

Saxophone 1

INTRODUCTION

Welcome back to FastTrack®!

Hope you enjoyed *Saxophone 1* and are ready to play some hits. Have you and your friends formed a band? Or do you feel like soloing with the audio? Either way, make sure you're relaxed and your fingers limber....It's time to play!

With the knowledge you already have from *Saxophone 1*, you're ready to play all eight of these great songs. But it's still important to remember the three P's: **patience, practice and pace yourself.**

As with *Saxophone 1*, don't try to bite off more than you can chew. If your lips tire, take some time off. If you get frustrated, put down your sax and just listen to the audio. If you forget something, go back to the method book and learn it. If you're doing fine, think about booking time at a local recording studio!
