Fifty Two Years A Newsmen:

Fifty Years a Journalist Melville Elijah Stone, 1921 **Aren't You That News Man?** Gary Stromberg, 2008-11 Aren't You That News Man is a journey through the fascinating career of television reporter Gary Stromberg. Gary takes us behind the scenes and introduces us to a wacky group of characters who somehow managed to get newscasts on the air every night. He writes about the famous people he has met including Martin Sheen, Red Skelton, Steve Allen, James Ingram, and Paul Lynde. He also focuses in on the inspiring stories of regular folks who have stood up to the unexpected challenges that came their way. Gary explains how legendary baseball manager Casey Stengel offered him a chance to join the New York Mets. He reveals why he is grateful to the Beatles for helping him get into Northwestern. And for the first time ever, he explains why Channel 8 workers pulled the pants off of a producer and ran them up the flagpole in front of the station. He pays tribute to his boss Virgil Dominic who assembled award-winning news departments in Atlanta and Cleveland. He spells out how TV news has changed through the years. Gary takes a humorous look at the transformation. You will never look at the news the same way again.

The Making of a Mexican American Mayor Mario T. García, 2018-10-09 Raymond L. Telles was the first Mexican American mayor of a major U.S. city. Elected mayor of El Paso in 1957 and serving for two terms, he went on to become the first Mexican American ambassador in U.S. history, heading the U.S. delegation to Costa Rica. Historian Mario T. García brings Telles's remarkable story to life in this newly updated edition of his pioneering biography *The Making of a Mexican American Mayor*. In the border metropolis of El Paso, more than half the population is Mexican American, yet this group had been denied effective political representation. Mexican Americans broke this barrier and achieved the politics of status through Telles's stunning 1957 victory. This book captures the excitement of that long-awaited election. *The Making of a Mexican American Mayor* also examines Telles's story as a microcosm of the history of Mexican Americans before and after World War II, the Mexican American Generation. As mayor and ambassador, Telles symbolized this generation's striving for political participation, and his legacy is evident in the growing number of Latinas/os holding office today.

Power and Politics in a Chicano Barrio Benjamin Marquez, 1985 **Tour of Duty** Steve P. Danko Sr., 2015-11-06 Police officers put their lives on the line every day. They have one of the most dangerous jobs in the world, especially the ones that work in inner cities like Baltimore. Steve P. Danko Sr. knows that all too well. Born and raised in Baltimore, he joined the Baltimore Police Department in 1962 and served until 1987. He saw the city set ablaze during the riots of 1968. He had friends in uniform that were injured or killed. He arrested armed robbery suspects, numerous purse snatchers, and thieves and engaged in routine police work day after day, and he survived. In this memoir, he shares a candid account of being a police officer from the day he joined the force to the day he retired. Throughout his career, he made life-or-death decisions in split seconds. He also had the privilege of serving with the elite Homicide Division, rubbing elbows with some of the smartest detectives in the city and trying to track down murderers, including a serial killer who dismembered his victims. Get an inside look at the remarkable

acts of courage and sacrifice that police officers display on an almost daily basis in *Tour of Duty* Franklin of Philadelphia Esmond Wright,1986 The most original and most delightful of the Founding Fathers Benjamin Franklin was publisher and printer essayist and author businessman and general scientist and philologist politician and diplomat moralist and sage and a thoroughly rational patriot who was a major force in winning his country's independence and securing its life in the Constitution Born poor in Cotton Mather's Boston he was soon at ease in Quaker Philadelphia and later in royal London and in elegant Paris Born with no advantages he died wealthy and esteemed He was the quintessential American almost totally free of the limits of his environment ready to accept any challenge to speculate experiment and question Esmond Wright the distinguished English scholar of America sees Franklin as an Old England Man and a reluctant revolutionary civilized urbane devious and on occasion just a little unscrupulous For despite his charm and genius Franklin was not admired by everybody His contemporary John Adams thought little of his political abilities and the Federalist pamphleteer William Cobbett called him a crafty and lecherous old hypocrite In the next century Mark Twain Hawthorne and Melville did not value him still later D H Lawrence despised the middle class morality he promoted Many today deplore his lack of interest in the arts or metaphysics his lack of passionate commitment his opportunism his occasional coarseness Yet his success in business his many faceted public career his ingenious inventions and world renowned scientific genius his splendid prose style his worldly wisdom and the attractive personality that shines through his remarks and writings made Benjamin Franklin the new man of the eighteenth century dream and also vastly appealing to the modern temper Wright's new biography presents a fully rounded portrait of this remarkable man for all ages This first comprehensive biography of Franklin in fifty years has taken advantage of Yale's massive edition in progress of Franklin's papers and of the many specialized studies inspired by the correspondence Franklin of Philadelphia designed for the general reader is also a work for scholars for the author appends a thorough analysis of other interpretations of Franklin's career and personality **Bookseller Newsman Incorporated**,1891 **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
