**Lessons in Development** Seiji Naya,1990      **Lessons in Development** Seiji Naya,1989      **East Asia and Latin America** Peter H. Smith,□□□□,Shōji Nishijima,2003 Focuses on two broad themes economic and political connections between East Asia and Latin America and similarities and differences in developmental paths and public policies      *Political Conflict and Development in East Asia and Latin America* Richard Boyd,Galjart Benno,Tak-Wing Ngo,2007-01-24 Long run processes of socio economic change generate prodigious problems of social conflict and social control and governments responsible for these processes must therefore manage the resultant conflict Consequently the success or failure of a government s management of such conflicts is a crucial factor in development outcomes This volume investigates the political struggle for development specifically in two vital regions East Asia and Latin America This analysis calls into question the dominant emphasis on institutional and cultural bases for stable growth A careful historical account of the two regions is presented which permits the rigorous testing of conventional wisdoms regarding development Of importance to a broad range of academics in the spheres of development studies politics political economy and sociology this book will also make an interesting read for those with a general interest in these areas      Book Review of Lessons in Development : a Comparative Study of Asia and Latin America, Seiji Naya ..., San Francisco, Internat. Center for Economic Growth, 1989 Rolf J. Langhammer,1991      Introduction to International Political Economy David N. Balaam,Bradford Dillman,2015-07-17 A complete and accessible overview of how politics and economics collide in a global context This text surveys the theories institutions and relationships that characterize IPE and highlights them in a diverse range of regional and transnational issues The bestseller in the field Introduction to International Political Economy positions students to critically evaluate the global economy and to appreciate the personal impact of political economic and social forces      **The Emerging Technological Trajectory of the Pacific Rim** Denis Fred Simon,1995 Analyzes the changes engendered in the global political economy by the rise of the Pacific Rim economies Topics include technology and industrial development in the region technology transfer patterns in Pacific Asia an analytic framework for measuring technological development and technology strategies in countries including Korea Singapore Malaysia Indonesia and Japan Annotation copyright by Book News Inc Portland OR      The International Political Economy of Transformation in Argentina, Brazil and Chile Since 1960 E. Pang,2002-09-06 This book is about how the three most important countries in South America have responded to the challenges of globalization since the mid 1960s the first OPEC price hike the Third World debt crisis leading to the lost decade for the continent and finally bold but often ill planned neo liberal reforms of the 1990s Latin America will experience another cycle of structural changes in the coming decades as the reforms of the 1980s and 1990s failed to produce the desired effects social justice fair income distribution sustainable growth and consolidation of democracy      Development Strategies in East Asia and Latin America Akio Hosono,Neantro Saavedra-Rivano,1998-07-15 A fresh insight on the unequal

impact of development policies in East Asia and Latin America Written by economists and political scientists from Brazil Chile Korea Japan Malaysia and the US chapters share a political economy perspective and are the result of collaborative work coordinated by researchers at the University of Tsukuba Japan In addition to chapters on particular countries and on broad subjects there are three chapters presenting detailed comparisons of pairs of countries Brazil and Korea Indonesia and Mexico Chile and Malaysia      **University of Michigan Official Publication** University of Michigan,1974 Each number is the catalogue of a specific school or college of the University      **The Battle for Asia** Mark T. Berger,2004-03-01 Asia has long been an ideological battleground between capitalism and communism between nationalism and Westernisation and between the nation state and globalization This book is a history of the Asian region from 1945 to the present day which delineates the various ideological battles over Asia s development Subjects covered include theories of development decolonization US political and economic intervention the effects of communism the end of the Cold War the rise of neo liberalism Asia after the crisis Asia in the era of globalisation Broad in sweep and rich in theory and empirical detail this is an essential account of the growth of Asian miracle and its turbulent position in the global economy of the twenty first century

**Latino Studies** ,1992      **Asia-Africa Development Divergence** David Henley,2015-02-12 Why have South East Asian countries like Malaysia Indonesia and Vietnam been so successful in reducing levels of absolute poverty while in African countries like Kenya Nigeria and Tanzania despite recent economic growth most people are still almost as poor as they were half a century ago This book presents a simple radical explanation for the great divergence in development performance between Asia and Africa the absence in most parts of Africa and the presence in Asia of serious developmental intent on the part of national political leaders      **Bulletin MLSA** University of Michigan.
