Hebrew Infusion Sarah Bunin Benor, Jonathan Krasner, Sharon Avni, 2020-07-17 Winner of the 2020 National Jewish Book Award in Education and Jewish Identity Each summer tens of thousands of American Jews attend residential camps where they may see Hebrew signs sing and dance to Hebrew songs and hear a camp specific hybrid language register called Camp Hebraized English as in Let's hear some ruach spirit in this chadar ochel dining hall Using historical and sociolinguistic methods this book explains how camp directors and staff came to infuse Hebrew in creative ways and how their rationales and practices have evolved from the early 20th century to today Some Jewish leaders worry that Camp Hebraized English impedes Hebrew acquisition while others recognize its power to strengthen campers' bonds with Israel Judaism and the Jewish people Hebrew Infusion explores these conflicting ideologies showing how hybrid language can serve a formative role in fostering religious diasporic communities The insightful analysis and engaging descriptions of camp life will appeal to anyone interested in language education or American Jewish culture **The Jewish Encyclopedia** Isidore Singer, Cyrus Adler, 1901

And the Stars of Heaven Fell Janice M. Barlow, 2022-08-23 Sequestered in the wilderness seventeen year old Jade Greenwood and her father Chase must deal with the high price placed on their lives Their unique bloodline gives them immunity to every disease but endangers their lives In fact the plasma from Jade and Chase's blood was used to create millions of live saving vaccines during the recent Plague 21 A sequel to the pandemic thriller The Last Bloodline And the Stars of Heaven Fell continues the story of Jade and her father as they embark across the Atlantic In this chilling novel Biblical prophecies become real and the world is swept up in the magnitude of the horrors of the end times Sephardic Jews in America Aviva Ben-Ur, 2012 A significant number of Sephardic Jews tracing their remote origins to Spain and Portugal immigrated to the United States from Turkey Greece and the Balkans from 1880 through the 1920s joined by a smaller number of Mizrahi Jews arriving from Arab lands Most Sephardim settled in New York establishing the leading Judeo

Spanish community outside the Ottoman Empire With their distinct languages cultures and rituals Sephardim and Arab speaking Mizrahim were not readily recognized as Jews by their Ashkenazic coreligionists At the same time they forged alliances outside Jewish circles with Hispanics and Arabs with whom they shared significant cultural and linguistic ties The failure among Ashkenazic Jews to recognize Sephardim and Mizrahim as fellow Jews continues today More often than not these Jewish communities are simply absent from portrayals of American Jewry Drawing on primary sources such as the Ladino Judeo Spanish press archival documents and oral histories Sephardic Jews in America offers the first book length academic treatment of their history in the United States from 1654 to the present focusing on the age of mass immigration

The Jewish Encyclopedia: Bencemero-Chazanuth Isidore Singer,1902 *The Jews of Contemporary Post-Soviet States* Vladimir Ze'ev Khanin,2023-10-24 Since the end of the USSR post Soviet Jewry has evolved into an ethnically and culturally diverse Russian speaking community This process is taking place against the gradual inflation of a collective identity among Russian speaking Jews that survived the first post Soviet decade The infrastructure for this new entity is provided by new local or ethno civic groups of East European Ashkenazi Jewry with specific communal subcultural and ethno political identities Ukrainian Moldavian or Russian Jews e g These communities demonstrate a changing balance of identification between their countries of residence and the transnational Russian Jewish community and they absorb a significant number of persons of non Jewish and ethnically heterogeneous origins as well This book discusses identity community modes migration dynamics socioeconomic status attitudes toward Israel social and political environments and other parameters framing these trends using the results of a comprehensive sociological study of the extended Jewish population conducted in 2019 2020 by this author in the five former Soviet Union countries Russia Ukraine Belarus Moldova and Kazakhstan **Land and Desire in Early Zionism** Boaz Neumann,2011 A provocative look at the centrality of desire for the Land among early settlers in pre state Israel *Memoirs of a Jewish Prisoner of the Gulag* Zvi Preigerzon,2022-09-27 Zvi Preigerzon wrote memoirs about his time in the Gulag in 1958 long before Solzhenitsyn and without any knowledge of the other publications on this subject It was one of the first eyewitness accounts of the harsh reality of Soviet Gulags Even after the death of Stalin when the whole Gulag system was largely disbanded writing about them could be regarded as an act of heroism Preigerzon attempted to document and analyze his own prison camp experience and portray the Jewish prisoners he encountered in forced labor camps Among these people we meet scientists engineers famous Jewish writers and poets young Zionists a devoted religious man a horse wagon driver a Jewish singer of folk songs and many many others As Preigerzon put it Each one had his own story his own soul and his own tragedy **The Jewish Encyclopedia: a Descriptive Record of the History, Religion, Literature, and Customs of the Jewish People from the Earliest Times to the Present Day**,1907 **The Journal of a Jewish Traveller** Israel Cohen,1925 Includes visits to Jewish communities in New Zealand Rhinestones, Religion, and the Republic Kimberly A. Arkin,2013-12-18 During the course of her fieldwork in Paris

