Florida Jeff Rice, 2015-04-01 This collection proposes Florida as a nexus of various contested moments ideas concepts and relations In the age of networks it is not enough to only think of computerized economic or labor intensive systems as networks Florida is both a site of exploration what does Florida mean and a model for spatial work in general how do we trace out the networked connections of a given space Florida taps into an existing conversation regarding space and it contributes a new approach by offering up the state as a network of both objective and personal meanings Florida on the Boil Kenneth F. Kister, 2007 Provides incisive reviews of more than 300 recommended novels and short story collections set in Florida Numerous Florida fiction writers past and present are represented in the book including such diverse talents as Edna Buchanan Harry Crews Connie May Fowler and others Excerpted from book cover Florida Spectacular Cathy Salustri, 2024-09-03 Discover Florida in a new light through little known moments from its fascinating history If when you think Florida you don t think spectacular Cathy Salustri is determined to change your mind Explaining why the state is more than the Florida Man stories and the politics that so often make national news and looking beyond the crowded beaches and theme parks Salustri celebrates what makes the state worth a deeper understanding in this lively trip through its natural beauty and fascinating history Journey with Salustri through centuries of forgotten Florida lore into the Everglades and

through the springs and over ranchlands and scrub habitats to discover a state rich in environmental wonders and unique human stories Florida Spectacular lifts the curtain on multiple facets including the legacy of Zora Neale Hurston and the Black community at Eatonville the bravery of Emateloje Estenletkvtte a Seminole woman who escaped from captivity back to her homeland the two frenemy Henrys Flagler and Plant and their projects in transportation and tourism the three Marjories the influential environmentalists and writers and people working to solve issues facing the state today such as those who have used Florida s hurricanes to make storm forecasting better for the whole world and those who have helped show the critically endangered Florida panther a path back from extinction Along the way Salustri brings to light lesser known moments from Florida s history that help illuminate the state s significance in American and world history Salustri tours readers through the hidden in plain sight Florida the overlooked treasures the cultural complexities the environmental challenges and successes Her stories show that with curiosity and an eagerness to learn it doesn t take much to discover the spectacular in Florida s past and present

Homegrown in Florida William McKeen,2012-09-23 Florida can seem like a child s dream of paradise endless sunny days trips to the beach to swim and build sandcastles bike riding without a jacket in the middle of January and magical themeparks only a short drive away But what was life really like for those who grew up here During a recent reunion writers Bill McKeen Tim Dorsey and Jeff Klinkenberg found themselves lamenting that so many of their childhood memories were fading away For them and for many Florida is not just a place people go to it s where they come from That can mean many things to many people as the stellar cast of writers journalists and musicians eloquently reveal in Homegrown in Florida This utterly satisfying and powerful anthology aims at the heart of the glories of childhood and the pain of growing up Both a celebration of the exotic untamed wilderness of a youth filled with moss draped oaks and citrus fields evergreen winters and palmetto fronds and a reminder that innocence often gave way to experience as bike paths became private developments and swimming holes were paved over by interstates Homegrown in Florida is filled with tears and laughter alike Featuring contributions from Carl Hiaasen Tom Petty Zora Neale Hurston Michael Connelly and many more this is a book for every child of old Florida and every child at heart

American Roadkill Don H. Corrigan,2021-10-25 Slaughtered along our highways roadkill may be observed regularly but aren t likely to be given much thought Research scientists animal rights activists roadkill artists writers ethicists and lyricists however are increasingly sounding the alarm They report that we are killing the very animals we love and are driving many of them to the brink of extinction Detailing the death and destruction of mammals reptiles amphibians and insect pollinators this study examines the ways in which we are thus jeopardizing our own futures Beginning in the Model T era biologists counted the common carnage of the time cottontails woodchucks and squirrels mostly That record keeping continues today Beyond the bleak statistics zoologists are rerouting migratory paths of animals and are advocating for cat and dog companions This book illuminates both our successes and failures in keeping animals out of harm s way and what those efforts reflect about

