**Human-Computer Interaction** Masaaki Kurosu,Ayako Hashizume,2025-07-01 This seven volume set constitutes the refereed proceedings of the Human Computer Interaction thematic area of the 27th International Conference on Human Computer Interaction HCII 2025 held in Gothenburg Sweden during June 22 27 2025 The HCI Thematic Area constitutes a forum for scientific research and addressing challenging and innovative topics in Human Computer Interaction theory methodology and practice including for example novel theoretical approaches to interaction novel user interface concepts and technologies novel interaction devices UI development methods environments and tools multimodal user interfaces emotions in HCI aesthetic issues HCI and children evaluation methods and tools and many others      **Wendat Women's Arts** Annette W. de Stecher,2022-05-15 For centuries women artists of the Wendat First Nation of Wendake in Quebec have created artworks of intricate design and complex meaning in moosehair and quill embroidery Their work records and transmits ancestral knowledge across generations of artists and remains a vibrant and important practice today Breaking new ground in Indigenous art histories Wendat Women s Arts is the first book to bring together a full history of the Wendat embroidery art form Annette de Stecher challenges the historical anonymity of Indigenous women artists by arguing for their central role in community history and ceremony Through their art these women played an important part in the diplomatic strategies that advanced the sovereignty of their nation work that was an extension of their position of authority in their

families and clans Chiefs and community members wore finely embroidered attire as a brilliant focus of ceremonial events a tradition that continues today Women artists also supported their community economically as their embroidery was a souvenir of choice for European collectors In vibrant illustrations this book reconstructs the rich repertoire of Wendat embroidery now dispersed in collections throughout the world Wendat Women s Arts combines a depth of historical understanding with a keen knowledge of contemporary Wendat artists demonstrating that the story of Wendat women is one of cultural strength innovation resilience and success      A Globalised Visual Culture? Fabio Guidetti, Katharina Meinecke, 2020-07-31 Late Antique artefacts and the images they carry attest to a highly connected visual culture from ca 300 to 800 C E On the one hand the same decorative motifs and iconographies are found across various genres of visual and material culture irrespective of social and economic differences among their users for instance in mosaics architectural decoration and luxury arts silver plate textiles ivories as well as in everyday objects such as tableware lamps and pilgrim vessels On the other hand they are also spread in geographically distant regions mingled with local elements far beyond the traditional borders of the classical world At the same time foreign motifs especially of Germanic and Sasanian origin are attested in Roman territories This volume aims at investigating the reasons behind this seemingly globalised visual culture spread across the Late Antique world both within the borders of the former Roman and later Byzantine Empire and beyond bringing together diverse approaches characteristic of different national and disciplinary traditions The presentation of a wide range of relevant case studies chosen from different geographical and cultural contexts exemplifies the vast scale of the phenomenon and demonstrates the benefit of addressing such a complex historical question with a combination of different theoretical approaches      **Mycenaeans** Rodney Castleden, 2005 The Mycenaean world the stuff of legends and heroes who conquered Troy and who still stand at the heart of Greek identity today This clear detailed study brings their civilisation culture and history to life for both students and enthusiasts      *The Excavations* Howard Crosby Butler, 1922
