You Ain't Gonna Believe This But... Stanley S. McGowen, 2004 This collection of short stories is intended to illustrate a more humorous glimpse of a soldier's life in Vietnam It's of the times when boredom and a fertile imagination often lead to amusing situations rather than the blood and guts of combat All the narratives in this book save one are true or at least were presented to the author as fact Some are without a doubt true as they happened to the author Other Vietnam veterans related the remainder of the yarns swearing that each and every detail was unquestioningly genuine We all know that combat veterans do not lie but their memories may nevertheless recall their experiences slightly altered from actual events Perusing these stories the reader might logically conclude that ego or passing years might just possibly influence a few of the bone chilling tales GI's live through numerous happenstances that are not heroic but are embarrassing or mundane No matter how cynical a GI becomes some events maybe only in retrospect are viewed as ironic or downright funny These random experiences are what the book are about
