Reynaldo Pareja,2010-09-29 There are many good diaries written by pregnant women for pregnant women but a dairy written by an expecting father is not common Most men hide their feelings under the archetype of a strong tough guy They forbid themselves from expressing them even when the arrival of his fi rst son brings forth a wave of new and profound emotions This small book has that merit The author has allowed himself to write freely without shame the feelings that invaded his heart and mind while his wife shared with him the impressions emotions and experiences of the coming of their fi rst son a few years back He did this by writing letters to his unborn son telling him how he as a father to be was experiencing his wife s pregnancy In the process it became his experience of an expecting father There are many men too many who have not had the chance to confess to themselves nor to others what they have felt while their wives were pregnant Probably because they did not have a chance to refl ect consciously about such new emotions nor did they have a frame of reference of another man experiencing those feelings and expressing them This is the reason why this book may be helpful It offers to those expecting fathers a rich frame of reference which they can use to clarify their feelings They will fi nd out how common these emotions can be when they read in this diary how another man had similar responses **Fatherhood Stolen in Pittsburgh** Odell Peoples Jr,2011-09 **Open the Mind Heal the Heart** John Cappello,2016-11-04 Award winning author

The One Year Father-Daughter Devotions Jesse

Florea, Leon C. Wirth, Bob Smithouser, 2012-09-21 As girls enter their tween and teen years it s especially important for them to have an open and growing relationship with their father Unfortunately this is often the time when parental relationships are strained The One Year Father Daughter Devotions can foster communication and understanding and it s a wonderful way for a father to bond with his daughter during a crucial point in her life Each of the 365 devotions begins with an introductory story then daddy daughter time provides discussion questions activities or other practical applications of the daily lesson A

What s the Word section gives a related Bible verse to help bring God s Word alive as father and daughter apply the Scripture to their lives Written by three fathers the devotions have a tone that is conversational and relatable the authors use everything from flavored potato chips to the Etch A Sketch game to share truths about God s Word and to help fathers and daughters relate to each other *The Heart of a Dad* George Gibbs II,2018-02-07 The Heart of A Dad is an unfinished story of the journey of a dad who attempted to practice parenting through the grid of biblical Christianity It is a story about a young man who came out of a fractured and semi dysfunctional upbringing and discovered a path to functional parenting In this book dads are challenged to maintain strong vibrant relationships with their children through their engagement and their support of their childrens dreams Gibbs takes you through several stages in the parenting process from a very practical perspective and he attempts to show not only how he navigated through these different stages but he also shares with you the practical lessons learned from each of these parenting stages For example in chapter five where he discusses The Danger Zone he provides dads with eight practical steps for navigating this period of their childrens lives In part two Gibbs explores parenting through the lives of historical biblical characters and he draws parenting lessons for dads from these 12 characters He humanizes them and makes what was done thousands of years ago relevant in parenting today The foundational principles of The Heart of a Dad are discovered in his presentation of Lessons Learned from Enoch who was the father of Methuselah who was the oldest man of historic record he lived 969 years In part three Gibbs unveils parenting lessons as they are seen in the spiritual relationship between God the Father and his children He also explores the theology of God through the biblical relationship that exists between God the Father and His only begotten Son The Heart of a Dad is a fresh look at parenting from an experiential yet biblical perspective Young fathers can learn from the lessons of parenting without making the same mistakes that Gibbs and so many others made by not realizing that there are models that one can follow and that there are navigational maps and tools available for parenting
