Exploring Genesis An Expository Commentary:

Exploring Genesis John Phillips, 2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *Exploring Genesis* John Phillips, 1980 **Exploring genesis**, 2016 The Crimson Path Robert D. Finley, 2016-03-08 Have you ever wondered why John the Baptist introduced Jesus Christ as the Lamb of God Why not introduce Him as the promised heir to the throne of King David Why is a crimson path essential for the plan of redemption This book will answer these questions and take the reader on a journey through the ages This journey will reveal the foreshadows that foretell the redemptive mission of the Lamb of God In this exposition the foreshadows recorded in the Old Testament will be identified and the resemblance of each foreshadow will be correlated with the plan of fulfillment recorded in the New Testament A Devotional Guide Through the Book of Genesis Mike Newberry, 2021-03-16 This book started out as devotionals written weekly for a Sunday school class I teach a young adult Sunday school class and I regularly challenge them to develop the discipline of a daily quiet time In hopes of removing any and all excuses I provided them with these devotionals During the week I would study and write five devotionals then I would provide these each Sunday I would explain that they only needed five devotionals because if they came to church on Wednesday and Sunday that would take care of the other two days This book is not meant to be any kind of a commentary on the book of Genesis How I approached this each week was I read Genesis every day and I stopped at every place where I received a thought I would then take out my books on Genesis and study the passage and I would write a short devotional My hope for this book has not changed since they were originally written I still hope these devotionals will inspire you to develop the important discipline of a daily quiet time Maybe you've read the story about Mary and Martha in Luke 10 38 42 Jesus used three words to describe Martha He said she was cumbered in verse 40 The basic meaning of this word is that Martha was distracted How easy it is to lose focus on all the important things He said she was careful in verse 41 The basic meaning of this word is that she was anxious He said she was troubled in verse 41 The basic meaning of this word is to be worried to the point of disturbed How many do these words describe them Jesus said one thing was needed and Mary had chosen it Just sit at Jesus's feet *Genesis...flooding the earth* David M. Steimle, 2014-04-07 This book is the Second in the Genesis series It is a resource for biblical students history buffs or those who like to read In this single volume grouped together is a Interlinear Hebrew accompanied by an English equivalent a translation with notes on the discussion of each verse and ancient related texts from Egyptian Sumerian Akkadian Chaldean Ugaritic Greek and other biblical verses that related to the chapters 4 10 of Genesis It was our hope to introduce the world text and discussion on Genesis chapters four through ten to any reader We have taken into consideration Jewish Christians and Secular Scholarship in this production We address issues of the valuing Genesis life out of the Garden of Eden genealogies the table of nations and Noah's flood
