**Exploding Church** Frederick Franck, 1968      **Church Refugees** Josh Packard, Ashleigh Hope, 2015-06-01 They recalled The Dones After devoting a lifetime to their churches they're walking away Why Sociologists Josh Packard and Ashleigh Hope reveal the results of a major study about the exodus from the American church And what they've discovered may surprise you Church refugees aren't who you'd expect Among those scrambling for the exits are the church's staunchest supporters and leaders Leaving the church doesn't mean abandoning the faith Some who are done with church report they've never felt spiritually stronger The door still remains open a crack Those who've left remain hungry for community and the chance to serve and they're finding both Sifting through hundreds of hours of in-depth interviews Packard and Hope provide illuminating insights into what has become a major shift in the American landscape If you're in the church discover the major reasons your church may be in danger of losing its strongest members and what you can do to keep them If you're among those done with church look for your story to be echoed here You're not alone and at last you're understood Share your story at TheDones.com      *The Living Church*, 1967      *Jet*, 1966-01-27 The weekly source of African American political and entertainment news      Evangelism Explosion D. your list by the number of people who attend church with you Is it any wonder pastors are overwhelmed and underappreciated They re expected to know every member by name preach a home run sermon every Sunday condemn sin without hurting anyone s feelings and be available to serve others 24 7 while not neglecting their own family The intensity of these expectations and lack of appreciation can and does bring the majority of pastors to a place of despair and ultimately departure from pastoral ministry This practical field guide offers tangible ways to better understand and care for the pastor who cares so deeply about you *Great Risks Had to be Taken* Patrick J. Howell,2019-02-19 The renovation of the Jesuits after the Second Vatican Council has been a sign of hope and a cause for consternation Especially during the turbulence right after the Council the Jesuits were in the eye of the storm In this historical memoir Patrick Howell gives personal insight into how the Council impacted the Society of Jesus and precipitated a radical rethinking of the mission of the Jesuits today The Council mandated a return of religious orders to the vision of their founders The Jesuits fortunately had a strong charismatic founder in St Ignatius of Loyola with a rich religious and intellectual tradition By rediscovering their spiritual heritage and restructuring their mission around the signs of the times and the needs of the world the Jesuits were able to move adroitly into the twenty first century as a continuing dynamic force for the Church and for the world Fr Howell brings a unique personal perspective to the nature and style of the Church prior to the Council and an insider s view throughout his fifty seven years as a Jesuit in which he has met many of the personages witnessed all the changes and been a direct participant in many of them **The Assemblies of God at the Crossroads** Margaret M. Poloma,1989 *Home Cell Group Explosion* Joel Comiskey,2023-03-08 Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost He found the answers and freely shares them within this volume If you are a pastor or small group leader you should devour this book It will encourage you and give you simple practical steps for dynamic small group life and growth My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their leaders and record his findings I love this book because it focuses on the multiplication of cells for the greatest evangelistic results C Peter Wagner Author Scholar and Church Growth Expert Comiskey does not just describe what is happening in cell churches He takes the next step and identifies in a step by step fashion how we can apply these principles in our churches It is all here everything we need to know to start and grow a cell group ministry I am grateful to Dr Comiskey for the time effort and research that has gone into producing this long needed book Richard Peace Ph D Professor of Evangelism and Spiritual Formation Fuller Theological Seminary Joel and I shared many days in Bogota as this book was written His grasp of cell church models is superior to any other person I have worked with this book is a treasure of information for church planters and pastors wishing to transition to the cell model Ralph W Neighbour Jr Author and Pioneer

Church Planter      **Famine in the Land** Steven J. Lawson, 2003-07-01 Steven Lawson understands how important it is to feed God's people from His Word. He is concerned that what started as a genuine attempt to attract a broader hearing by moving away from Scripture has grown into a crisis in the church. He is convinced that we must return to expository preaching, the man of God opening the Word of God and expounding its truths so that the voice of God may be heard, the glory of God seen, and the will of God obeyed. Lawson calls the church back to Scripture to restore its commitment to let God's own words speak.

**Good News and Good Works** Ronald J. Sider, 1999-03 Concerned to promote an authentic biblical faith, this book suggests ways to combine evangelism with social action for effective witness in today's world.

**Leadership Explosion** Joel Comiskey, 2022-11-10 This book has been completely revised in 2022. Notice what others have said about this book. If your groups need more leaders, this book is for you. Dr. Comiskey demonstrates how effective churches develop leaders. Then he shows you how to do the same by outlining the principles of leadership development that will work in any church. This book will revolutionize your future ministry.

C. Peter Wagner, Chancellor, Wagner Leadership Institute. Many thanks to Comiskey for a helpful and practical book. Many church growth strategies work in the short run, but only leadership multiplication creates ongoing kingdom expansion. This book communicates biblical, proven, and effective principles. My advice to you: Eat this book. Let it shape your heart, your vision, and strategy.

Jim Egli, Author, Pastor, and TOUCH Trainer. Joel Comiskey shares insights as a leader who has himself raised up numerous leaders. From how to recognize potential leaders to cell leader training to time-tested principles of leadership, this book has it all. The accurate comparisons of various training models make it a great resource for those who desire more leaders.

Great book, Billy Hornsby, National Director, Bethany Cell Church Network. Comiskey provides an inspiring panoramic view of leadership in this book. The concluding chapters, which outline the guidelines, models, and principles for training effective cell group leaders, will prove especially helpful to churches that are seeking to deal with leadership issues.

Karen Hurston, Hurston Ministries. Once again, Joel Comiskey has provided a book that answers the questions of those in the cell church movement. I read the manuscript with pen in hand, underlining so many sentences that few were left untouched. This book will be an excellent reference for cell leaders and might well be incorporated into their ongoing training.

Ralph W. Neighbour Jr., Founder, TOUCH Outreach Ministries. Joel has the divine ability to take vital kingdom information compiled from throughout the body of Christ and boil it down so churches can clearly understand and practically apply these truths. I highly recommend this book for everyone who is serious about training leaders for the harvest.

Larry Kreider, International Director, DOVE Christian Fellowship International.

**Carry Me Home** Diane McWhorter, 2001-06-29 Now with a new afterword, the Pulitzer Prize-winning dramatic account of the civil rights era's climactic battle in Birmingham as the movement led by Martin Luther King Jr. brought down the institutions of segregation. The Year of Birmingham, 1963, was a cataclysmic turning point in America's long civil rights struggle. Child demonstrators faced down police dogs and fire hoses in huge nonviolent marches against segregation. Ku Klux Klansmen
