The Smart Nonprofit Beth Kanter, Allison H.

Fine, 2022-03-03 A pragmatic framework for nonprofit digital transformation that embraces the human centered nature of your organization The Smart Nonprofit turns the page on an era of frantic busyness and scarcity mindsets to one in which nonprofit organizations have the time to think and plan and even dream The Smart Nonprofit offers a roadmap for the once in a generation opportunity to remake work and accelerate positive social change It comes from understanding how to use smart tech strategically ethically and well Smart tech does rote tasks like filling out expense reports and identifying prospective donors However it is also beginning to do very human things like screening applicants for jobs and social services while paying forward historic biases Beth Kanter and Allison Fine elegantly outline the ways smart nonprofits must stay human centered and root out embedded bias in order to success at the compassionate and creative work that only humans can and should do