ourselves and our capacity to care enough to alter the road ahead *A Florida State of Mind* James D. Wright, 2019-04-30 A witty history of the state that's always in the news for everything from alligator attacks to zany crimes There's an old clip of Bugs Bunny sawing the entire state of Florida off the continent and every single time a news story springs up about some shenanigans in Florida someone on the internet posts it in response Why are we so ready to wave goodbye to the Sunshine State In *A Florida State of Mind: An Unnatural History of Our Weirdest State* James D Wright makes the case that there are plenty of reasons to be scandalized by the land and its sometimes kooky sometimes terrifying denizens but there's also plenty of room for hilarity Florida didn't just become weird it's built that way Uncharted swampland doesn't easily give way to sprawling suburbia It took violent colonization land scams to trick non Floridians into buying undeveloped property and the development of railroads to benefit one man's hotel empire Even the most natural parts of Florida are unnatural Florida citrus Not from here but from China Gators Oh they're from Florida all right but that doesn't make having 1 per every 20 humans normal Animals in the form of roadkill Only Florida allows you to keep anything you kill on the road and anything you find Yet everyone loves Florida tourists come in droves and people relocate to Florida constantly only 36% of residents were born there Crammed with unforgettable stories and facts Florida will show readers exactly why **Florida Studies** Carole Policy, Claudia Slate, 2010-04-16 This volume contains a variety of essays about Florida literature and history by scholars from across the state representing every kind of institution of higher learning from community colleges to small liberal arts institutions to large universities The first section Pedagogy includes essays about using Florida's environment to its fullest in the composition classroom The essays in Old Florida explore Florida Cracker Westerns and slave shipwrecks off the Florida coast as well as works by James Weldon Johnson Rex Beach and Zora Neale Hurston Contemporary Florida is the largest section with essays that discuss among other topics Stephen King Hunter Thompson Elizabeth Bishop and the Dexter novels The essay in Natural Florida focuses on Florida ecocriticism **Sandspun** Annette J. Bruce, J. Stephen Brooks, 2001 Folktales teach inform and heal Most of all they entertain Here's a collection of tales rich with homespun humor charm and wisdom all told with flair by some of Florida's best and most sought after storytellers Their stories will make you feel part of the great family that is Florida If it's spooky ghost stories you crave let *The Silent Customer* *Kissimmee Bound* and *The Ghost Dog of the Biltmore* chill your spine Heed the Cracker wisdom handed down in *Seek the Higher Ground* cow hunter poetry with a message Chuckle over the misadventures of Flossie Bubba and Flo in *Three Little Cracker Pigs* a tongue-in-cheek version of the classic children's tale Test your wits against the little troll in *Angelina and Cigam* Will he have you running in circles growing smaller with each snap of his fingers Take Cousin Cassie's *Cookin* with a grain of salt It's not true of course Then again if Cassie asks you to dinner say you have other plans Many Indian legends attempt to explain why the world exists as it is In this tradition several tales target specific flukes of nature the rabbit's short tail the flamingo's long neck the woodpecker's lack of song and offer entertaining reasons for their existence Discover these legends too *The Devil's*

Millhopper The Legend of Lake Okeechobee Monkey the Trickster Why Florida Key Deer Are So Small A few history lessons never hurt anyone and these are entertaining as well Jonathan Dickinson Mary McLeod Bethune and Jake Summerlin have a thing or two to teach you about overcoming adversity and being resourceful Settle back into your easy chair and let these tales entertain you

Network of Bones Sean Morey,2019-03-27 Both a far removed place of refuge for the fringe of society and a high status vacation destination the Keys remain a legendary yet fragile place still threatened by a human made disaster the 2010 Deepwater Horizon oil spill Likewise Key West Florida can be many things to many people evoking laidback Margaritaville for some and Ernest Hemingway for others In this mixture of memoir travel writing philosophical reflection natural and cultural history and meditation on language Sean Morey wrestles with the varied and often contradictory nature of his hometown Morey turns a sharp eye inward teasing out the layers of natural and cultural developments that have shaped the Keys for both millions of years and the past few decades He asks What does it take for humans to accept our impact on Earth and more importantly what will move humans to take action to reverse adverse impacts The answer Morey posits lies in imaginative thinking in building connections between locations and individual interests and backgrounds to create a foundation for widespread ecological ethics In Network of Bones Morey guides readers through different images of Key West and connects them to global environmental issues including overfishing rising sea levels and polluted oceans Morey s writing stimulates memory and invites engagement with the world as he shows us how learning about one place no matter how specific and eccentric that place might be can teach us about all other places It s just a matter of imagination The author s proceeds from the sale of this book will benefit Coastal Conservation Association Florida

Featuring Florida Dr. Caren S. Neile,2025-02-18 Author Caren Schnur Neile offers a whole new way to explore Florida Dexter Key Largo The Yearling all famous works of popular culture created by masters in their fields What s more all three take place in Florida This plunge into Florida based TV movies and fiction from the nineteenth century to the present both entertains and educates about the Sunshine State and the stories themselves Did you know who producers originally wanted to star in Bad Boys or which product saw skyrocketing sales thanks to Miami Vice Florida enthusiasts will also find a good long list of enticing shows and books to enjoy from old favorites like Their Eyes Were Watching God Scarface and The Golden Girls to newer masterpieces like The Florida Project and Moonlight

Welcome to Florida Craig Pittman,2025-03-11 A much loved Florida writer chronicles the quirky touching and thought provoking stories of the Sunshine State today In Welcome to Florida award winning investigative journalist and New York Times bestselling author Craig Pittman introduces readers to the people creatures places and issues that make up the Florida of today Through lively stories told with cutting insight and always with a joke at the ready Pittman captures the heart of what he calls The Most Interesting State From threats to Florida s environment to a hippo that became an official state citizen these tales range from the moving to the bizarre Pittman follows the escapades of crime writers hungry predators politicians and developers across the state At the core of this collection is a

deep sense of admiration for the resilience of those who live here Again and again this book showcases the power of ordinary Floridians fighting to save some part of the state that they hold dear Often that means folks rallying to protect the state s unique natural landscape sometimes it means former CIA agents incorporating their own island community Welcome to Florida is both a love letter to and hilarious deep dive into the nation s fastest growing state Imbued with Pittman s characteristic humor and undeniable fondness for both the weird and wonderful parts of his home this book shows why despite some of its reputations Florida continues to prove irresistible **Highways and Movement of Wildlife** ,1996

Florida Roadkill Introduction

In the digital age, access to information has become easier than ever before. The ability to download Florida Roadkill has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Florida Roadkill has opened up a world of possibilities. Downloading Florida Roadkill provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Florida Roadkill has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Florida Roadkill. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Florida Roadkill. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Florida Roadkill, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Florida

Roadkill has transformed the way we access information.
