## **In The Shadows Of The Ark:**

**In the Shadow of Christ** Derek Joseph Wiertel, 2025-05-29 In the Shadow of Christ presents a fresh theological interpretation of nature's violent and suffering character as determined by God's self-interpretation in Jesus Christ. Grounded in the rich spiritual tradition of premodern natural theology, Wiertel retrieves a figural reading of nature that interprets the entire span of created existence through Scripture's symbolic landscape. This restored vision of the two books rooted in God's creative and redemptive word establishes an interpretive framework that sees all of creation, its beauty, its strangeness, and its tragedies through the creative dynamics of God's revelatory speech. In this essay, Wiertel critically embraces scriptural figuration with its profoundly Christocentric metaphysical orientation to offer a rich theological vision of creational suffering. By engaging Scripture and the natural world figurally and in critical dialogue with contemporary philosophy, ethics, and biology, Wiertel unfolds an expansive theological narrative. He maps creation's suffering within the mystery of Jesus Christ, inviting readers to see all of natural history as a divine gift ordered toward its eschatological transformation. **In the**

**Shadow of the Ark** Anne Provoost, John Nieuwenhuizen, 2004 Offers a look at the circumstances and events surrounding the building of Noah's ark and the great flood, focusing on the relationship between Re Jana, a young woman not chosen to be on the ark, and Noah's son Ham during their final days together. *Shadows of the Ark* James Bonk, 2022-09-12 Matthew Light

discovered his family's holy secret. But now that he is an Ark holder, dark forces have him marked. Evil knows no boundaries, coming for Matthew at his home, in the workplace, and in the church halls. With his best friend Jeremiah facing his own demons in Europe and his family's church locked in a legal battle, Matthew fights to survive the torturous attacks that pull him into a spiritual abyss. Matthew, J, and their entire church face destruction as evil forces strike. If they don't internalize the power they've recently discovered, they will suffer a fate worse than death. **Ever in Thy Sight** Abraham

Abraham, 2020-02-19 Experience the Psalms with Abraham Kuyper. Well known as a public figure and theologian, Abraham Kuyper was also like David, a man after God's own heart. His profound thought was energized by a vibrant faith. It is fitting that the Psalms, the anatomy of the human soul, inspired abundant meditation for Kuyper as he endeavored to apply Christ's Lordship to all of life. Translated and introduced by James De Jong, these thirty-one meditations on the Psalms reveal the devotion of a seasoned saint who remained faithful to his Lord. *Alive in Christ* Charles W. Price, 1995-02-01 Using several Old Testament types, Price explores the biblical principles for finding and renewing one's spiritual purpose and power.

**Living Waters or Broken Cisterns** Paul Veach, 2020-06-18 Substitution. This is the great sin of the Israelites in the Old Testament. In Jeremiah 2:13, God states that they had committed two evils: They had forsaken God, the fountain of living waters, and had replaced Him with broken cisterns which can hold no water. This is also the great sin of the Laodicean Church and the average church member in America today. God calls them wretched and miserable and poor and blind and naked. What happened? In both cases, the average believer had substituted the power of the Holy Spirit for acts of religion. In the

average church focus is on activity pounding ungodly rock music and excitement all of which gets the blood pumping and the heart beating fast but is a work of the flesh nonetheless God also called the Laodicean Church member lukewarm The actual temperature of lukewarm is 98 degrees near the natural body temperature Lukewarm is a production of the flesh in worship This book serves as both a warning and as a teaching tool to instruct honest seekers yearning to live a life in the power of the Holy Spirit It is not only necessary but is what God expects of a true Christian The choice is yours living waters or broken cisterns *The Marathon of Shadows* R. R. Martinez, 2010-05 Does love conquer all The Marathon of Shadows puts the idea to the test Two newlywed couples must make it across New York City fighting hit squads genetically altered creatures and the followers of Sam Love real love is the only thing that can save them the question is are they ready to give it all

**Return to God** Danson Enogiomwan Ubebe, 2013-03-01 Return to God is a rare resource for uncommon Bible knowledge It is one book which clearly identifies the Gospel of Grace as different from the tradition under the Mosaic Covenant and yet strings them together without mixing them up The book covers several areas of the Holy Bible that a great number of people shy away from It is written to give glory to God not to man In explaining the hidden biblical truth the book debunks several commonly held views about tithing fasting seed sowing who of the spirit soul and body is the real man and more It further clarifies what Jesus Christ meant by believe and who can be described as really born again The book shows that man without Jesus Christ and this world are themselves darkness and that re incarnation is a reality and not an eastern religion gimmick The coverage by the book is huge and deep In the end a brief account of the evolution of Christianity is added The book also shows that there is a connection between Jesus Christ and the Tree of Life Return to God which unearths several hidden meanings of the Holy Bible teaching will appeal to those who are interested in religion and are seekers of God and the truth of the gospel of grace Tabernacle Shadows of the "Better Sacrifices", 1914
