English Verse 1830 - 1890 Bernard Richards, Alastair Fowler, Brian Richards, 2014-09-25 This popular anthology provides a collection of the most significant Victorian verse xxx including some minor figures notably John Clare Emily Bronte and James Thomson Fully annotated this collection contains introductions to individual poets headnotes to the poems and full and informative footnotes It represents Victorian poetic taste at its best and is the ideal companion for everyone interested in poetry of the period **Odes of Anacreon. Revival: English Poetry: An unfinished history (1938) John Drinkwater, 2018-05-08 When a Poet writes poetry he can scarcely fail to interest And the author of this posthumous volume was not only a poet but no mean critic too As a result his approach to English Poetry is not a work of merely casual interest it is illuminating No one could fail to be enriched and delighted by its discriminating enthusiasms its happy quotations and the no less happy judgements discoveries definitions and phrases which it gives us The historical portion is contained in the latter half which deals with its subject in a discursive way from the beginnings to Elizabethan times where the author stopped in the middle of a sentence This premature ending is deeply regretted But fortunately for us the first five chapters are devoted to general and personal observations and are so full of references to the intervening and modern periods that we can genuinely claim to have here a fair impression of

Drinkwater's view of the whole panorama of English Poetry The Little Dauphin Catherine Welch, 1908 **Class-book of English poetry** English poetry, 1866 Reliques of Ancient English Poetry Thomas Percy, 1927 **Old English Poetry:**

Chaucer's Canterbury Tales Thomas Wright, 1860 The Satires, Translated Into English Verse by J. Dryden ... Together with the Satires of Aulus Persius Flaccus Made English by Mr. Dryden Decimus Iunius Iuvenalis, 1693 *The English Poets* Thomas Humphry Ward, 1880 *William Webbe, 'a Discourse of English Poetry' (1586)* Sonia

Hernández-Santano, 2016-03-04 William Webbe's A Discourse of English Poetry 1586 is the first printed treatise exclusively dedicated to devising a canon for the definition of poetry in England Traditionally eclipsed by the academic centrality of Philip Sidney's The Defence of Poesy c 1580 published 1595 and George Puttenham's The Art of English Poesy 1588 it was last prepared in a scholarly edition by Gregory Smith in 1904 This volume presents a modern spelling text and a critical

apparatus derived from the collation of the first printed document with subsequent editions The explanatory notes incorporate recent research on Elizabethan literary theory and aim at substantiating Webbe s contribution within the academic and literary spheres of sixteenth century England A Discourse offers an enlightening testimony of the main concerns of Tudor humanism and it also sheds light on the ideological foundations of the acclaimed quantitative reformation of metre launched by Sidney Harvey Spenser and other contemporary scholars **The troubadour: selections from English verse. Ed. by P. Gibbs** Philip Gibbs,sir Philip Armand H. Gibbs,1900
