You are God's Church Lorraine Holloway-White, 2016-08-02 We as individuals make up God's Church not buildings or religion People leaving religion also left God behind Why Can they come back to Him would they want to This is about good people from all walks of life coming together no matter beliefs or unbeliefs With or without God with or without religion It talks of uniting the world rather than keeping it divided as it is now It's a book of love peace and of coming together A coming together of all people no matter what race religion age size sex colour lifestyle preferences or anything else It also explores about supernatural gifts and how to test the spirits of those dead and living A subject the church refuses to acknowledge thereby pushing so many into false gods and spiritual practices This book is packed with far more than is able to be listed here but it is a book everyone should read if they want to make a difference to the world we see and live in today

The Universal Restoration Elhanan Winchester, 1844
