does not have a real cricket pitch even today there was no national team But a group of young Afghan men exiled by war learnt to play in the smashed concrete of refugee camps and have risen from obscurity to the groomed grass pitches of international cricket With unlimited access Tim Albane travelled alongside the team for the two years charting the players progress from refugees in Pakistan to the brink of international sporting stardom Far from being bogged down in cricket jargon this tale of a gang of dedicated charismatic occasionally exasperating young men seeking triumph out of disaster is one that will move and inspire everyone Foreword by Mike Atherton     Power Plant Engineering ,1929     *Industrial Management* John R.
