Photographs by Frédérique Duran. (Translated by Margaret Case.).* Régine Pernoud,Margaret CASE,Frédérique DURAN,1959      On the Path of the Crusaders Paul Lesourd,Jean-Marie Ramiz,1969      **The First Crusade** Peter Frankopan,2016-10-17 According to tradition the First Crusade began at the instigation of Pope Urban II and culminated in July 1099 when thousands of western European knights liberated Jerusalem from the rising menace of Islam But what if the First Crusade s real catalyst lay far to the east of Rome In this groundbreaking book countering nearly a millennium of scholarship Peter Frankopan reveals the untold history of the First Crusade Nearly all historians of the First Crusade focus on the papacy and its willing warriors in the West along with innumerable popular tales of bravery tragedy and resilience In sharp contrast Frankopan examines events from the East in particular from Constantinople seat of the Christian Byzantine Empire The result is revelatory The true instigator of the First Crusade we see was the Emperor Alexios I Komnenos who in 1095 with his realm under siege from the Turks and on the point of collapse begged the pope for military support Basing his account on long ignored eastern sources Frankopan also gives a provocative and highly original explanation of the world changing events that followed the First Crusade The Vatican s victory cemented papal power while Constantinople the heart of the still vital Byzantine Empire never recovered As a result both Alexios and Byzantium were consigned to the margins of history From Frankopan s revolutionary work we gain a more faithful understanding of the way the taking of Jerusalem set the stage for western Europe s dominance up to the present day and shaped the modern world      Crusade Propaganda and Ideology Christoph T. Maier,2000-02-24 This book first published in 2000 presents an edition of seventeen ad status model sermons for the preaching of the crusades from the thirteenth and early fourteenth centuries The majority of these texts had never been printed before publication of this book They are unique sources for the content of crusade propaganda in the later Middle Ages giving a rare insight into the way in which propaganda shaped the public s view of crusading during that period Accompanying the Latin texts is an English translation which is aimed at making these sources accessible to a wider circle of students and scholars The first part of the book consists of a study of these model sermons which focuses on their place in the pastoral reform movement of the thirteenth century their specific character as models for the use of crusade propagandists their internal structure and the image of the crusade conveyed in the texts      **The First Crusade** Thomas Asbridge,2012-01-26 A nuanced and sophisticated analysis Exhilarating Sunday Telegraph Nine hundred years ago one of the most controversial episodes in Christian history was initiated The Pope stated that in spite of the apparently pacifist message of the New Testament God actually wanted European knights to wage a fierce and bloody war against Islam and recapture Jerusalem Thus was the First Crusade born

Focusing on the characters that drove this extraordinary campaign this fascinating period of history is recreated through awe inspiring and often barbaric tales of bold adventure while at the same time providing significant insights into early medieval society morality and mentality The First Crusade marked a watershed in relations between Islam and the West a conflict that set these two world religions on a course towards deep seated animosity and enduring enmity The chilling reverberations of this earth shattering clash still echo in the world today Asbridge balances persuasive analysis with a flair for conveying with dramatic power the crusaders plight Financial Times *Crusaders* Arthur Paterson,1925 *Moonlight Crusade* Scott Kinkade,2021-07-13 College student Kyle Falconer s trip to New York City gets a bloody extension when his Christian group is brutally murdered by vampires Now undead himself Kyle is taken in by a sympathetic woman with the ability to see the future and she begins training him to defend himself against the madman who slaughtered his friends With a holy war looming on the horizon Kyle must gather allies to save the world while also dealing with Vatican vampire hunters and the undead Yakuza Contains graphic violence and strong language **The First Crusaders, 1095-1131** Jonathan Riley-Smith,1997 A detailed account of the circumstances and motives of the first crusaders *The Forgotten Crusaders* Mikolaj Gladysz,2012-03-02 This book investigates into the Polish participation in the Crusades to the Holy Land as well as the organisation of the campaign of preaching of the Cross and the collection of resources for the support of the Crusades by the Church By broadening the scope of enquiry to consider the application of the motifs of crusading against Poland s pagan neighbours local heretics or political opponents of the Church it provides conclusions which may interest the international reader Finally it shows the wider context of the Crusades looking at the influence of the crusading ideology on different areas of life in medieval Poland one of the countries of young Europe to use J K ocowski s term thus making an interesting contribution to our knowledge of European culture in the twelfth and thirteenth centuries Forgotten Crusaders being an attempt to take a wider look at the relationships between Poland and the crusading movement therefore has the potential to make a valuable contribution to the state of research **The Crusader** ,1922 The Churches of the Crusader Kingdom of Jerusalem: Volume 3, The City of Jerusalem Denys Pringle,1993 This is the third in a series of four volumes that are intended to present a complete Corpus of all the church buildings of both the Western and the Oriental rites built rebuilt or simply in use in the Crusader Kingdom of Jerusalem between the capture of Jerusalem by the First Crusade in 1099 and the loss of Acre in 1291 This volume deals exclusively with Jerusalem the capital of the Kingdom from 1099 to 1187 leaving the churches of Acre and Tyre to be covered in the fourth and final volume The Corpus will be an indispensable work of reference to all those concerned with the medieval topography and archaeology of the Holy Land with the history of the church in the Crusader Kingdom of Jerusalem with medieval pilgrimage to the Holy Places and with the art and architecture of the Latin East Lonely Planet Middle East Mark Elliott,İsmet Ersoy,Steve Fallon,Paula Hardy,Jenny Walker,Jennifer Hattam,Anthon Jackson,Ömercan Kaçar,Lauren Keith,Jessica Lee,Nidal Majdalani,Virginia Maxwell,Owen Morton,Jason

Steve Tibble draws on a rich array of primary sources to reassess events on the ground and patterns of behavior over time. He shows how from aggressive castle building to implementing a series of invasions of Egypt, crusader leaders tenaciously pursued long term plans and devoted single minded attention to clear strategic goals. Crusader states were permanently on the brink of destruction, resources were scarce and the penalties for failure severe. Intuitive strategic thinking, Tibble argues, was a necessity, not a luxury.