anthropologist Kimberly Arkin heard what she thought was a surprising admission A French born North African Jewish Sephardi teenage girl laughingly told Arkin she was a racist When asked what she meant by that the girl responded It means I hate Arabs This girl was not unique She and other Sephardi youth in Paris insisted again and again that they were not French though born in France and that they could not imagine their Jewish future in France Fueled by her candid and compelling informants Arkin s analysis delves into the connections and disjunctures between Jews and Muslims religion and secular Republicanism race and national community and identity and culture in post colonial France Rhinestones argues that Sephardi youth as both Arabs and Jews fall between categories of class religion and culture Many reacted to this liminality by going beyond religion and culture to categorize their Jewishness as race distinguishing Sephardi Jews from Arab Muslims regardless of similarities they shared while linking them to European Jews Ashkenazim regardless of their differences But while racializing Jewishness might have made Sephardi Frenchness possible it produced the opposite result it re grounded national community in religion as race thereby making pluri religious community appear threatening Rhinestones thus sheds light on the production of race alienation and intolerance within marginalized French and European populations

Israel and China: From the Tang Dynasty to Silicon Wadi Mark O'Neill, 2018-01-01 The Jews first arrived in China during the Tang dynasty 618 907 AD and settled as businessmen civil servants and professionals They assimilated into Chinese society and lost their Jewish character The next wave came in the mid 19th century with the opening of the treaty ports and settled in Shanghai They went into trading especially opium and diversified into property manufacturing finance public transport and retail Another Jewish community settled in Harbin after the opening of the China Eastern Railway in 1903 They also prospered in trading and business Both communities built synagogues schools social clubs and welfare institutions During World War Two 25 000 Jews from Nazi occupied Europe took refuge in Shanghai one of the few cities in the world open to them Many received visas from Asian diplomats who defied their governments to issue them The Japanese military refused the Nazi demand to carry out the final solution of the Jews in Shanghai After 1945 inflation civil war and Communist rule made most Jews leave China for new homes in Israel North America Australia and elsewhere The new state of Israel worked hard to establish diplomatic ties with the People s Republic it became an important supplier of weapons in the 1980s But it took 42 years for the two countries to sign the ties in 1992 Since then relations have blossomed and China has become one of Israel s biggest foreign investors In the reform and open door era Jewish people have returned to China and form important communities in Beijing Shanghai Guangzhou and other cities Part of this narrative are remarkable individuals who have left a deep imprint on China Karl Marx Sir Victor Sassoon Silas Hardoon the Kadoorie family Henry Kissinger and Sigmund Freud To tell this extraordinary story Mark O Neill conducted many interviews with rabbis businessmen entrepreneurs professors and journalists in Beijing Shanghai Hong Kong and Israel It is largely a joyful page in Jewish history
