Flippers New Adventure:

Soundtracks Stewart R. Craggs, 2019-05-03 First published in 1998 music scored for film has only relatively recently received the critical attention which it merits Many composers in the twentieth century have written works for films or documentaries a number feeling that this aspect of their output has been undervalued This dictionary complements other studies which have appeared in recent years which look at the technical and theoretical issues concerned with film music composition Arranged alphabetically by composer the volume comprises over 500 entries covering all nationalities Each entry includes very brief biographical information on the composer followed by a list of the films with dates for which he or she has composed Details of recordings are also given The dictionary's international coverage ensures that it will become a standard reference work for all those interested in the history of twentieth century music and the development of film

Where the Wild Things Were Henry Jenkins, 2025-02-25 Explores iconic works from *The Cat in the Hat* to *The Twilight Zone* to explain cultural trends in parenting and how we conceptualize childhood The 60s produced a Baby Boom generation that catalyzed the dawn of a new era the space age the age of television the global age and the beginnings of civil rights At the same time a new paradigm for parenting was unfolding that put emphasis on permissiveness defined by what it permitted the free and unfettered impulses of children Others worried that the wildness of children personified by the characters in Maurice Sendak's 1963 classic children's book *Where the Wild Things Are* was destructive disruptive and disrespectful *Where the Wild Things Were* centers on the exploding contentious national conversation about the nature of childhood and parenting in the postwar US emblemized by Dr Spock's *Baby and Child Care* Renowned scholar Henry Jenkins demonstrates that the language that shaped a growing field of advice literature for parents also informed the period's fictions in film television comics children's books and elsewhere produced for and consumed by children In particular Jenkins demonstrates the era's emblematic child was the boy in the striped shirt white male suburban middle class Christian and above all American Weaving together intellectual histories and popular texts Jenkins shows how boy protagonists became embodiments of permissive child rearing as well as the social ideals and contradictions that permissiveness entailed From *Peanuts* comic strips and TV specials to *The Cat in the Hat* *Dennis the Menace* and *Jonny Quest* the book reveals how childhood and the stories about it became central to Cold War concerns with democracy citizenship globalization the space race science race relations gender and sexuality Written by a former boy in a striped shirt *Where the Wild Things Were* explores iconic works from *Mary Poppins* to *Lost in Space* contextualizing them through a critical but respectful engagement with the core animating ideas of the permissive imagination

Peng and Spanners Steve Webb, 2024-01-30 When the school pizza parlour disappears and a giant robot suddenly appears *Pengtastic* and *Spanners* know that only they can help the headmaster find his parlour before the school inspectors arrive and shut him down There's just one massive pesky robot to defeat Cinderella the caretaker who roars about rules and an incredible jail break to get out of first
