Exploring The Parables:

Discovering the Parables Henry G. Covert, 2007-12-30 Long before there were printing presses copy machines and email societies used storytelling to convey beliefs history and traditions This practice preceded the ministry of Jesus and continues today in many cultures But Jesus was a master of storytelling His words provide many with guidelines and a road map for living Using familiar imagery found in nature and other recognizable sources he engaged his listeners with lessons that confronted every aspect of their lives providing the tools for self examination and change Speaking in parables however sometimes caused confusion for his listeners and readers today may wonder what exactly he meant and how his words apply to everyday life This book looks at each of Jesus s parables explaining the key points the central themes and the meanings we can take away from the stories By considering each parable in depth the author helps readers come to a better understanding of the teachings of Jesus and what they mean for our lives *Exploring the Parables* Eugene S. Wehrli, 1963

Exploring Parables in Luke Cheri L. Pierson, Will Bankston, Marilyn Lewis, 2014-11-01 It is no easy task to move from a general proficiency in English to navigating the specialized English so often used in theological resources In addition to linguistic challenges theology students with English as a second language encounter difficult concepts and different ways of thinking In response *Exploring Parables in Luke* aims to help such students engage with theological literature more effectively Chapter by chapter as students work through the theologically rich explorations of Jesus parables they will grow in their proficiency of both English and theology As a result students will not only have a greater ability to access English language theological libraries but also contribute to them *Exploring the Financial Parables of Jesus* Keith Bodner, 2025-09-09 Storytelling is a powerful and effective means of communication a truth Jesus knew and used to great advantage in his parables Many of the plots in these parables involve financial matters They teach about God s perspective on money resources and their use but further they teach profound spiritual truths about the kingdom of God This kingdom operates according to a different kind of economy wherein relationships love and serving others take precedence over accumulating wealth and possessions Taken together the parables examined in this book paint a picture of divine generosity and grace in both the financial and spiritual realms This in turn challenges readers to reexamine their priorities and how money and possessions can be used for the kingdom The author brings his expertise in literature and biblical studies to bear in a fresh examination of the nature of parables and their interpretation in general and of a number of Jesus s prominent parables with financial themes all with an eye toward contemporary application He does so without scholarly jargon making this accessible book ideal for both undergraduate courses on the Gospels and for church leaders and groups *Parables on Prayer (Exploring Prayer)* Anthony Pitta, 2024-10-17 What characterizes in a singular way Jesus s teaching on prayer is the recourse to parables Jesus did not invent a new system for praying Jesus was not a hermit a Buddhist monk or a yogi He instead chose the daily life of his people to teach prayer with parables This book explores the parables in the Gospels

explicitly related to prayer with Jesus as your guide In preparation for the Ordinary Jubilee of 2025 the Exploring Prayer series delves into various dimensions of prayer in the Christian life These brief accessible books can help you learn to dialogue with God and rediscover the beauty of trusting in the Lord with humility and joy [The Parables](#) Paula Gooder,2020-09-30 The third volume in the Biblical Explorations series from bestselling New Testament writer Paula Gooder explores a major exponent of the Gospels the parables of Jesus It considers why Jesus spoke in pictures and opens up the world behind the parables to reveal just how striking memorable and challenging they were for their original hearers
