Modernity rethinks existing cultural debates about suburbia in Australia and elsewhere by putting novelistic representations of suburbs suburban interiors homes streets forms and lives over time in dialogue with the often negative idea of suburbia in fiction as an amnesic and conformist cultural wasteland Suburban space the novel and Australian modernity shows in other words how Australian novels dramatize the collision between the sensory terrain of the remembered suburb and the cultural critique of suburbia It is through such contradictions that novels create resonant mental maps of place and time Australian novels are a prism through which suburbs as sites of everyday colonization defined by successive waves of urban development are able to be glimpsed sidelong *Artbibliographies Modern* ,1999 *Australian Limited Edition Art Books* Robert Holden,1984 **Australian National Bibliography** ,1984 **Australian Book Review** ,1992 *Joint Volumes of Papers Presented to the Legislative Council and Legislative Assembly* New South Wales.
