Flight From Valhalla:

Valhalla's Forge Richard Gable, 2022-05-04 Var Tog Kryton Sondergaard and Aldora knights newly graduated from the Dragon s Gauntlet have found themselves on quest within days after their graduation Having left the elite training grounds of the Knight Marshals on their way to their first duty station at Fort Holdfast they encounter a horrendous reptilian creature that seems to be unaffected by sword ax or spell Ignoring all attempts to stop it the creature seems bent on completing a quest of its own Now the knights must find the legendary dwarven artifact the Valhalla s Forge with only an ancient poem for their clue and actually make the weapons necessary to defeat the creature before further disaster befalls the countryside

Valhalla's Swordsmith Tom Hill, 2012-11-12 A thousand years ago a slave girl becomes a Viking warrior and swordsmith Raiding far Castille in dragon ships with her Norse Swordsmith master and friends A Vike that risks everything but offers secrets that will transform their ancient craft A life or death journey and a clash of culture and religion *Valhalla's Warriors* Terry Goldsworthy, 2010-06 They were the soldiers sworn by an oath of loyalty to follow Hitler into a maelstrom of genocidal barbarity They were the elite of the German military in World War Two They were the Waffen SS On June 22 1941 before dawn German troops invaded Russia The Barbarossa campaign included some of the greatest episodes in military history it also allowed Hitler s ideological warriors the Waffen SS to give full vent to their ideological way of war It provided the killing ground in which some of the worst atrocities seen by humanity were committed In *Valhalla s Warriors* author Dr Terry Goldsworthy meticulously chronicles what has become one of the most famous fighting elites in World War Two Discovering the truths behind the legend by drawing on hundreds of sources including first hand accounts of Waffen SS veterans and spanning five years of research Dr Goldsworthy leads the reader through the events that occurred on the Eastern Front both on the front lines and behind This book is an exploration of the Waffen SS and by necessity of evil The Waffen SS are commonly regarded as the elite of Germany s armed forces during World War II They gained much of this reputation whilst fighting on the Eastern Front in Russia Germany s war against the Soviet Union in World War II in particular the role of the Waffen SS forms much of the subject matter of this book The death and destruction during this conflict would result not just from military operations but also from the systematic killing and abuse that the Waffen SS directed against Jews Communists and ordinary citizens This book provides a clear concise history of the Waffen SS campaign of conquest and genocide in Russia by looking at the actions both on and behind the front lines By drawing on the best of military and Holocaust scholarship this book dispels the myths that have distorted the role of the Waffen SS in both the military operations themselves and the unthinkable crimes that were part of them The conventional wisdom that the Waffen SS in World War II fought a relatively clean fight unsullied by the atrocities committed by the Nazis is challenged and largely demolished Focusing on the Eastern Front the book contends that the Nazi vision of a racial ideological death struggle against Slavic hordes and their Jewish Bolshevik commissars resonated with soldiers of the Waffen SS steeped in

traditional anti Semitic and racist dogmas In doing so this book clearly shows that the Waffen SS was an organisation that committed widespread atrocities and were truly soldiers of evil DR TERRY GOLDSWORTHY is a Detective Senior Sergeant with over 25 years policing experience in Australia He has served in general duties watchhouse and traffic branch before moving to the Criminal Investigation Branch in 1994 Dr Goldsworthy has completed a Bachelor of Commerce Bachelor of Laws Advanced Diploma of Investigative Practice and a Diploma of Policing As a result of his law studies Dr Goldsworthy was admitted to the bar in the Queensland and Federal Courts a barrister in 1999 Dr Goldsworthy then completed a Master of Criminology at Bond University He later completed his PhD focusing on the concept of evil and its relevance from a criminological and sociological viewpoint In particular Dr Goldsworthy looked at the link between evil and armed conflicts using the Waffen SS as a case study He has also contributed chapters to the tertiary textbooks Forensic Criminology and Serial Crime published by Academic Press He has also written a chapter to the general crime book Crime on My Mind published by New Holland Publishing

historian and notorious adventurer realizes the artifact is even more significant than anyone thought It serves as a guide to a relic whose existence was previously unknown bringing ancient secrets back from the depths of oblivion Secrets that many would prefer to keep hidden rather than reveal to the world and which the Society has been seeking for nearly two centuries to return to the people Murdock sets off in pursuit of the discovery Along the way he is aided by a sensitive hacker and a rebellious archaeologist Secret groups and mysterious organizations emerge from the shadows joining the race where the stakes are nothing less than finding the Thirteenth Emerald Tablet of Atlantis which holds the key to deciphering lost archaic teachings As Murdock gets closer to unlocking the secret solving some millennia old historical mysteries in the process he realizes that the quest is also the beginning of his own spiritual adventure In every era there have been those who sought Atlantis The only evidence for the existence of Atlantis is the Emerald Tablets of Thoth But perhaps even more important than the existence of the Sunken World itself is the wisdom Atlantis left behind It is no easy task but the path was deliberately made difficult Thoth who was chosen as the God of Writing and Wisdom in Egypt provided enough signs and guidance for us to succeed
