Joe's Wedding

Gareth O'Callaghan, 2009-01-30

It is the morning of Joe's wedding. He opens his eyes to find himself on a park bench beside the sea, dressed in torn tights and a cape. And that's not his only chilly awakening. Joe is in Holyhead, miles away from his wedding in Dublin. And he doesn't even remember how he got there. An old man joins him on the bench. Marty is local, so how does he know so much about Joe? And why is he so interested in talking to a stranger in a Superman suit who clearly has no time for chit-chat? Can Marty help Joe solve his dilemma and answer the fundamental question: does he really want to get married at all?

The B-29 Superfortress Robert A. Mann, 2015-07-11

The B-29 Superfortress was for many years a cornerstone of American military aviation. Best known as a bomber, it also served in reconnaissance as a tanker and as a rescue plane. It was a crucial tool for American and Allied forces during World War II, Korea, and beyond. This operational history of the B-29 gives in-depth information on the career of each plane. A list of the names and serial numbers of the planes, each plane's history from delivery date to removal from service, a description of the B-29's physical characteristics and performance parameters, and a description of the five B-29 variants are provided. Sections of the book give complete mission data for the B-29's World War II service in the China, Burma, India theater of operations, operations over Japan, aerial mining missions, and test atomic bombing runs.

Garage Band S. F. Lynch, 2008-09

Suppose the girl you're crazy about tells you she's being stalked and wants your advice on buying a gun. And what if the next day, as you're picking up the leaf rake you left in her garden, you look through her back window and see her good-looking cousin dancing in her bra and panties? What would you do? For Kyle Waite, gardener and harmonica player, the answer is total immersion in his buddy Joe's garage band. With an overweight bass man, a drummer that burglarizes houses, a keyboardist who sticks safety pins in his face, and Joe, a happy-go-lucky guitarist, the music is the dream. As the commercial success of the band seems imminent, and Kyle begins to find true love, a chain of harrowing events threatens to doom the garage band and forever change the lives of its members. *Garage Band* is a gripping coming-of-age story that takes place in California's Marin County in the 1980s. Both heartbreaking and hilarious, it's an irreverent tale that covers the gauntlet from joy to sorrow, from the innocence and recklessness of youth to the blessed illusions we have about ourselves. Pick up two copies of this book: one for yourself and another for a friend. S. F. Lynch was born in San Francisco. He currently resides in the Pacific Northwest with his wife, two sons, and their Australian Shepherd. His work has appeared in *Cold Drill*, *Coe Review*, *Thought Magazine*, and *Boise Weekly*.
