence is never black and white and when two souls find each other and ignite there is no turning back No matter if the danger that still lingers threatens to return and with devastating consequences **Michael Scarlett** James Gould Cozzens, 1925 Set in Elizabethan England Michael Scarlett a well educated
