threatening to jump off the town's bridge Values-Centered Entrepreneurs and Their Companies David Y. Choi, Edmund Gray, 2010-09-03 A new brand of entrepreneurs has arrived on the business scene carrying with them a whole new set of values. They possess a sense of mission to be socially responsible, protect the planet, and do the right thing for all of their stakeholders. Rather than focus exclusively on financial gain, they aim to achieve a balance between profits and one or more causes of their choosing. In fact, they view for-profit entrepreneurship as a vehicle for social change. The authors call these pioneers values-centered entrepreneurs. Some of the values-centered entrepreneurs have been around a few decades. In recent years, however, the numbers have proliferated, and the nascent movement has started to make a true impact. These entrepreneurs approach to management questions our basic assumptions about how businesses should be run and what their role should be in society. Several of these entrepreneurs have attained high visibility. Yvon Chouinard of sportswear manufacturer Patagonia has been a role model for integrating environmental protection to every aspect of Patagonia's business operation. Howard Schultz of Starbucks has been able to build one of the strongest brands in the world while being the first retailer to offer comprehensive health benefits and stock options to its part-time employees. Paul Newman, legendary actor and racecar driver, as well as a leading maker of salad dressings, gives 100% of Newman's Own brand's profits to charity. This book explores how these highly unorthodox leaders have built their profitable and socially responsible business enterprises and what lessons can be learned for the next generation of entrepreneurs. The authors examine a group of over 40 entrepreneurial companies and how each balanced the profit objective with social responsibility in key aspects of their business operation from their initial company formation through growth to exit to build successful triple bottom line companies. Choi and Gray particularly focus on how these firms' commitment to values affected their company missions, hiring, and organizational policies, marketing strategies, financial practices, exit options, and giving programs, and vice versa. In some cases, the authors find that the entrepreneurs' social objectives have actually strengthened, not weakened, their business enterprises. Based on their extensive studies of these companies, the authors have distilled a set of commonalities. The book presents ten of the most dominant and interesting of these commonalities with a focus on those policies and decisions that appeared to depart from conventional business practice. In addition to devoting chapters to each of the core principles learned from these companies, the authors also include in-depth case studies of four of the ventures featured in their study.

Love on a Frosty Morning Shanae Johnson, 2023-12-01 Two wounded hearts, one snowball fight, and a holiday season that changes everything. Cin Evergreen was the hometown softball star whose dreams were frozen by a career-ending injury. Now she coaches middle school kids and delights in spreading holiday cheer at her family's Christmas shop. But when it comes to love, she's always been more at home on the playing field than in the game of hearts. Derek Matthews is an ex-military sniper grappling with a life that's gone off target. Haunted by memories of a last deployment gone wrong and a shoulder injury that still nags him, Derek has returned to his small hometown seeking peace and a respite from the chaos of his past. But instead of

tranquility he finds himself unexpectedly in the line of fire when his sister drags him to Cin's Christmas tree lot. But it's not the holiday spirit that snags Derek's attention; it's the curvy shortstop. When Cin organizes a town-wide snowball fight, it's Derek who ends up in her sights. Sparks fly as they're pitted against each other in a frosty battlefield, and soon neither can deny the growing heat between them. But just as they start to find their rhythm, life throws a curveball that puts both their hearts on the line. Can Cin and Derek move past their injuries and insecurities to take a shot at love? Or will they be yet another casualty of the battles they've fought? Find out in this balling holiday battle where a Wounded Warrior and the town tomboy learn they don't have a snowball's chance of escaping the Christmas spirit. Love on a Frosty Morning is a part of the Honor Valley Holiday romances, a heartwarming small-town military romance series that explores the power of love, growth, and healing set during the most magical time of the year. These stories are short and sweet, the perfect length for an afternoon pick-me-up or an evening escape before bedtime.

The Haunting of Mississippi Barbara Sillery, 2011-09-08
Excellent provides well-researched history as well as reports of recent unusual phenomenon from the author of Biloxi Memories Southern Spirit Guide. The Hospitality State plays hosts to dozens of supernatural entities in this creep-tastic guide to the other side. Chilling accounts of poltergeist activity include such landmarks as the McRaven House, where spiteful spirits smack guests without warning, and an image of a Confederate soldier appears in contemporary photographs. A section on Anchuca in Vicksburg describes the vision of a woman in a fancy dress who floats through bedroom doors and the sound of dripping water without a source. Other establishments include Merrehope King's Tavern and the Williams Gingerbread House. Sillery eloquently describes the settings of her stories so I could easily visualize each of the places she writes about. At some points I was scared out of my bones. Jackson Free Press.

The 12 Days of Christmas Chaos Adam Spencer, Welcome to Hollybrooke, a charming little town where the Christmas spirit is as strong as the winter wind and just as unpredictable. Here the streets are lined with twinkling lights, the air is thick with the scent of gingerbread cookies, and the residents are a delightful mix of quirky characters, each with their own unique take on the holiday season. But let's be real, folks: The holidays are a rollercoaster ride of emotions. There's the joy of gift-giving, the warmth of family gatherings, and the magic of caroling under a starry sky. But there's also the stress of finding the perfect present, the awkwardness of navigating family dynamics, and the potential for things to go hilariously wrong. This book is a collection of 24 stories, each one a delightful peek into the lives of the residents of Hollybrooke as they navigate the joys and stresses of the festive season. So buckle up, grab a cozy blanket, and prepare to laugh, cry, and maybe even feel a little bit of holiday magic yourself. And remember: even the most chaotic Christmas can be a wonderful one as long as you have the right people, a good dose of laughter, and a whole lot of holiday cheer.

