**L Cohen**

## **Fighting Generals:**

**A General Who Will Fight** Harry S. Laver, 2013-01-28 Prior to his service in the Civil War Ulysses S Grant exhibited few characteristics indicating that he would be an extraordinary leader His performance as a cadet was mediocre and he finished in the bottom half of his class at West Point However during his early service in the Civil War most notably at the battles of Shiloh and Vicksburg Grant proved that he possessed an uncommon drive When it was most crucial Grant demonstrated his integrity determination and tactical skill by taking control of the Union troops and leading his forces to victory **A General Who Will Fight** is a detailed study of leadership that explores Grant s rise from undisciplined cadet to commanding general of the United States Army Some experts have attributed Grant s success to superior manpower and technology to the help he received from other Union armies or even to a ruthless willingness to sacrifice his own men Harry S Laver however refutes these arguments and reveals that the only viable explanation for Grant s success lies in his leadership skill professional competence and unshakable resolve Much more than a book on military strategy this innovative volume examines the decision making process that enabled Grant both to excel as an unquestioned commander and to win **Fighting for**

**General Lee** Sheridan R. Barringer, 2015-12-15 A remarkable biography of a Confederate brigadier general s experiences during and after the Civil War Well written and deeply researched Eric J Wittenberg author of *Out Flew the Sabers* Rufus Barringer fought on horseback through most of the Civil War with General Lee s Army of Northern Virginia and rose to lead the North Carolina Cavalry Brigade in some of the war s most difficult combats This book details his entire history for the first time Barringer raised a company early in the war and fought with the 1st North Carolina Cavalry from the Virginia peninsula through Second Manassas Sharpsburg Fredericksburg and Chancellorsville He was severely wounded at Brandy Station and as a result missed the remainder of the Gettysburg Campaign returning to his regiment in mid October 1863 Within three months he was a lieutenant colonel and by June 1864 a brigadier general in command of the North Carolina Brigade which fought the rest of the war with Lee and was nearly destroyed during the retreat from Richmond in 1865 The captured Barringer met President Lincoln at City Point endured prison and after the war did everything he could to convince North Carolinians to accept Reconstruction and heal the wounds of war Drawing upon a wide array of newspapers diaries letters and previously unpublished family documents and photographs as well as other firsthand accounts this is an in depth colorful and balanced portrait of an overlooked Southern cavalry commander It is easy today to paint all who wore Confederate gray with a broad brush because they fought on the side to preserve slavery but this biography reveals a man who wielded the sword and then promptly sheathed it to follow a bolder vision proving to be a champion of newly freed slaves a Southern gentleman decades ahead of his time **Infantry**, 1965 **Fighting Generals** Robert Lee Bullard, 1944

**General Crook and the Fighting Apaches** Edwin L. Sabin, 2021-11-05 In *General Crook and the Fighting Apaches* by Edwin L Sabin the reader is taken on a gripping journey through the tumultuous relationship between General George Crook

and the Apache tribes of the American Southwest Sabin's detailed accounts and vivid descriptions bring to life the clashes negotiations and betrayals that defined this era of conflict Written in a straightforward and engaging style the book provides a valuable insight into the military tactics and cultural complexities of the time Sabin's meticulous research and first hand accounts from those involved make this book a must read for history buffs and anyone interested in the American frontier Author Edwin L Sabin a renowned historian and writer draws on his extensive knowledge of the American West to craft a compelling narrative that sheds light on a lesser known aspect of American history His passion for storytelling and dedication to accuracy shine through in every page making this book both educational and entertaining I highly recommend General Crook and the Fighting Apaches to readers who enjoy well researched historical accounts and compelling narratives Sabin's expertise and engaging prose make this book a valuable addition to any history lover's library

**Union General John A. McClernand and the Politics of Command** Christopher C. Meyers, 2010-10-01 John A McClernand was a career politician and those ambitions and qualities continued during his Civil War service A member of the Illinois General Assembly and a U S Representative for 10 years McClernand was connected to other prominent figures of the time such as Abraham Lincoln and Stephen Douglas However he is best known for his rivalry with Gen Ulysses S Grant and this biography balances McClernand's political career with his military leadership and his place in the Union command structure

