Fiance For Christmas:

Fiancé for Christmas Catherine George, 2010-11-15 'Tis the season for deception and desire in this merrily mischievous romance from the USA Today bestselling author Cassie Lovell had good reason to resist Nick Seymour's rakish good looks and matching charm. But that was easier said than done when it seemed that the only way to calm a family crisis at Christmas was for Cassie and Nick to pretend to be engaged. Well, Nick decided it was and Cassie knew she must go along with him for the sake of their two little nieces. If she didn't, Alice and Emily might have their Christmas ruined. If only Nick wasn't insisting that his mistletoe make believe with Cassie look as convincing as possible. Complete with kisses and a ring. Pretty soon she found herself wishing it was for real after all.

Fake Fiance For Christmas Carol Burnside, 2022-09-29 Faced with a broken engagement due to her guarded heart and her family expecting to meet her fiancé during the first Christmas without her, Gran Lia Taylor decides to take her friend's advice. She'll take a fake fiancé home for Christmas. Ryan Barton grew up in foster homes, unaware he had a family until he met his grandmother at sixteen. Lia's offer of a noisy family Christmas with a big, elaborate meal sounds like heaven, even the part about pretending to be her fiancé. As Lia and Ryan get to know each other and practice casual touching, hugs, and kisses, their feelings grow. They decide to try for a real relationship with the promise that when either of them withdraws due to old fears, the other will pull them back. But what will save them when they both withdraw in fear? Are their recent feelings strong enough to save their new relationship, or will they hide within the safety of their guarded hearts?