Keys to Bonhoeffer's Haus Laura M. Fabrycky, 2020-03-24
In Keys to Bonhoeffer's Haus, Laura M. Fabrycky, an American guide of the Bonhoeffer Haus in Berlin, takes readers on a tour of Dietrich Bonhoeffer's home city and world. She shares the keys she has discovered there: the many

sources of Bonhoeffer's identity his practices of Scripture meditation and prayer his willingness to cross boundaries and befriend people all around the world that have unlocked her understanding of her own life and responsibilities in light of Bonhoeffer's wisdom Keys to Bonhoeffer's Haus tells his story in new ways and invites us to think beyond him into our own lives and civic responsibilities Fabrycky shows readers how to consider what befriending Bonhoeffer might mean for us and the ways we live our lives today Ultimately through her transformative tour of Bonhoeffer's Berlin she inspires readers to discover and embrace responsible forms of civic agency and loving sacrificial action on behalf of our neighbors **Primary Education**, 1913

America'S Favorite Recipes the Melting Pot Cuisine Uma Aggarwal, 2016-11-10 America is called a melting pot of all cultures As the immigration of different cultures continue to flood this land of opportunity a revolution is taking place in the fusion of their cultures and cuisines This transformation has been very prominent in the last 50 years and it is clearly visible in the emerging American cuisine Practically this cuisine has fused to become a spectacular global cuisine In my book I am not only giving the recipes that we love so dearly but also tried to emphasize the history and origin of these recipes and describe the use of healthful ingredients and spices to prolong your life We have to watch what we eat I am trying to bring this point to the attention of the reader that according to ancient Indian treatises and modern scientific research it is established that the use of spices is not only for taste but it is for their hidden meaning They have anti carcinogenic properties and their use is very important to maintain a good healthy lifestyle Americans are heavily ridden with obesity heart diseases diabetes breast cancer and many other diseases Being an American East Indian pioneer with my east Indian wisdom of Ayurvedas my idea is to make these exotic recipes as healthy as possible by using these spices I have also tried to capture and write the history and origin of these recipes My basic point of view is that to make the food delicious use fresh ingredients herbs and spices and do not try to over load them with various cheeses creams sugars and lards to make them delicious You are what you eat Most of these foreign recipes have historical dimensions and origin They have now shaped themselves gradually to suit the American pallet and have become an integral part of American cuisine We can make them equally delicious by wisely using healthful ingredients In order to make these books interesting and enjoyable they are written with easy step by step instructions I am hopeful that these books Americas Favorite Recipes Part I Part II and Part III will soon become your favorite coffee table books as well as your recipe books **Eastover Court House** Henry Burnham Boone, Kenneth Brown, 1901

Houses of Key West Alex Caemmerer, 1992 Key West is an architectural treasure trove of houses built in the 19th century *Christmas Past* Brian Earl, 2022-11-01 Behind every Christmas tradition is a story usually a forgotten one Each year as we decorate a tree build a gingerbread house and get ready for a visit from St Nicholas we re continuing generations old narratives while being largely unaware of their starting chapters But knowing how these traditions began adds a new level of depth to our Christmas spirit as well as an arsenal of anecdotes to share at Christmas parties Christmas Past The Fascinating Stories Behind Our Favorite Holiday's Traditions reveals the surprising quirky

mysterious and sometimes horrifying stories behind the most wonderful time of the year With 26 short chapters it s a festive digestible Advent calendar of a book Covering traditions ancient and modern Christmas Past is filled with stories of happy accidents cultural histories criminal capers including tomb raiders and con artists and hidden connections between Christmas and broader social economic and technological influences How did the invention of plate glass forever change the Christmas season What common Christmas item helped introduce fine art to the masses Why do Americans typically spike their eggnog with rum rather than the traditional brandy And speaking of booze does using the phrase Merry Christmas mark you as a drunken reveler Christmas Past answers all of those questions and many more **The Wildwood Magazine**

,1916 **Key West Gardens and Their Stories** Janis Frawley-Holler,2000 Enjoy beautiful views of the islanders sanctuaries as well as fascinating stories and histories of the grounds where gardens now grow Venture off the beaten track and follow this garden path throughout the island of Key West [Adventures in Faith & Family](#) Susan Lukey,2021-09-01 Adventures in Faith Family offers practical intelligent loving spirit filled wisdom for those looking for a friend who will guide them with faith as they pursue their own adventure of being a family Delving into the multiple scenarios of a child s life Susan Lukey has drawn on years of research and her own experiences as teacher minister youth leader and parent to reveal how families can sensitively and faithfully support and nurture a child s growth to become all that God has created them to be *Fables of the Law* Daniela Carpi,Marett Leiboff,2016-10-24 The latest development concerning the metaphorical use of the fairy tale is the legal perspective The law had and has recourse to fairy tales in order to speak of the nomos and its subversion of the politically correct and of the various means that have been used to enforce the law Fairy tales are a fundamental tool to examine legal procedures and structures in their many failings and errors Therefore we have privileged the term fables of the law just to stress the ethical perspective they are moral parables that often speak of justice miscarried and justice sought Law and jurists are creators of fables on the view that law is born out of the facts ex facto ius oritur so that there is a need for narrative coherence both on the level of the case and the level of legislation or turned the other way around what does it mean if no such coherence is found This is especially of interest given the influx of all kinds of new technologies that are fabulous in themselves and hard to incorporate in traditional doctrinal schemes and thus in the construction of a new reality