**Assembly West** Point Association of Graduates (Organization), 1965 *Congressional Record* United States. Congress, 1968 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

**Patton's War** Kevin M. Hymel, 2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton's War An American General's Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton's WWII story

**Parameters**, 2003 **Douglas MacArthur** Russell D. Buhite, 2008-04-18 Buhite offers a trenchant evaluation of Douglas MacArthur's career in east Asia and his role in some of the most important military and diplomatic issues of the twentieth century Concise and highly readable this biography considers diplomatic fact in light of psychological insight and asks us to look anew at both MacArthur and American involvement in the region From Manila to Washington with Tokyo and Seoul in between readers follow the course of American foreign

diplomacy in East Asia via MacArthur's own career This fascinating intersection of personality and policy would make for newsreel footage and newspaper headlines such as when he waded ashore Luzon Island in the Philippines and sent Washington provocative communiqués about the People's Republic of China Yet as Buhite shows grand gestures are not the substance of great foreign policy and MacArthur's reputation merits critical reassessment This is a must read for those interested in diplomatic and military history

*The Battle of Gettysburg* Franklin Aretas Haskell, 2019-12-03 Franklin Aretas Haskell's *The Battle of Gettysburg* is an incisive and vivid recounting of one of the Civil War's most pivotal confrontations Haskell drawing upon his experiences as a soldier and aide de camp offers a firsthand narrative that not only chronicles the events of the battle but also explores the emotional and psychological toll it exacted on those involved Written in a straightforward yet eloquent style Haskell's work reflects the literary conventions of the 19th century blending personal reflection with keen observations of military strategy The book situates itself within the broader context of battlefield accounts providing both detail and depth to an event that has shaped American memory and identity Haskell a member of the Union army fought at Gettysburg and served directly under General Winfield S Hancock imbuing his narrative with authority and intimate knowledge His unique perspective as a veteran enables him to transcend mere military reporting he captures the valor confusion and despair experienced by soldiers Haskell's background as a historian also amplifies the work's analytical insights into the battle's significance enhancing its credibility This compelling narrative is a vital read for anyone interested in American history military strategy or the human experience of war Haskell's poignant reflections elevate the text beyond a simple historical account making it not only a contribution to Civil War literature but also an essential exploration of courage and sacrifice Readers seeking a deeper understanding of Gettysburg will find this book both enlightening and moving

*The American Occupation of the Philippines 1898-1912* James H. Blount, 2016-08-31 To have gone out to the other side of the world with an army of invasion and had a part however small in the subjugation of a strange people and then to see a new government set up and as an official of that government watch it work out through a number of years is an unusual and interesting experience especially to a lawyer What seem to me the most valuable things I learned in the course of that experience are herein submitted to my fellow countrymen in connection with a narrative covering the whole of the American occupation of the Philippines to date This book is an attempt by one whose intimate acquaintance with two remotely separated peoples will be denied in no quarter to interpret each to the other How intelligent that acquaintance is is of course altogether another matter which the reader will determine for himself The task here undertaken is to make audible to a great free nation the voice of a weaker subject people who passionately and rightly long to be also free but whose longings have been systematically denied for the last fourteen years sometimes ignorantly sometimes viciously and always cruelly on the wholly erroneous view that where the end is benevolent it justifies the means regardless of the means necessary to the end At a time when all our military and fiscal experts agree that having the Philippines on our hands is a

grave strategic and economic mistake fraught with peril to the nation's prestige in the early stages of our next great war we are keeping the Filipinos in industrial bondage through unrighteous Congressional legislation for which special interests in America are responsible in bald repudiation of the Open Door policy and against their helpless but universal protest a wholly unprotected and easy prey to the first first class Power with which we become involved in war     *American Statesmen* ,1915

