School for Adults give me a second chance in spelling I thank them very very much in doing great work in teaching others The poems were written through the experiences of life peoples love for others birthdays and the experience that my parents had raising eight children I THANK EVERY ONE THAT INSPIRES ME      **Legends from the Forest** Thomas Fiddler,1985 Collection of stories told primarily by Chief Thomas Fiddler of the Sucker clan at Big Sandy Lake The legends reflect a tradition of life in the boreal forest prior to the introduction of Judaeo Christian concepts of life Illustrations are by six well known native artists      **Traditional Narratives of the Rock Cree Indians** Robert Brightman,2007 First published in 1980 by the Canadian Museum of Civilization this study presents narratives from different genres of Rock Cree oral literature in northwestern Manitoba together with interpretive and comparative commentary The collection comprises narratives of the trickster transformer Wisahkicahk animal human characters spirit guardians the wihtikow or cannibal monster humorous experiences sorcery and early encounters with Catholicism      **Before the Roads, Before the Mines** Robert Jarvenpa,2024-10 Before the Roads Before the Mines is a narrative based ethnohistory of a Denesu in community also known as the Chipewyan Keseyhot ine or Poplar House People The discovery of high grade uranium deposits in northern Saskatchewan Canada in the mid to late 1970s ushered in an era of mining and roadbuilding that largely replaced the traditional livelihoods of these subarctic hunter fishers with wage labor in mining construction and related industries The advent of new communications technologies and consumer goods and a road to the outside world created ruptures in the social fabric of the community Robert Jarvenpa highlights the historical experiences of middle aged and older individuals who vividly recall a time before the roads and mines existed when young and old alike spoke the Denesu in language and when entire families lived in a seasonally nomadic fashion in the bush They continually invoke the past in the problematic present a ritualized form of communication integral to resisting or adapting to the erosive changes of a rapidly industrializing resource extraction frontier Jarvenpa showcases the spoken words of the Denesu in informants as a means of documenting and interpreting their historical past in the face of contemporary peril as the subarctic permafrost recedes and multinational corporations eye Indigenous lands for their minerals      **Swiftly** Irv Burnett,2018-03-14 This is a story about a young man who people say was the greatest defensive back in the history of football whom no one really ever knew He had the love and compassion and all the physical tools accompanied with a tremendous amount of courage of any man who ever played the game Unfortunately though like so many others in life circumstances out of his control and some in his control caused him to detour from his dreams and lifetime goals But he was one hell of a football player who could do anything on the field as a defensive back Some say that he could almost fly He even developed technical skills that some coaches use today Through all his ups and downs he never lost his values or morality He just played the game that he loved dearly Some people say there was no one better at the cornerback position than Swiftly Some women say there was no one better at other things I highly recommend the reading of this truly great and true story to any young man who thinks he has what it takes to play the corner
