Hermeneutics And Language In Purva Mimamsa A Study In Sabara Bhasya:

Hermeneutics and Language in Purva Mimamsa Othmar Gächter,1990 This critical investigation into Sabara's realism shows satyam as the real coincidence between reality and language Sabara's statement Sabda speaks it makes known is the key to language Language by its very nature neither objectifies nor subjectifies the status of reality It presents through Sabda what it really is Hermeneutics sustains this intrinsic function of language It aims at overcoming the lack of understanding This Indian approach asserts hermeneutics as experience in which man participates fully in reality and language as one whole Genuine hermeneutics is thus the real response to what really is and that includes also the response to actual life

inquiries have stimulated creative responses to the opportunities and problems that shape our experiences But the responsiveness of inquiry to its respective concerns can only grow according to the dimensions of the conversation underwriting the inquiry itself With its comparative and interdisciplinary approach Comparative Philosophy Today and Tomorrow Proceedings from the 2007 Uehiro CrossCurrents Philosophy Conference creates a space for juxtaposing philosophical views on shared themes thereby stimulating fresh insight into issues of contemporary significance From self cultivation to global justice from environmental ethics to the interrelation of religion and science this collection of essays highlights the central role of philosophy and comparative philosophy in particular for understanding and appreciating the connections and discontinuities of East and West if you will of past present and future **Philosophy East & West** ,1985