John Hay William Roscoe Thayer,1915     *Grant* Jean Edward Smith,2002-04-09 In this magnificent biography Jean Edward Smith skillfully reconciles the disparate conflicting assessments of Ulysses S Grant confirming his genius as a general but convincingly showing that Grant's presidential accomplishments were as considerable as his military victories 40 photos     *Lee's Maverick General* Hal Bridges,1991-01-01 Among the high ranking gray uniforms Daniel Harvey Hill caused a stir as a sash of red in a bullpen would Hot tempered outspoken he stormed his way through the Civil War leading his soldiers at Malvern Hill and Antietam and sometimes stepping on the toes of superiors But he was much more than a seemingly impervious shield against Union bullets a devout Christian a family man a gloomy fatalist an intellectual Lee's Maverick General makes clear that he was often caught in the crossfire of military politics and ultimately made a scapegoat for the costly barren victory at Chickamauga Hal Bridges drawing on Hill's unpublished papers offers an outsider's inside views of Lee Jefferson Davis Braxton Bragg James Longstreet Stonewall Jackson and others up and down the embattled line In his introduction Gary W Gallagher rounds out the portrait of the controversial Hill whose reading of military affairs was always perceptive     **The Winning of the West** Theodore Roosevelt,1894     *Decisions at Chancellorsville* Sarah Kay Bierle,2025-08-25 Having won a considerable victory at Fredericksburg only months earlier Gen Robert E Lee would again be tested by Gen Joseph Hooker and the Federal Army at Chancellorsville Hooker and the bulk of his army crossed the Rappahannock River at dawn on April 27 1863 in conjunction with cavalry raids from Maj Gen George Stoneman But Lee boldly divided his army leaving a small force to defend Fredericksburg and attacking Hooker with the remainder of the Army of Northern Virginia As the battle wore on Lee launched multiple attacks on Hooker's defenses resulting in massive casualties for both sides Lee divided his army again sending Gen Thomas Stonewall Jackson's corps on a flanking maneuver that infamously resulted in the general's injury by friendly fire and eventual death Though the Confederate Army's victory was assured Lee equated the loss of Stonewall Jackson to the loss of his right hand and as many months later Lee would find his army in a tide turning defeat at the Battle of Gettysburg *Decisions at Chancellorsville* explores the critical decisions made by Confederate and Federal commanders during the campaign and how these decisions shaped its outcome Rather than offering a history of the operation Sarah Bierle hones in on a sequence of decisions made by commanders on both sides of the contest to provide a blueprint of the campaign at its tactical core Identifying and exploring the critical decisions in this way allows students of the battles to progress from a knowledge of what happened to a mature grasp of why events happened Complete with maps and a driving tour *Decisions at Chancellorsville* is an indispensable primer and readers looking for a

concise introduction to the battles can tour this sacred ground or read about it at their leisure with key insights into the campaign and a deeper understanding of the Civil War itself Decisions at Chancellorsville is the twenty second in a series of books that explores the critical decisions of major campaigns and battles of the Civil War     *An Accidental Villain* Linden MacIntyre, 2025-08-12 From the bestselling prize winning author Linden MacIntyre comes an engrossing page turning exploration of the little known life of Sir Hugh Tudor Appointed by his friend Winston Churchill to lead the police in Ireland during the Irish War of Independence Tudor met civil strife and domestic terrorism with indiscriminate state sanctioned murder changing the course of Irish history After distinguishing himself on the battlefields of the First World War Major General Sir Hugh Tudor could have sought a respectable retirement in England his duty done But in 1920 his old friend Winston Churchill Minister of War in Lloyd George s cabinet called on Tudor to serve in a very different kind of conflict one fought in the Irish streets and countryside against an enemy determined to resist British colonial authority to the death And soon Tudor was directing a police force waging a brutal campaign against rebel terrorists one he was determined to win at all costs including utilizing police death squads and inflicting brutal reprisals against IRA members and supporters and Sinn F in politicians Tudor left few traces of his time in Ireland No diary or letters that might explain his record as commander of the notorious Black and Tans Nothing to justify his role in Bloody Sunday November 21 1920 when his men infamously slaughtered Irish football fans And why did a man knighted for his efforts in Ireland leave his family and homeland in 1925 moving across the sea to Newfoundland Linden MacIntyre has spent four years tracking Tudor through archives contemporaries diaries and letters and the body count of that Irish war In *An Accidental Villain* he delivers a consequential and fascinating account of how events can bring a man to the point where he acts against his own training principles and inclination in the service of a cause and ends up on a long journey toward personal oblivion

## **Fighting Generals** Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Fighting Generals**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
